§ 3485. Work-study allowance

(a)(1) In accordance with paragraph (4), individuals utilized under the authority of subsection (b) shall be paid an additional educational assistance allowance (hereinafter in this section referred to as “work-study allowance”). Such allowance shall be paid in return for an individual's entering into an agreement described in paragraph (3).

(2) Such work-study allowance shall be paid in an amount equal to the product of—

(A) the applicable hourly minimum wage; and

(B) the number of hours worked during the applicable period.

(3) An agreement described in this paragraph is an agreement of an individual to perform services, during or between periods of enrollment, aggregating not more than a number of hours equal to 25 times the number of weeks in the semester or other applicable enrollment period, required in connection with a qualifying work-study activity.

(4)(A) With respect to covered work-study activities, the Secretary shall carry out this section by providing to participating educational institutions an annual amount for the institution to use in paying work-study allowance under paragraph (1) to individuals enrolled at the institution.

(B) With respect to a participating educational institution that participated in the work-study program under this section during the academic year beginning August 1, 2018, the Secretary shall determine the annual amount to provide to the educational institution under subparagraph (A) as follows:

(i) For the academic year beginning August 1, 2020, the amount shall be the total amount, determined in consultation with the educational institution, that the Secretary paid under this section for covered work-study activities to individuals enrolled at such educational institution during the academic year beginning August 1, 2018.

(ii) Except as provided by clauses (ii) or (iii) of subparagraph (D), for each academic year beginning on or after August 1, 2021, the amount shall be the total amount the educational institution paid under this section for work-study allowance for covered work-study activities to individuals enrolled at such educational institution during the previous academic year in which individuals participated in the work-study program.

(C) With respect to a participating educational institution that did not participate in the work-study program under this section during the academic year beginning August 1, 2018, the Secretary shall determine the annual amount to provide to the educational institution under subparagraph (A) as follows:

(i) For the first academic year in which the educational institution participates in the work-study program beginning on or after August 1, 2020, the amount shall be an amount, determined in consultation with the educational institution, that the Secretary determines appropriate based on amounts provided to similar educational institutions pursuant to subparagraph (B).

(ii) Except as provided by clauses (ii) or (iii) of subparagraph (D), for each academic year occurring after the academic year specified in clause (i), the amount shall be the total amount the educational institution paid under this section for work-study allowance for covered work-study activities to individuals enrolled at such educational institution during the previous academic year in which individuals enrolled at such educational institution participated in the work-study program.

(D)(i) Except as provided in clause (ii), if the Secretary provides an annual amount to a participating educational institution under subparagraph (B) or (C) that is more than the total amount the educational institution pays to individuals under paragraph (1) for covered work-study activities, the educational institution shall return to the Secretary the unpaid amount and the Secretary shall transfer such amount into the general fund of the Treasury.

(ii) If the annual amount provided to a participating educational institution under subparagraph (B) or (C) is more, but less than 25 percent more, than the total amount the educational institution pays to individuals under paragraph (1) for covered work-study activities, and the educational institution plans to participate in the work-study program under this section during

the subsequent academic year, the educational institution may retain the amount of the overpayment if the educational institution notifies the Secretary of the amount of the overpayment and the intention of the educational institution to retain such amount. Any amount retained by an educational institution under this clause may only be used by the educational institution to provide work-study allowance to individuals enrolled at the educational institution.

(iii) At any time a participating educational institution may request the Secretary to increase the annual amount that the Secretary provides the educational institution under subparagraph (B) or (C). The Secretary shall approve or disapprove such request by not later than 30 days after the date of the request.

(iv) Whenever the Secretary finds that a participating educational institution paid an amount of work-study allowance under this paragraph to an individual for a purpose other than covered work-study activities, such payment shall constitute a liability of the educational institution to the United States.

(E)(i) Pursuant to section 3690(c), section 3693, and other provisions of chapter 36 of this title, the Secretary shall ensure that participating educational institutions carry out the work-study allowance program in compliance with this section.

(B) For the purposes of this subsection, the Secretary may—

(i) waive, in whole or in part, the limitations in subsection (a) of this section concerning the number of hours and periods during which services can be performed by the individual and the provisions of subsection (b) of this section requiring the individual's pursuit of a program of rehabilitation, education, or training;

(C) Notwithstanding the provisions of subparagraphs (A) and (B) of this paragraph, if the Secretary finds that an individual was without fault and was allowed to perform services described in the agreement after its termination, the Secretary shall, as reasonable compensation therefor, pay the individual at the applicable hourly minimum wage rate for such services as the Secretary determines were satisfactorily performed.

(4) The Secretary shall promulgate regulations to carry out this subsection.

(f)(1) In case of an individual who is in receipt of work-study allowance pursuant to an agreement described in subsection (a)(3) as of the date on which an emergency situation occurs and who is unable to continue to perform qualifying work-study activities described in subsection (a)(4) by reason of the emergency situation—
