§ 579d–2. Deauthorization of inactive projects

(a) Purposes

The purposes of this section are—

(1) to identify water resources development projects, and separable elements of projects, authorized by Congress that are no longer viable for construction due to—

(A) a lack of local support;

(B) a lack of available Federal or non-Federal resources; or

(C) an authorizing purpose that is no longer relevant or feasible;

(2) to create an expedited and definitive process for Congress to deauthorize water resources development projects and separable elements that are no longer viable for construction; and

(3) to allow the continued authorization of water resources development projects and separable elements that are viable for construction.

(b) Proposed deauthorization list

(1) Preliminary list of projects

(A) In general

The Secretary shall develop a preliminary list of each water resources development project, or separable element of a project, authorized for construction before June 10, 2014, for which—

(i) planning, design, or construction was not initiated before January 4, 2025; or

(ii) planning, design, or construction was initiated before January 4, 2025, but for which no funds, Federal or non-Federal, were obligated for planning, design, or construction of the project or separable element of the project during the current fiscal year or any of the 10 preceding fiscal years.

(B) Use of comprehensive construction backlog and operation and maintenance report

The Secretary may develop the preliminary list from the comprehensive construction backlog and operation and maintenance reports developed pursuant to section 579a(b)(2) of this title.
