FINDINGS AND SENSE OF CONGRESS

Pub. L. 116–35, § 2, July 30, 2019, 133 Stat. 1043, provided that:

“(a) FINDINGS.—Congress makes the following findings:

“(1) Since the end of World War II, the Federal Government has designated specific periods of war, the dates of which are important for qualification for certain benefits or membership in veterans organizations established by Congress.

“(2) In between those recognized periods of war, during so-called peacetime eras, the United States military has been involved in not fewer than 12 known eras, which are unrecognized by the United States Government as periods of war, resulting in numerous United States personnel combat casualties.

“(3) Those 12 unrecognized war eras occurred at the direction of the then President of the United States, with full knowledge and consent of the then Congress.

“(4) The first of those 12 unrecognized war eras involving active United States military personnel was the Greek Civil War, fought in Greece from 1946 to 1949 between the army of the Government of Greece, supported by active military personnel of the United States and the United Kingdom, and the Democratic Army of Greece, the military branch of the Communist Party of Greece.

“(5) During the Greek Civil War, one member of the Armed Forces of the United States sacrificed his life in service to the United States, and five others suffered non-combat deaths.

“(6) The second of those unrecognized war eras involving active United States military personnel was the Chinese Civil War, which occurred during the aftermath of World War II.

“(7) During the Chinese Civil War, the United States military equipped, trained, transported, and supplied the Kuomintang-led Government of the Republic of China with approximately \$4,430,000,000 in its resistance to the Communist Party of China.

“(8) During the Chinese Civil War, 14 members of the Armed Forces of the United States sacrificed their lives in service to the United States, 150 non-combatants of the United States lost their lives in the war, and 51 were wounded, resulting in 215 United States military casualties.
