AMENDMENTS

1976—Pub. L. 94-425 substituted provisions authorizing appropriations of \$10,800,000 for construction costs for project based on June 1976 prices, with exception that no funds may be appropriated for fiscal year ending Sept. 30, 1977 for provisions authorizing appropriations not to exceed \$12,600,000 for construction costs for project, eliminated provision requiring approval of title by Attorney General, and inserted provision authorizing financial participation of Secretary of State through Commissioner to acquire land for construction of project contingent upon city of San Diego furnishing its appropriate share of funds.

§ 277d-34. American-Mexican Boundary Treaty, authorization for carrying out treaty provisions; investigations; land acquisition, purposes; damages, repair or compensation

In connection with the treaty between the United States of America and the United Mexican States to resolve pending boundary differences and maintain the Rio Grande and the Colorado River as the international boundary between the United States of America and the United Mexican States, signed November 23, 1970, (hereafter in this Act referred to as the "treaty"), the Secretary of State, acting through the United States Commissioner, International Boundary and Water Commission, United States, and Mexico (hereafter in this Act referred to as the "Commissioner"), is authorized—

(1) to conduct technical and other investigations relating to—

(A) the demarcation, mapping, monumentation, channel relocation, rectification, improvement, stabilization, and other matters relating to the preservation of the river boundaries between the United States and Mexico;

(B) the establishment and delimitation of the maritime boundaries in the Gulf of Mexico and in the Pacific Ocean;

(C) water resources; and

(D) the sanitation and the prevention of pollution;

(2) to acquire by donation, purchase, or condemnation, all lands or interests in lands required—

(A) for transfer to Mexico as provided in the treaty;

(B) for construction of that portion of new river channels and the adjoining levees in the territory of the United States;

(C) to preserve the Rio Grande and the Colorado River as the boundary by preventing the construction of works which may cause deflection or obstruction of the normal flow of the rivers or of their floodflows; and

(D) for relocation of any structure or facility, public or private, the relocation of which, in the judgment of the Commissioner, is necessitated by the project; and

(3) to remove, modify, or repair the damages caused to Mexico by works constructed in the United States which the International Boundary and Water Commission, United States and Mexico, as determined have an adverse effect on Mexico, or to compensate Mexico for such damages.
