##### AMENDMENTS

1991—Pub. L. 102-83 renumbered section 1778 of this title as this section.

1989—Pub. L. 101-237 substituted “Secretary” for “Administrator”.

#### § 3679. Disapproval of courses

(a)(1) Except as provided by paragraph (2), any course approved for the purposes of this chapter which fails to meet any of the requirements of this chapter (including failure to comply with a risk-based survey under this chapter or secure an affirmation of approval by the appropriate State approving agency following the survey) shall be immediately disapproved by the Secretary or the appropriate State approving agency. An educational institution which has its courses disapproved by the Secretary or a State approving agency will be notified of such disapproval by a certified or registered letter of notification and a return receipt secured.

(2) In the case of a course of education that would be subject to disapproval under paragraph (1) solely for the reason that the Secretary of Education withdraws the recognition of the accrediting agency that accredited the course, the Secretary of Veterans Affairs, in consultation with the Secretary of Education, and notwithstanding the withdrawal, may continue to treat the course as an approved course of education under this chapter for a period not to exceed 18 months from the date of the withdrawal of recognition of the accrediting agency, unless the Secretary of Veterans Affairs or the appropriate State approving agency determines that there is evidence to support the disapproval of the

course under this chapter. The Secretary shall provide to any veteran enrolled in such a course of education notice of the status of the course of education.

(3) In this section, the term “risk-based survey” means a risk-based survey developed under section 3673A(a) of this title.

(b) Each State approving agency shall notify the Secretary of each course which it has disapproved under this section. The Secretary shall notify the State approving agency of the Secretary’s disapproval of any educational institution under chapter 31 of this title.

(c)(1) Notwithstanding any other provision of this chapter and subject to paragraphs (3) through (6), the Secretary shall disapprove a course of education provided by a public institution of higher learning if the institution charges tuition and fees for that course for covered individuals who are pursuing the course with educational assistance under chapter 30, 31, 33, or 35 of this title while living in the State in which the institution is located at a rate that is higher than the rate the institution charges for tuition and fees for that course for residents of the State in which the institution is located, regardless of the covered individual’s State of residence.

(2) For purposes of this subsection, a covered individual is any individual as follows:

(A) A veteran who was discharged or released from a period of not fewer than 90 days of service in the active military, naval, air, or space service.

(B) An individual who is entitled to assistance under—

(i) section 3311(b)(8) of this title; or

(ii) section 3319 of this title by virtue of the individual’s relationship to—

(I) a veteran described in subparagraph (A); or

(II) a member of the uniformed services described in section 3319(b) of this title who is serving on active duty.

(C) An individual who is entitled to rehabilitation under section 3102(a) of this title.

(D) An individual who is entitled to assistance under section 3510 of this title.

(3) If after enrollment in a course of education that is subject to disapproval under paragraph (1) by reason of paragraph (2)(A), (2)(B), or (2)(C) a covered individual pursues one or more courses of education at the same public institution of higher learning while remaining continuously enrolled (other than during regularly scheduled breaks between courses, semesters or terms) at that institution of higher learning, any course so pursued by the covered individual at that institution of higher learning while so continuously enrolled shall also be subject to disapproval under paragraph (1).

(4)(A) It shall not be grounds to disapprove a course of education under paragraph (1) if a public institution of higher learning requires a covered individual pursuing a course of education at the institution to demonstrate an intent, by means other than satisfying a physical presence requirement, to establish residency in the State in which the institution is located, or to satisfy other requirements not relating to the estab-

ishment of residency, in order to be charged tuition and fees for that course at a rate that is equal to or less than the rate the institution charges for tuition and fees for that course for residents of the State.

(B) To the extent feasible, the Secretary shall make publicly available on the internet website of the Department a database explaining any requirements described in subparagraph (A) that are established by a public institution of higher learning for an individual to be charged tuition and fees at a rate that is equal to or less than the rate the institution charges for tuition and fees for residents of the State in which the institution is located. The Secretary shall disapprove a course of education provided by such an institution that does not provide the Secretary—

(i) an initial explanation of such requirements; and

(ii) not later than 90 days after the date on which any such requirements change, the updated requirements.

(5) The Secretary may waive such requirements of paragraph (1) as the Secretary considers appropriate.

(6) Disapproval under paragraph (1) shall apply only with respect to educational assistance under chapters 30, 31, 33, and 35 of this title.

(d) Notwithstanding any other provision of this chapter, the Secretary or the applicable State approving agency shall disapprove a course of education described in paragraph (15) or (16) of section 3676(c) of this title unless the educational institution providing the course of education—

(1) publicly discloses any conditions or additional requirements, including training, experience, or examinations, required to obtain the license, certification, or approval for which the course of education is designed to provide preparation; and

(2) makes each disclosure required by paragraph (1) in a manner that the Secretary considers prominent (as specified by the Secretary in regulations prescribed for purposes of this subsection).

