(c) Reallotment**(1) In general**

The Secretary shall, in accordance with this subsection, reallocate to eligible States amounts that are made available to States from allotments made under this section or a corresponding provision of the Workforce Investment Act of 1998 for youth workforce investment activities and statewide workforce investment activities (referred to individually in this subsection as a “State allotment”) and that are available for reallocation.

The amount available for reallocation for a program year is equal to the amount by which the unobligated balance of the State allotment, at the end of the program year prior to the program year for which the determination under this paragraph is made, exceeds 20 percent of such allotment for the prior program year.

(3) Reallotment

In making reallocations to eligible States of amounts available pursuant to paragraph (2) for a program year, the Secretary shall allot to each eligible State an amount based on the relative amount of the State allotment for the program year for which the determination is made, as compared to the total amount of the State allotments for all eligible States for such program year.
