**§ 9307. Reports**

**(a) Global Food Security Strategy implementation reports**

For each of the fiscal years through 2028, the President shall submit to the appropriate congressional committees a report that describes the status of the implementation of the Global Food Security Strategy during the preceding year, which shall—

(1) contain a summary of the Global Food Security Strategy as an appendix;

(2) identify any substantial changes made in the Global Food Security Strategy during the preceding calendar year, including any changes to the target countries selected pursuant to the selection criteria described in section 9304(a)(2) of this title and justifications for any such changes;

(3) identify and describe the progress made in implementing the Global Food Security Strategy;

(4) identify and describe the priority quantitative metrics used to establish baselines and performance targets at the initiative, country, and zone of influence levels;

(5) identify such established baselines and performance targets at the country and zone of influence levels;

(6) identify the output and outcome benchmarks and indicators used to measure results annually, and report the annual measurement of results for each of the priority metrics identified pursuant to paragraph (4), disaggregated by age, gender, and disability, to the extent practicable and appropriate, in an open and transparent manner that is accessible to the people of the United States;

(7) describe related strategies and benchmarks for graduating target countries and communities from assistance provided under the Global Food Security Strategy over time, including by building resilience, reducing risk, and enhancing the sustainability of outcomes from United States investments in food and nutrition security;

(8) indicate how quantitative and qualitative findings from monitoring and evaluation were incorporated into program design and budget decisions at the initiative, country, and zone of influence levels, including longitudinal data and key uncertainties;

(9) contain a transparent, open, and detailed accounting of spending by relevant Federal departments and agencies to implement the Global Food Security Strategy, including, for each Federal department and agency, the stat-
