#### § 3014A. Accelerated payment of basic educational assistance for education leading to employment in high technology occupation in high technology industry

(a) An individual described in subsection (b) who is entitled to basic educational assistance under this subchapter may elect to receive an accelerated payment of the basic educational assistance allowance otherwise payable to the individual under section 3015 of this title.

(b) An individual described in this subsection is an individual who is—

(1) enrolled in an approved program of education that leads to employment in a high technology occupation in a high technology industry (as determined pursuant to regulations prescribed by the Secretary); and

(2) charged tuition and fees for the program of education that, when divided by the number of months (and fractions thereof) in the enrollment period, exceeds the amount equal to 200 percent of the monthly rate of basic educational assistance allowance otherwise payable to the individual under section 3015 of this title.

(c)(1) The amount of the accelerated payment of basic educational assistance made to an individual making an election under subsection (a) for a program of education shall be the lesser of—

(A) the amount equal to 60 percent of the established charges for the program of education; or

(B) the aggregate amount of basic educational assistance to which the individual remains entitled under this chapter at the time of the payment.

(2) In this subsection, the term “established charges”, in the case of a program of education, means the actual charges (as determined pursuant to regulations prescribed by the Secretary) for tuition and fees which similarly circumstanced nonveterans enrolled in the program of education would be required to pay. Established charges shall be determined on the following basis:

(A) In the case of an individual enrolled in a program of education offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the term, quarter, or semester.

(B) In the case of an individual enrolled in a program of education not offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the entire program of education.

(3) The educational institution providing the program of education for which an accelerated payment of basic educational assistance allowance is elected by an individual under subsection (a) shall certify to the Secretary the amount of the established charges for the program of education.

(d) An accelerated payment of basic educational assistance made to an individual under this section for a program of education shall be made not later than the last day of the month immediately following the month in which the Secretary receives a certification from the educational institution regarding—

(1) the individual's enrollment in and pursuit of the program of education; and

(2) the amount of the established charges for the program of education.

(e)(1) Except as provided in paragraph (2), for each accelerated payment of basic educational assistance made to an individual under this section, the individual's entitlement to basic educational assistance under this chapter shall be charged the number of months (and any fraction thereof) determined by dividing the amount of

the accelerated payment by the full-time monthly rate of basic educational assistance allowance otherwise payable to the individual under section 3015 of this title as of the beginning date of the enrollment period for the program of education for which the accelerated payment is made.

(2) If the monthly rate of basic educational assistance allowance otherwise payable to an individual under section 3015 of this title increases during the enrollment period of a program of education for which an accelerated payment of basic educational assistance is made under this section, the charge to the individual's entitlement to basic educational assistance under this chapter shall be determined by prorating the entitlement chargeable, in the matter provided for under paragraph (1), for the periods covered by the initial rate and increased rate, respectively, in accordance with regulations prescribed by the Secretary.

(f) The Secretary may not make an accelerated payment under this section for a program of education to an individual who has received an advance payment under section 3680(d) of this title for the same enrollment period.

(g) The Secretary shall prescribe regulations to carry out this section. The regulations shall include requirements, conditions, and methods for the request, issuance, delivery, certification of receipt and use, and recovery of overpayment of an accelerated payment under this section.
