

(b) Countries of particular concern

The President shall include in each annual report on proposed refugee admission pursuant to section 1157(d) of title 8, information about specific measures taken to facilitate access to the United States refugee program for individuals who have fled countries of particular concern for violations of religious freedom, identified pursuant to section 6442(b) of this title. The report shall include, for each country of particular concern, a description of access of the nationals or former habitual residents of that country to a refugee determination on the basis of—

- (1) referrals by external agencies to a refugee adjudication;
- (2) groups deemed to be of special humanitarian concern to the United States for purposes of refugee resettlement; and
- (3) family links to the United States.

Editorial Notes

AMENDMENTS

2018—Subsec. (a). Pub. L. 115-198 substituted “2022” for “2017” in introductory provisions.

2012—Subsec. (a). Pub. L. 112-172 substituted “2017” for “2012” in introductory provisions.

2008—Subsec. (a). Pub. L. 110-346, §11(1), (2), inserted “and refugee” before “information” in heading, and, in introductory provisions, substituted “through 2012” for “for each of the following 5 years” and “which shall include the following:” for “which shall include—”.

Pub. L. 110-346, §11(3)-(5), substituted “The number of aliens” for “the number of aliens” in pars. (1) and (2) and a period for “; and” in par. (1) and added par. (3).

§ 7846. Sense of Congress on humanitarian coordination related to the Korean Peninsula

It is the sense of Congress that—

- (1) any instability on the Korean Peninsula could have significant humanitarian and strategic impact on the region and for United States national interests; and
- (2) as such, the United States Government should work with countries sharing a land or maritime border with North Korea to develop long-term whole-of-government plans to coordinate efforts related to humanitarian assistance and human rights promotion and to effectively assimilate North Korean defectors.

§ 7901. Definitions

In this chapter:

(1) Carbon sequestration

The term “carbon sequestration” means the capture of carbon dioxide through terrestrial, geological, biological, or other means, which prevents the release of carbon dioxide into the atmosphere.

(2) Greenhouse gas

The term “greenhouse gas” means carbon dioxide, methane, nitrous oxide, hydrofluorocarbons, perfluorocarbons, and sulfur hexafluoride.

(3) Greenhouse gas intensity

The term “greenhouse gas intensity” means the ratio of greenhouse gas emissions to economic output.

EX. ORD. NO. 14027. ESTABLISHMENT OF THE CLIMATE CHANGE SUPPORT OFFICE

Ex. Ord. No. 14027, May 7, 2021, 86 F.R. 25947, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, including section 202 of the Revised Statutes (22 U.S.C. 2656) and section 3161 of title 5, United States Code, it is hereby ordered as follows:

SECTION 1. *Establishment of the Climate Change Support Office.* (a) There is established within the Department of State, in accordance with section 3161 of title 5, United States Code, a temporary organization to be known as the Climate Change Support Office (CCSO).

(b) The CCSO shall be headed by a Director selected by the Secretary of State (Secretary). In addition to a Director, the CCSO may be staffed by persons in such numbers and with such skills as are necessary for the performance of CCSO functions.

(c) The purpose of the CCSO shall be to perform the specific project of supporting bilateral and multilateral engagement to advance the United States initiative to address the global climate crisis, led by the Department of State and in coordination with other executive departments and agencies, consistent with Executive Order 14008 of January 27, 2021 (Tackling the Climate Crisis at Home and Abroad) [42 U.S.C. 4321 note]. The CCSO shall support the Department of State, including the Special Presidential Envoy for Climate, in United States efforts to elevate and underscore the commitment my Administration will make towards addressing the global climate crisis.

(d) In carrying out its purpose as set forth in subsection 1(c) of this order, the CCSO shall:

- (1) support the Department of State and other executive departments and agencies, as appropriate, in lead-

ing diplomatic engagement on climate change, exercising climate leadership in international fora, increasing international climate ambition, and ensuring that climate change is integrated into all elements of United States foreign policy-making decision processes;

(ii) support efforts that go beyond the climate work currently carried out by the Department of State across a wide range of international fora that address clean energy, aviation, shipping, the Arctic, the ocean, sustainable development, and migration; and

(iii) perform such other functions related to the specific project set forth in subsection 1(c) of this order as the Secretary may assign.

(e) The CCSO shall terminate at the end of the maximum period permitted by section 3161(a)(1) of title 5, United States Code, unless sooner terminated by the Secretary.

SEC. 2. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

J.R. BIDEN, JR.

§ 7902. Reduction of greenhouse gas intensity

(a) Lead agency

(1) In general

The Department of State shall act as the lead agency for integrating into United States foreign policy the goal of reducing greenhouse gas intensity in developing countries.

(2) Reports

(A) Initial report

Not later than 180 days after August 8, 2005, the Secretary of State shall submit to the appropriate authorizing and appropriating committees of Congress an initial report, based on the most recent information available to the Secretary from reliable public sources, that identifies the 25 developing countries that are the largest greenhouse gas emitters, including for each country—

(i) an estimate of the quantity and types of energy used;

(ii) an estimate of the greenhouse gas intensity of the energy, manufacturing, agricultural, and transportation sectors;

(iii) a description¹ the progress of any significant projects undertaken to reduce greenhouse gas intensity;

(iv) a description of the potential for undertaking projects to reduce greenhouse gas intensity;

(v) a description of any obstacles to the reduction of greenhouse gas intensity; and

(vi) a description of the best practices learned by the Agency for International Development from conducting previous

pilot and demonstration projects to reduce greenhouse gas intensity.

(B) Update

Not later than 18 months after the date on which the initial report is submitted under subparagraph (A), the Secretary shall submit to the appropriate authorizing and appropriating committees of Congress, based on the best information available to the Secretary, an update of the information provided in the initial report.

(C) Use

(i) Initial report

The Secretary of State shall use the initial report submitted under subparagraph (A) to establish baselines for the developing countries identified in the report with respect to the information provided under clauses (i) and (ii) of that subparagraph.

(ii) Annual reports

The Secretary of State shall use the annual reports prepared under subparagraph (B) and any other information available to the Secretary to track the progress of the developing countries with respect to reducing greenhouse gas intensity.

(b) Projects

The Secretary of State, in coordination with Administrator of the United States Agency for International Development, shall (directly or through agreements with the World Bank, the International Monetary Fund, the United States International Development Finance Corporation, and other development institutions) provide assistance to developing countries specifically for projects to reduce greenhouse gas intensity, including projects to—

(1) leverage, through bilateral agreements, funds for reduction of greenhouse gas intensity;

(2) increase private investment in projects and activities to reduce greenhouse gas intensity; and

(3) expedite the deployment of technology to reduce greenhouse gas intensity.

(c) Focus

In providing assistance under subsection (b), the Secretary of State shall focus on—

(1) promoting the rule of law, property rights, contract protection, and economic freedom; and

(2) increasing capacity, infrastructure, and training.

(d) Priority

In providing assistance under subsection (b), the Secretary of State shall give priority to projects in the 25 developing countries identified in the report submitted under subsection (a)(2)(A).