(e)(1) Notwithstanding any other provision of this chapter, beginning on August 1, 2019, a State approving agency, or the Secretary when acting in the role of the State approving agency, shall disapprove a course of education provided by an educational institution that has in effect a policy that is inconsistent with any of the following:

(A) A policy that permits any covered individual to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31, 33, or 35 of this title and ending on the earlier of the following dates:

(i) The date on which the Secretary provides payment for such course of education to such institution.

(ii) The date that is 90 days after the date on which the educational institution certifies for tuition and fees following receipt from the student such certificate of eligibility.

(B) A policy that ensures that the educational institution will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of a payment to be provided by the Secretary under chapter 31<sup>1</sup> 33, or 35 of this title.

(2) For purposes of this subsection, a covered individual is any individual who is entitled to educational assistance under chapter 31<sup>1</sup> 33, or 35 of this title.

(3) The Secretary may waive such requirements of paragraph (1) as the Secretary considers appropriate.

(4) It shall not be inconsistent with a policy described in paragraph (1) for an educational institution to require a covered individual to take the following additional actions:

(A) Submit a certificate of eligibility for entitlement to educational assistance not later than the first day of a course of education for which the individual has indicated the individual wishes to use the individual's entitlement to educational assistance.

(B) Submit a written request to use such entitlement.

(C) Provide additional information necessary to the proper certification of enrollment by the educational institution.

(f)(1) Except as provided by paragraph (5), a State approving agency, or the Secretary when acting in the role of the State approving agency, shall take an action described in paragraph (4)(A) if the State approving agency or the Secretary, when acting in the role of the State approving agency, determines that an educational institution does not perform any of the following:

(A) Prior to the enrollment of a covered individual in a course of education at the educational institution, provide the individual with a form that contains information personalized to the individual that describes—

(i) the estimated total cost of the course, including tuition, fees, books, supplies, and any other additional costs;

(ii) an estimate of the cost for living expenses for students enrolled in the course;

(iii) the amount of the costs under clauses (i) and (ii) that are covered by the educational assistance provided to the individual under chapter 30, 31, 32, 33, or 35 of this title, or chapter 1606 or 1607 of title 10, as the case may be;

(viii) information regarding the acceptance by the institution of transfer of credits, including military credits;

(ix) any conditions or additional requirements, including training, experience, or examinations, required to obtain the license, certification, or approval for which the course of education is designed to provide preparation; and

(x) other information to facilitate comparison by the individual of aid packages offered by different educational institutions.

(B) Not later than 15 days after the date on which the institution (or the governing body of the institution) determines tuition rates and fees for an academic year that is different than the amount being charged by the institution, provide a covered individual enrolled in a course of education at the educational institution with the form under subparagraph (A) that contains updated information.

(C) Maintain policies to—

(i) inform each covered individual enrolled in a course of education at the educational institution of the availability of Federal financial aid not administered by the Secretary and financial aid offered by the institution; and

(ii) alert such individual of the potential eligibility of the individual for such financial aid before packaging or arranging student loans or alternative financing programs for the individual.

(G) Maintain a policy that—

(i) ensures that members of the Armed Forces, including the reserve components and the National Guard, who enroll in a course of education at the educational institution may be readmitted at such institution if such members are temporarily unavailable or have to suspend such enrollment by reason of serving in the Armed Forces; and

(H) Designate an employee of the educational institution to serve as a point of contact for covered individuals and the family of such individuals needing assistance with respect to academic counseling, financial counseling, disability counseling, and other information regarding completing a course of education at such institution, including by referring such individuals and family to the appropriate persons for such counseling and information.

(I) Comply with the notification requirements under sections 3675(b)(5) and 3676(c)(14) of this title, when applicable.

(2) Except as provided by paragraph (5), a State approving agency, or the Secretary when acting in the role of the State approving agency, shall take an action described in paragraph (4)(A) if the State approving agency, the Secretary, or any Federal agency, determines that an educational institution, or any person with whom the institution has an agreement to provide educational programs, marketing, advertising, recruiting or admissions services, does any of the following:

(C) In determining whether a violation of subparagraph (B) has occurred, the State approving agency, or the Secretary when acting in the place of the State approving agency, shall construe the requirements of this paragraph in accordance with the regulations and guidance prescribed by the Secretary of Education under section 487(a)(20) of the Higher Education Act of 1965 (20 U.S.C. 1094(a)(20)).
