Half-way houses may be used as either intake facilities or aftercare facilities for youth admitted, or to be admitted, for long-term treatment of substance abuse. The Indian Health Service, the Bureau of Indian Affairs, and the tribes are authorized to use their respective resources to adequately staff and operate any such facility.

(2) In any case where there is a space available in an appropriately licensed and supervised emergency shelter or half-way house, the Bureau of Indian Affairs and tribal courts are encouraged to refer Indian youth convicted of offenses directly or indirectly related to alcohol and substance abuse to such facilities in lieu of sentencing to incarceration in a secured juvenile facility.
