CHANGE OF NAME

Committee on International Relations of House of Representatives changed to Committee on Foreign Affairs of House of Representatives by House Resolution No. 6, One Hundred Tenth Congress, Jan. 5, 2007.

FINDINGS

Pub. L. 108-458, title VII, §7104(c)(1), Dec. 17, 2004, 118 Stat. 3781, provided that: “Congress makes the following findings:

“(A) The Final Report of the National Commission on Terrorist Attacks Upon the United States criticized the provision of United States assistance to Afghanistan for being too inflexible.

“(B) The Afghanistan Freedom Support Act of 2002 (22 U.S.C. 7501 et seq.) contains provisions that provide for flexibility in the provision of assistance for Afghanistan and are not subject to the requirements of typical foreign assistance programs and provide for the designation of a coordinator to oversee United States assistance for Afghanistan.”

§ 7515. Sense of Congress regarding promoting cooperation in opium producing areas

It is the sense of Congress that the President should—

(1) to the extent practicable, under such procedures as the President may prescribe, withhold United States bilateral assistance from, and oppose multilateral assistance to, opium-producing areas of Afghanistan if, within such

areas, appropriate cooperation is not provided to the United States, the Government of Afghanistan, and international organizations with respect to the suppression of narcotics cultivation and trafficking, and if withholding such assistance would promote such cooperation;

(2) redistribute any United States bilateral assistance (and to promote the redistribution of any multilateral assistance) withheld from an opium-producing area to other areas with respect to which assistance has not been withheld as a consequence of this section; and

(3) define or redefine the boundaries of opium producing areas of Afghanistan for the purposes of this section.

(b) Use of the expertise of Afghan-Americans

In providing assistance authorized by this subchapter, the President should—

(1) maximize the use, to the extent feasible, of the services of Afghan-Americans who have expertise in the areas for which assistance is authorized by this subchapter; and

(2) in the awarding of contracts and grants to implement activities authorized under this subchapter, encourage the participation of such Afghan-Americans (including organizations employing a significant number of such Afghan-Americans).

(c) Donations of manufacturing equipment; use of colleges and universities

In providing assistance authorized by this subchapter, the President, to the maximum extent practicable, should—

(2) utilize research conducted by United States colleges and universities and the technical expertise of professionals within those institutions, particularly in the areas of agriculture and rural development.
