(II) who is described in clause (ii).

(ii) Highest compensated employees

An employee is described in this clause if the employee is 1 of the 3 highest compensated officers of the applicable employer for the taxable year (other than an individual described in clause (i)(I)), determined—

(I) on the basis of the shareholder disclosure rules for compensation under the Securities Exchange Act of 1934 (without regard to whether those rules apply to the employer), and

(II) by only taking into account employees employed during the portion of the taxable year described in clause (i)(I).

(iii) Employee remains covered executive

If an employee is a covered executive with respect to an applicable employer for any applicable taxable year, such employee shall be treated as a covered executive with respect to such employer for all subsequent applicable taxable years and for all subsequent taxable years in which deferred deduction executive remuneration with respect to services performed in all such applicable taxable years would (but for this paragraph) be deductible.

(I) the applicable individual remuneration for such disqualified taxable year, plus

(II) the portion of the deferred deduction remuneration for such services which was taken into account under this clause in a preceding taxable year (or which would have been taken into account under this clause in a preceding taxable year if this clause were applied by substituting “December 31, 2009” for “December 31, 2012” in the matter preceding subclause (I)).

(E) Deferred deduction remuneration

(A) except as provided in subparagraphs (B) and (C), at the same rate as licensed commercial insurers are required to reimburse hospitals for such services when such reimbursement is not through such a plan,

(B) in the case of any reimbursement through a health maintenance organization, at the same rate as health maintenance organizations are required to reimburse hospitals for such services for individuals not covered by such a plan (determined without regard to any government-supported individuals exempt from such rate), or

Amounts paid as an equipment maintenance allowance by such Postal Service under later collective bargaining agreements that supersede the 1991 agreement shall be considered qualified reimbursements if such amounts do not exceed the amounts that would have been paid under the 1991 agreement, adjusted by increasing any such amount under the 1991 agreement by an amount equal to—

(A) such amount, multiplied by

(B) the cost-of-living adjustment determined under section 1(f)(3) for the calendar year in which the taxable year begins, by substituting “calendar year 1990” for “calendar year 2016” in subparagraph (A)(ii) thereof.
