CODIFICATION

Section is from act Aug. 11, 1888, the River and Harbor Appropriation Act of 1888.

In the original text the words “said reservoirs” appeared instead of “reservoirs at the headwaters of the Mississippi river.” The provision from which this section is derived, however, followed an appropriation “for continuing operations upon the reservoirs at the headwaters of the Mississippi river.”

CODIFICATION

Except for the last sentence, the first paragraph of this section was from a part of section 3 of act June 6, 1900. The omitted portion of the original text authorized the Secretary of War, in his discretion, to terminate the contract with James B. Eads and provided that the Secretary of War should take charge of the channel “in case of the termination of said contract, by virtue of the provisions hereof or by expiration of said contract.”

The last sentence of the first paragraph of this section was from a provision of section 1 of act June 13, 1902. Further provisions of the original text, for the purchase of lands and buildings on either side of the South Pass, were temporary merely and are omitted. The original text provided for the use of “the dredge boat Beta, or any other available government dredge.”

The second paragraph of this section was from section 4 of act Aug. 11, 1888. In the original text, following the words “Mississippi river,” the following words appeared: “As provided for in the Act of Mar. third, eighteen hundred and seventy-five.”

The words “the sum of \$10,000,” are substituted for “the amount appropriated in this act for such purpose.” \$10,000 was the amount appropriated for such purpose by section 1 of act June 13, 1902.

Act Mar. 3, 1875, ch. 134, mentioned in the original text, provided in section 4 et seq., 18 Stat. 463 to 466, for a contract with James B. Eads and others to construct jetties, etc., to maintain the channel at the South Pass.

The provisions of that act and of act Aug. 11, 1888, with regard to examinations and surveys at the South Pass, remained in force notwithstanding the termination of said contract, by a provision of act June 13, 1902.

AMENDMENTS

1954—Act Aug. 30, 1954, repealed proviso requiring that an itemized statement of expenses incurred for maintenance of the channel through, and securing uninterrupted examinations and surveys of, the South Pass of the Mississippi River, as provided in this section, should accompany the annual report of the Chief of Engineers.
