

(5) Deadline

The Secretary shall complete an evaluation under this subsection by the date that is not later than 1 year after the date on which the Secretary begins the evaluation.

(6) Report

On completion of an evaluation under this subsection, the Secretary shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report on the effects of the operational changes proposed by the non-Federal interest and examined in the evaluation on the authorized purposes of the project, including a description of any negative impacts of the proposed operational changes on the authorized purposes of the project, or on any Federal project located in the same basin.

(7) Savings provision

Nothing in this subsection—

(A) affects the authorized purposes of a Corps of Engineers water resources development project;

(B) affects existing authorities of the Corps of Engineers, including authorities with respect to navigation, flood damage reduction, environmental protection and restoration, water supply and conservation, and other related purposes; or

(C) authorizes the Secretary to make any operational changes to a Corps of Engineers water resources development project.
