

(f) Termination

The Secretary is not required to make any examination of the statement, but he may make such examination thereof as he deems necessary and practicable. The Secretary shall terminate the extension as to any part of the amount to which it relates which he deems should be terminated because, upon such examination, he believes that, as of the time such examination is made, all or any part of the statement clearly is in a material respect erroneous or unreasonable.

(g) Payments on termination

If an extension of time is terminated under subsection (e) or (f) with respect to any amount, then—

(1) no further extension of time shall be made under this section with respect to such amount, and

(2) the time for payment of such amount shall be considered to be the date on which payment would have been required if there had been no extension with respect to such amount.

(h) Jeopardy

If the Secretary believes that collection of the amount to which an extension under this section relates is in jeopardy, he shall immediately terminate such extension, and notice and demand shall be made by him for payment of such amount.

(i) Consolidated returns

If the corporation seeking an extension of time under this section made or was required to make a consolidated return, either for the taxable year within which the net operating loss arises or for the preceding taxable year affected by such loss, the provisions of such section shall apply only to such extent and subject to such conditions, limitations, and exceptions as the Secretary may by regulations prescribe.
