In providing assistance and advocacy under this subsection with respect to services under this subchapter, a client assistance program may provide the assistance and advocacy with respect to services that are directly related to facilitating the employment of the individual.

**(b) Existence of State program as requisite to receiving payments**

No State may receive payments from its allotment under this chapter in any fiscal year unless the State has in effect a client assistance program which—

(1) has the authority to pursue legal, administrative, and other appropriate remedies to ensure the protection of rights of individuals with disabilities who are receiving treatments, services, or rehabilitation under this chapter within the State; and

(2) meets the requirements of designation under subsection (c).

**(c) Designation of agency to conduct program**

(1)(A) The Governor shall designate a public or private agency to conduct the client assistance program under this section. Except as provided in the last sentence of this subparagraph, the Governor shall designate an agency which is independent of any agency which provides treatment, services, or rehabilitation to individuals under this chapter. If there is an agency in the State which has, or had, prior to February 22, 1984, served as a client assistance agency under this section and which received Federal financial assistance under this chapter, the Governor may, in the initial designation, designate an agency which provides treatment, services, or rehabilitation to individuals with disabilities under this chapter.

(B)(i) The Governor may not redesignate the agency designated under subparagraph (A) without good cause and unless—

(I) the Governor has given the agency 30 days notice of the intention to make such redesignation, including specification of the good cause for such redesignation and an opportunity to respond to the assertion that good cause has been shown;

(II) individuals with disabilities or the individuals' representatives have timely notice of the redesignation and opportunity for public comment; and

(III) the agency has the opportunity to appeal to the Commissioner on the basis that the redesignation was not for good cause.

(ii) If, after August 7, 1998—

(I) a designated State agency undergoes any change in the organizational structure of the agency that results in the creation of one or more new State agencies or departments or results in the merger of the designated State agency with one or more other State agencies or departments; and

(II) an agency (including an office or other unit) within the designated State agency was conducting a client assistance program before the change under the last sentence of subparagraph (A),

the Governor shall redesignate the agency conducting the program. In conducting the redesignation, the Governor shall designate to conduct the program an agency that is independent of any agency that provides treatment, services, or rehabilitation to individuals with disabilities under this chapter.

(2) In carrying out the provisions of this section, the Governor shall consult with the director of the State vocational rehabilitation agency, the head of the developmental disability protection and advocacy agency, and with representatives of professional and consumer organizations serving individuals with disabilities in the State.

The agency designated under subsection (c) of this section may not bring any class action in carrying out its responsibilities under this section.

**(e) Allotment and reallocation of funds**

(1)(A) After reserving funds under subparagraphs (E) and (F), the Secretary shall allot the remainder of the sums appropriated for each fiscal year under this section among the States on the basis of relative population of each State, except that no State shall receive less than \$50,000.

(B) The Secretary shall allot \$30,000 each to American Samoa, Guam, the Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

(C) For the purpose of this paragraph, the term "State" does not include American Samoa, Guam, the Virgin Islands, and the Commonwealth of the Northern Mariana Islands.

(D)(i) In any fiscal year that the funds appropriated for such fiscal year exceed \$7,500,000, the minimum allotment shall be \$100,000 for States and \$45,000 for territories.

(ii) For any fiscal year in which the total amount appropriated under subsection (h) exceeds the total amount appropriated under such subsection for the preceding fiscal year, the Secretary shall increase each of the minimum allotments under clause (i) by a percentage that shall not exceed the percentage increase in the total amount appropriated under such subsection between the preceding fiscal year and the fiscal year involved.

(E)(i) The Secretary shall reserve funds appropriated under subsection (h) to make a grant to the protection and advocacy system serving the American Indian Consortium to provide services in accordance with this section. The amount of such a grant shall be the same amount as is provided to a territory under this subsection.

Such training and technical assistance shall be coordinated with activities provided under section 794e(c)(1)(A) of this title.

(2) The amount of an allotment to a State for a fiscal year which the Secretary determines will not be required by the State during the period for which it is available for the purpose for which allotted shall be available for reallocation by the Secretary at appropriate times to other States with respect to which such a determination has not been made, in proportion to the original allotments of such States for such fiscal year, but with such proportionate amount for any of such other States being reduced to the extent it exceeds the sum the Secretary estimates such State needs and will be able to use during such period, and the total of such reduction shall be similarly reallocated among the States whose proportionate amounts were not so reduced. Any such amount so reallocated to a State for a fiscal year shall be deemed to be a part of its allotment for such fiscal year.

(3) Except as specifically prohibited by or as otherwise provided in State law, the Secretary shall pay to the agency designated under subsection (c) the amount specified in the application approved under subsection (f).

**(f) Application by State for grant funds**

No grant may be made under this section unless the State submits an application to the Secretary at such time, in such manner, and containing or accompanied by such information as the Secretary deems necessary to meet the requirements of this section.

(1) No employees of such programs shall, while so employed, serve as staff or consultants of any rehabilitation project, program, or facility receiving assistance under this chapter in the State.

(2) Each program shall be afforded reasonable access to policymaking and administrative personnel in the State and local rehabilitation programs, projects, or facilities.

(3)(A) Each program shall contain provisions designed to assure that to the maximum extent possible alternative means of dispute resolution are available for use at the discretion of an applicant or client of the program prior to resorting to litigation or formal adjudication to resolve a dispute arising under this section.

(B) In subparagraph (A), the term “alternative means of dispute resolution” means

any procedure, including good faith negotiation, conciliation, facilitation, mediation, factfinding, and arbitration, and any combination of procedures, that is used in lieu of litigation in a court or formal adjudication in an administrative forum, to resolve a dispute arising under this section.
