(a) Final evaluation of Fund

By March 31, 1998, the Secretary of Labor shall, on the basis of an actuarial study conducted by experts or consultants whose services are procured by the Secretary of Labor by contract, make a final determination of the amounts estimated to be necessary to meet expenditures for workers' compensation benefits and other payments described in section 3715a(a) of this title, as calculated in accordance with the second sentence of section 3715a(b) of this title. (2) At such time as the Secretary of Labor certifies that no further liability exists for workers' compensation benefits or other payments described in section 3715a(a) of this title, the Secretary of the Treasury may discontinue the Fund in the manner provided by law.
