ALLOCATION OF BASIS IN CERTAIN CASES

Pub. L. 88-272, title II, § 226(c), Feb. 26, 1964, 78 Stat. 96, as amended by Pub. L. 99-514, § 2, Oct. 22, 1986, 100 Stat. 2095, provided that: "For purposes of the Internal Revenue Code of 1986 [formerly I.R.C. 1954]—

"(A) the numerator of which is the fair market value of such property, and

"(B) the denominator of which is the fair market value of such aggregation.

For purposes of this paragraph, the adjusted basis and the fair market value of the aggregation, and the fair market value of each property included therein, shall be determined as of the day preceding the first day of the first taxable year which begins after December 31, 1963.

"(2) ALLOCATION OF ADJUSTMENTS, ETC.—If the taxpayer makes an election under this paragraph with respect to any section 614(b) aggregation, then the adjusted basis (as of the first day of the first taxable year beginning December 31, 1963) of each property included in such aggregation shall be the adjusted basis of such property at the time it was first included in the aggregation by the taxpayer, adjusted for that portion of those adjustments to the basis of the aggregation which are reasonably attributable to such property. If, under the preceding sentence, the total of the adjusted bases of the interests included in the aggregation exceeds the adjusted basis of the aggregation (as of the day preceding the first day of the

first taxable year which begins after December 31, 1963), the adjusted bases of the properties which include such interests shall be adjusted, under regulations prescribed by the Secretary of the Treasury or his delegate, so that the total of the adjusted bases of such interests equals the adjusted basis of the aggregation. An election under this paragraph shall be made at such time and in such manner as the Secretary of the Treasury or his delegate shall by regulations prescribe.

"(3) DEFINITIONS.—For purposes of this subsection—

"(A) SECTION 614(b) AGGREGATION.—The term 'section 614(b) aggregation' means any aggregation to which section 614(b)(1)(A) of the Internal Revenue Code of 1986 (as in effect before the amendments made by subsection (a) of this section) applied for the day preceding the first day of the first taxable year beginning after December 31, 1963.

EFFECTIVE DATE OF REPEAL

Repeal effective with respect to taxable years beginning after Dec. 31, 1976, see section 1901(d) of Pub. L. 94-455, set out as an Effective Date of 1976 Amendment note under section 2 of this title.

§ 616. Development expenditures

(a) In general

Except as provided in subsections (b) and (d), there shall be allowed as a deduction in computing taxable income all expenditures paid or incurred during the taxable year for the development of a mine or other natural deposit (other than an oil or gas well) if paid or incurred after the existence of ores or minerals in commercially marketable quantities has been disclosed. This section shall not apply to expenditures for the acquisition or improvement of property of a character which is subject to the allowance for depreciation provided in section 167, but allowances for depreciation shall be considered, for purposes of this section, as expenditures.

(b) Election of taxpayer

At the election of the taxpayer, made in accordance with regulations prescribed by the Secretary, expenditures described in subsection (a) paid or incurred during the taxable year shall be treated as deferred expenses and shall be deductible on a ratable basis as the units of produced ores or minerals benefited by such expenditures are sold. In the case of such expenditures paid or incurred during the development stage of the mine or deposit, the election shall apply only with respect to the excess of such expenditures during the taxable year over the net receipts during the taxable year from the ores or minerals produced from such mine or deposit. The election under this subsection, if made, must be for the total amount of such expenditures, or

the total amount of such excess, as the case may be, with respect to the mine or deposit, and shall be binding for such taxable year.

(c) Adjusted basis of mine or deposit

The amount of expenditures which are treated under subsection (b) as deferred expenses shall be taken into account in computing the adjusted basis of the mine or deposit, except that such amount, and the adjustments to basis provided in section 1016(a)(9), shall be disregarded in determining the adjusted basis of the property for the purpose of computing a deduction for depletion under section 611.

(d) Special rules for foreign development

In the case of any expenditures paid or incurred with respect to the development of a mine or other natural deposit (other than an oil, gas, or geothermal well) located outside of the United States—

(1) subsections (a) and (b) shall not apply, and

(2) such expenditures shall—

(A) at the election of the taxpayer, be included in adjusted basis for purposes of computing the amount of any deduction allowable under section 611 (without regard to section 613), or

(B) if subparagraph (A) does not apply, be allowed as a deduction ratably over the 10-taxable year period beginning with the taxable year in which such expenditures were paid or incurred.

(e) Cross reference

For election of 10-year amortization of expenditures allowable as a deduction under subsection (a), see section 59(e).
