Pub. L. 106–517, §3(e), Nov. 13, 2000, 114 Stat. 2408, provided that: “For purposes of part Y of title I of the Omnibus Crime Control and Safe Streets Act of 1968 [34 U.S.C. 10531 et seq.], as amended by this Act, the meaning of the term ‘armor vest’ (as defined in section 2503 of such Act (42 U.S.C. 3796*l*–2) [now 34 U.S.C. 10533]) shall, until the date on which a final NIJ Standard 0115.00 is first fully approved and implemented, also include body armor which has been found to meet or exceed the requirements for protection against stabbing established by the State in which the grantee is located.”

#### § 10534. James Guelff and Chris McCurley Body Armor Act of 2002

##### (a) Short title

This section may be cited as the “James Guelff and Chris McCurley Body Armor Act of 2002”.

##### (b) Findings

Congress finds that—

(1) nationally, police officers and ordinary citizens are facing increased danger as criminals use more deadly weaponry, body armor, and other sophisticated assault gear;

(2) crime at the local level is exacerbated by the interstate movement of body armor and other assault gear;

(3) there is a traffic in body armor moving in or otherwise affecting interstate commerce, and existing Federal controls over such traffic do not adequately enable the States to control this traffic within their own borders through the exercise of their police power;

(4) recent incidents, such as the murder of San Francisco Police Officer James Guelff by an assailant wearing 2 layers of body armor, a 1997 bank shoot out in north Hollywood, California, between police and 2 heavily armed suspects outfitted in body armor, and the 1997 murder of Captain Chris McCurley of the Etowah County, Alabama Drug Task Force by a drug dealer shielded by protective body armor, demonstrate the serious threat to community safety posed by criminals who wear body armor during the commission of a violent crime;

(5) of the approximately 1,500 officers killed in the line of duty since 1980, more than 30 percent could have been saved by body armor, and the risk of dying from gunfire is 14 times higher for an officer without a bulletproof vest;

(6) the Department of Justice has estimated that 25 percent of State and local police are not issued body armor;

(7) the Federal Government is well-equipped to grant local police departments access to body armor that is no longer needed by Federal agencies; and

(8) Congress has the power, under the interstate commerce clause and other provisions of the Constitution of the United States, to enact legislation to regulate interstate commerce that affects the integrity and safety of our communities.

##### (c) Definitions

In this section:

##### (1) Body armor

The term “body armor” means any product sold or offered for sale, in interstate or foreign commerce, as personal protective body covering intended to protect against gunfire, regardless of whether the product is to be worn alone or is sold as a complement to another product or garment.

##### (2) Law enforcement agency

The term “law enforcement agency” means an agency of the United States, a State, or a political subdivision of a State, authorized by law or by a government agency to engage in or
