#### Statutory Notes and Related Subsidiaries

##### “SECRETARY” DEFINED

Secretary means the Secretary of the Army, see section 1002 of div. A of Pub. L. 118-272, set out as a note under section 2201 of this title.

#### § 2293. Reprogramming during national emergencies

##### (a) Termination or deferment of civil works projects; application of resources to national defense projects

In the event of a declaration of war or a declaration by the President of a national emergency in accordance with the National Emergencies Act [50 U.S.C. 1601 et seq.] that requires or may require use of the Armed Forces, the Secretary, without regard to any other provision of law, may (1) terminate or defer the construction, operation, maintenance, or repair of any Department of the Army civil works project that he deems not essential to the national defense, and (2) apply the resources of the Department of the Army’s civil works program, including funds, personnel, and equipment, to construct or assist in the construction, operation, maintenance, and repair of authorized civil works, military construction, and civil defense projects that are essential to the national defense.

##### (b) Termination of state of war or national emergency

The Secretary shall immediately notify the appropriate committees of Congress of any actions taken pursuant to the authorities provided by this section, and cease to exercise such authorities not later than 180 calendar days after the termination of the state of war or national emergency, whichever occurs later.

(Pub. L. 99-662, title IX, §923, Nov. 17, 1986, 100 Stat. 4194.)

##### CODIFICATION

Section was enacted as part of the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Hurricane Recovery, 2006, and not as part of the Water Resources Development Act of 1986 which comprises this chapter.

#### § 2294. Office of Environmental Policy

The Secretary shall establish in the Directorate of Civil Works of the Office of the Chief of Engineers an Office of Environmental Policy. Such Office shall be responsible for the formulation, coordination, and implementation of all matters concerning environmental quality and policy as they relate to the water resources program of the United States Army Corps of Engineers. Such Office shall, among other things, develop, and monitor compliance with, guidelines for the consideration of environmental quality in formulation and planning of water resources projects carried out by the Secretary, the preparation and coordination of environmental impact statements for such projects, and the coordination with Federal, State, and local agencies of environmental aspects of such projects and regulatory responsibilities of the Secretary.

(Pub. L. 99-662, title IX, §924, Nov. 17, 1986, 100 Stat. 4194.)

#### § 2295. Compilation of laws; annual reports

##### (a) Federal laws relating to improvements of rivers and harbors, flood control, beach erosion, and other water resources development

Within one year after November 17, 1986, the laws of the United States relating to the improvement of rivers and harbors, flood control, beach erosion, and other water resources development enacted after November 8, 1966, and before January 1, 1987, shall be compiled under the direction of the Secretary and the Chief of Engineers and printed for the use of the Department of the Army, the Congress, and the general public. The Secretary shall reprint the volumes containing such laws enacted before November 8, 1966. In addition, the Secretary shall include an index in each volume so compiled or reprinted. The Secretary shall transmit copies of each such volume to Congress.

##### (b) Annual report

The Secretary shall prepare and submit the annual report required by section 556 of this title, in two volumes. Volume I shall consist of a summary and highlights of Corps of Engineers’ activities, authorities, and accomplishments. Volume II shall consist of detailed information

and field reports on Corps of Engineers' activities. The Secretary shall publish an index with each annual report.

**(c) Biennial reports for each State**

The Secretary shall prepare biennially for public information a report for each State containing a description of each water resources project under the jurisdiction of the Secretary in such State and the status of each such project. Each report shall include an index. The report for each State shall be prepared in a separate volume. The reports under this subsection shall be published at the same time and the first such reports shall be published not later than one year after November 17, 1986.
