(B)(i) Except as provided in the agreement itself, in clause (ii), and unless otherwise provided in this section or regulations prescribed pursuant to this section, a State home that enters into an agreement under this section is not subject to, in the carrying out of the agreement, any provision of law to which providers of services and suppliers under the Medicare program under title XVIII of the Social Security Act (42 U.S.C. 1395 et seq.) are not subject.

(c) Any State home that requests payment or reimbursement for services provided to a veteran under this section shall provide to the Secretary such information as the Secretary considers necessary to identify each individual veteran eligible for payment under such section.

(d)(1) The Secretary shall enter into an agreement with each State home for payment by the Secretary for medical supervision model adult day health care provided to a veteran described in subsection (a)(1) on whose behalf the State home is not in receipt of payment for nursing home care from the Secretary.

(2)(A) Payment under each agreement between the Secretary and a State home under paragraph (1) for each veteran who receives medical supervision model adult day health care under such agreement shall be made at a rate established through regulations prescribed by the Secretary to adequately reimburse the State home for the care provided by the State home, including necessary transportation expenses.
