

part or subchapter I of such chapter 8<sup>2</sup> for any part of the same period of time. Neither this subsection nor any provision of subchapter I of such chapter 8<sup>2</sup> shall be construed to deny the right of any participant to receive an annuity under this part and to receive concurrently any payment under subchapter I of such chapter 8<sup>2</sup> by reason of the death of any other individual.

**(e) Lump sum disability payments**

Notwithstanding any other law, the right of any individual entitled to an annuity under this part shall not be affected because such person has received an award of compensation in a lump sum under section 8135 of title 5, except that where such annuity is payable on account of the same disability for which compensation under such section has been paid, so much of such compensation as has been paid for any period extended beyond the date such annuity becomes effective, as determined by the Secretary of Labor, shall be refunded to the Department of Labor, to be paid into the Federal Employees' Compensation Fund. Before such individual receives such annuity, he or she shall—

(1) refund to the Department of Labor the amount representing such commuted payments for such extended period, or

(2) authorize the deduction of such amount from the annuity payable under this part, which amount shall be transmitted to the Department of Labor for reimbursement to such Fund.

Deductions from such annuity may be made from accrued and accruing payments, or may be prorated against and paid from accruing payments in such manner as the Secretary of Labor shall determine, whenever the Secretary of Labor finds that the financial circumstances of the annuitant warrant deferred refunding.

**(f) Time of filing application; waiver**

A claim may be allowed under this section only if the application is filed with the Secretary of State before the participant is separated from the Service or within one year thereafter. This time limitation may be waived by the Secretary of State for a participant who at the date of separation from the Service or within one year thereafter is mentally incompetent, if the application is filed with the Secretary of State within one year from the date of restoration of the participant to competency or the appointment of a fiduciary, whichever is earlier.

If a participant dies and no claim for annuity is payable under this part, the lump-sum credit shall be paid in accordance with section 4055 of this title.

**(b) Surviving spouse**

If a participant who has at least 18 months of civilian service credit toward retirement under the System dies before retirement or other separation from the Service and is survived by a spouse or former spouse qualifying for an annuity under section 4054(b) of this title, such surviving spouse shall be entitled to an annuity equal to 55 percent of the annuity computed in accordance with subsections (e) and (g) of this section and section 4046(a) of this title and any surviving former spouse shall be entitled to an annuity under section 4054(b) of this title as if the participant died after being entitled to an annuity under this part. If the participant had less than 3 years creditable civilian service at the time of death, the survivor annuity shall be computed on the basis of the average salary for the entire period of such service.

**(c) Surviving spouse or former spouse, and children**

If a participant who has at least 18 months of civilian service credit toward retirement under the System dies before retirement or other separation from the Service and is survived by a spouse or a former spouse who is the natural or adoptive parent of a surviving child of the annuitant, and a child or children, each surviving child shall be entitled to an annuity computed
