SUBPART 3—CENTERS FOR INDEPENDENT LIVING

§ 796f. Program authorization

(a) In general

From the funds appropriated for fiscal year 2015 and for each subsequent fiscal year to carry out this subpart, the Administrator shall make available such sums as may be necessary to States, centers for independent living, and other entities in accordance with subsections (b) through (d).

(b) Training

(1) Grants; contracts; cooperative agreements

From the funds appropriated to carry out this subpart for any fiscal year, beginning

with fiscal year 2015, the Administrator shall first reserve not less than 1.8 percent and not more than 2 percent of the funds, to provide training and technical assistance to centers for independent living and eligible agencies for such fiscal year.

(2) Allocation

From the funds reserved under paragraph (1), the Administrator shall make grants to, or enter into contracts or cooperative agreements with, entities that have experience in the operation of centers for independent living to provide such training and technical assistance with respect to fiscal management of,¹ planning, developing, conducting, administering, and evaluating centers for independent living.

(3) Funding priorities

The Administrator shall conduct a survey of centers for independent living regarding training and technical assistance needs in order to determine funding priorities for such grants, contracts, and other arrangements.

(4) Review

To be eligible to receive a grant or enter into a contract or cooperative agreement under this subsection, such an entity shall submit an application to the Administrator at such time, in such manner, and containing a proposal to provide such training and technical assistance, and containing such additional information as the Administrator may require. The Administrator shall provide for peer review of grant applications by panels that include persons who are not government employees and who have experience in the operation of centers for independent living.

(5) Prohibition on combined funds

No funds reserved by the Administrator under this subsection may be combined with funds appropriated under any other Act or part of this chapter if the purpose of combining funds is to make a single discretionary grant or a single discretionary payment, unless such funds appropriated under this part are separately identified in such grant or payment and are used for the purposes of this part.

(c) In general

(1) States

(A) Population basis

After the reservation required by subsection (b) has been made, and except as provided in subparagraphs (B) and (C), from the remainder of the amounts appropriated for each such fiscal year to carry out this subpart, the Administrator shall make an allotment to each State whose State plan has been approved under section 796d-1 of this title of an amount bearing the same ratio to such remainder as the population of the State bears to the population of all States.

(B) Maintenance of 1992 amounts

Subject to the availability of appropriations to carry out this subpart, the amount

¹ So in original.

of any allotment made under subparagraph (A) to a State for a fiscal year shall not be less than the amount of financial assistance received by centers for independent living in the State for fiscal year 1992 under part B of this subchapter, as in effect on the day before October 29, 1992.

(C) Minimums

Subject to the availability of appropriations to carry out this subpart and except as provided in subparagraph (B), for a fiscal year in which the amounts appropriated to carry out this subpart exceed the amounts appropriated for fiscal year 1992 to carry out part B of this subchapter, as in effect on the day before October 29, 1992—

(i) if such excess is not less than \$8,000,000, the allotment to any State under subparagraph (A) shall be not less than \$450,000 or $\frac{1}{3}$ of 1 percent of the sums made available for the fiscal year for which the allotment is made, whichever is greater, and the allotment of any State under this section for any fiscal year that is less than \$450,000 or $\frac{1}{3}$ of 1 percent of such sums shall be increased to the greater of the 2 amounts;

(ii) if such excess is not less than \$4,000,000 and is less than \$8,000,000, the allotment to any State under subparagraph (A) shall be not less than \$400,000 or $\frac{1}{3}$ of 1 percent of the sums made available for the fiscal year for which the allotment is made, whichever is greater, and the allotment of any State under this section for any fiscal year that is less than \$400,000 or $\frac{1}{3}$ of 1 percent of such sums shall be increased to the greater of the 2 amounts; and

(iii) if such excess is less than \$4,000,000, the allotment to any State under subparagraph (A) shall approach, as nearly as possible, the greater of the 2 amounts described in clause (ii).

(2) Certain territories

(A) In general

For the purposes of paragraph (1)(C), Guam, American Samoa, the United States Virgin Islands, and the Commonwealth of the Northern Mariana Islands shall not be considered to be States.

Each jurisdiction described in subparagraph (A) shall be allotted under paragraph (1)(A) not less than $\frac{1}{3}$ of 1 percent of the remainder for the fiscal year for which the allotment is made.

(3) Adjustment for inflation

For any fiscal year, beginning in fiscal year 1999, in which the total amount appropriated to carry out this subpart exceeds the total amount appropriated to carry out this subpart for the preceding fiscal year, the Administrator shall increase the minimum allotment under paragraph (1)(C) by a percentage that shall not exceed the percentage increase in the total amount appropriated to carry out this subpart between the preceding fiscal year and the fiscal year involved.

(4) Proportional reduction

To provide allotments to States in accordance with paragraph (1)(B), to provide minimum allotments to States (as increased under paragraph (3)) under paragraph (1)(C), or to provide minimum allotments to States under paragraph (2)(B), the Administrator shall proportionately reduce the allotments of the remaining States under paragraph (1)(A), with such adjustments as may be necessary to prevent the allotment of any such remaining State from being reduced to less than the amount required by paragraph (1)(B).

(d) Reallotment

Whenever the Administrator determines that any amount of an allotment to a State for any fiscal year will not be expended by such State for carrying out the provisions of this subpart, the Administrator shall make such amount available for carrying out the provisions of this subpart to one or more of the States that the Administrator determines will be able to use additional amounts during such year for carrying out such provisions. Any amount made available to a State for any fiscal year pursuant to the preceding sentence shall, for the purposes of this section, be regarded as an increase in the allotment of the State (as determined under the preceding provisions of this section) for such year.
