Statutory Notes and Related Subsidiaries

“SECRETARY” DEFINED

Secretary means the Secretary of the Army, see section 2 of div. AA of Pub. L. 116–260, set out as a note under section 2201 of this title.

§ 579e. Access to real estate data

(a) In general

Using available funds, the Secretary shall make publicly available, including on a publicly accessible website, information on all Federal real estate assets in the United States that are

owned, operated, or managed by, or in the custody of, the Corps of Engineers.

(b) Requirements

(1) In general

The real estate information made available under subsection (a) shall include—

(A) existing standardized real estate plat descriptions of assets described in subsection (a); and

(B) existing geographic information systems and geospatial information associated with such assets.

(2) Collaboration

In making information available under subsection (a), the Secretary shall consult with the Administrator of General Services. Such information may be made available, in whole or in part, in the Federal real property database published under section 21 of the Federal Assets Sale and Transfer Act of 2016 (Public Law 114–287), as determined appropriate by the Administrator of General Services. Nothing in this paragraph shall be construed as requiring the Administrator of General Services to add additional data elements or features to such Federal real property database if such additions are impractical or would add additional costs to such database.

(c) Limitation

Nothing in this section shall compel or authorize the disclosure of data or other information determined by the Secretary to be confidential, privileged, national security information, personal information, or information the disclosure of which is otherwise prohibited by law.

(d) Timing

The Secretary shall ensure that the implementation of subsection (a) occurs as soon as practicable.

(e) Effect on other laws

Nothing in this section shall be construed as modifying, or exempting the Corps of Engineers from, the requirements of the Federal real property database published under section 21 of the Federal Assets Sale and Transfer Act of 2016 (Public Law 114–287).

§ 579f. Budgetary evaluation metrics and transparency; public participation

(a) Omitted

(b) Budgetary evaluation metrics and transparency

Beginning in fiscal year 2020, in the formulation of the annual budget request for the U.S. Army Corps of Engineers (Civil Works) pursuant to section 1105(a) of title 31, the President shall ensure that such budget request—

(1) aligns the assessment of the potential benefit-cost ratio for budgeting water resources development projects with that used by the Corps of Engineers during project plan formulation and evaluation pursuant to section 1962d-17 of title 42; and

(2) demonstrates the transparent criteria and metrics utilized by the President in the evaluation and selection of water resources development projects included in such budget request.

(c) Public participation

In the development of, or any proposed major substantive modification to, a proposed budget for water resources development projects, the Secretary, through each District shall, not less frequently than annually—

(1) provide to non-Federal interests and other interested stakeholders information on the proposed budget for projects or substantive modifications to project budgets within each District's jurisdiction;

(2) hold multiple public meetings to discuss the budget for projects within each District's jurisdiction; and

(3) provide to non-Federal interests the opportunity to collaborate with District personnel for projects within each District's jurisdiction—

(A) to support information sharing; and

(B) to the maximum extent practicable, to share in concept development and decision-making to achieve complementary or integrated solutions to problems.
