§ 111. Payments or allowances for beneficiary travel

(a) Under regulations prescribed by the President pursuant to the provisions of this section, the Secretary may pay the actual necessary expense of travel (including lodging and subsistence), or in lieu thereof an allowance based upon mileage (at a rate of 41.5 cents per mile), of any person to or from a Department facility or other place in connection with vocational rehabilitation, counseling required by the Secretary pursuant to chapter 34 or 35 of this title, or for the purpose of examination, treatment, or care. Actual necessary expense of travel includes the reasonable costs of airfare if travel by air is the only practical way to reach a Department facility. In addition to the mileage allowance authorized by this section, there may be allowed reimbursement for the actual cost of ferry fares, and bridge, road, and tunnel tolls.

(b)(1) Except as provided in subsection (c) of this section and notwithstanding subsection (g)(2) of this section or any other provision of law, if, with respect to any fiscal year, the Secretary exercises the authority under this section to make any payments, the Secretary shall make the payments provided for in this section to or for the following persons for travel during such fiscal year for examination, treatment, or care for which the person is eligible:

(A) A veteran or other person whose travel is in connection with treatment or care for a service-connected disability.

(B) A veteran with a service-connected disability rated at 30 percent or more.

(C) A veteran receiving pension under section 1521 of this title.

(D) A veteran (i) who is not traveling by air and whose annual income (as determined under section 1503 of this title) does not exceed the maximum annual rate of pension which would be payable to such veteran if such veteran were eligible for pension under section 1521 of this title, or (ii) who is determined, under regulations prescribed by the Secretary, to be unable to defray the expenses of the travel for which payment under this section is claimed.

(E) Subject to paragraph (3) of this subsection, a veteran or other person whose travel to or from a Department facility is medically required to be performed by a special mode of travel and who is determined under such regulations to be unable to defray the expenses of the travel for which payment under this section is claimed.

(F) A veteran whose travel to a Department facility is incident to a scheduled compensation and pension examination.

(G) A veteran with vision impairment, a veteran with a spinal cord injury or disorder, or a veteran with double or multiple amputations

(i) on an in-patient basis; or

(ii) during a period in which the Secretary provides the veteran with temporary lodging at a facility of the Department to make such care more accessible to the veteran.

(B) In the case of travel by a person to or from a Department facility by special mode of travel, the Secretary may provide payment under this section to the provider of the transportation by special mode before determining the eligibility of such person for such payment if the Secretary determines that providing such payment is in the best interest of furnishing care and services. Such a payment shall be made subject to subsequently recovering from such person the amount of the payment if such person is determined to have been ineligible for payment for such travel.

(4) In determining for purposes of subsection (a) whether travel by air is the only practical way for a veteran to reach a Department facility, the Secretary shall consider the medical condition of the veteran and any other impediments to the use of ground transportation by the veteran.

(c)(1) Except as otherwise provided in this subsection, the Secretary, in making a payment under this section to or for a person described in subparagraph (A), (B), (C), or (D) of subsection (b)(1) of this section for travel for examination, treatment, or care, shall deduct from the amount otherwise payable an amount equal to \$3 for each one-way trip.
