The Secretary shall assist such a claimant in developing the facts pertinent to the claim. Such assistance shall include requesting information as described in section 5106 of this title.

“(b) When, after consideration of all evidence and material of record in a case before the Department with respect to benefits under laws administered by the Secretary, there is an approximate balance of positive and negative evidence regarding the merits of an issue material to the determination of the matter, the benefit of the doubt in resolving each such issue shall be given to the claimant.
