

“(A) the Secretary of Veterans Affairs shall make available \$250,000 in each of fiscal years 1994 through 2003, from amounts available to the Department of Veterans Affairs in each such fiscal year, to the National Academy of Sciences for the general purposes of conducting epidemiological research with respect to military and veterans populations; and

“(B) the Secretary of Defense shall make available \$250,000 in each of fiscal years 1994 through 2003, from amounts available to the Department of Defense in each such fiscal year, to the National Academy of Sciences for the purposes of carrying out the research referred to in subparagraph (A).

“(d) RESEARCH REVIEW AND DEVELOPMENT OF MEDICAL EDUCATION CURRICULUM.—(1) In order to further understand the health consequences of military service in the Persian Gulf theater of operations during the Persian Gulf War and of new research findings with implications for improving the provision of care for veterans of such service, the Secretary of Veterans Affairs and the Secretary of Defense shall seek to enter into an agreement with the National Academy of Sciences under which the Institute of Medicine of the Academy would—

“(A) develop a curriculum pertaining to the care and treatment of veterans of such service who have ill-defined or undiagnosed illnesses for use in the continuing medical education of both general and specialty physicians who provide care for such veterans; and

“(B) on an ongoing basis, periodically review and provide recommendations regarding the research plans and research strategies of the Departments relating to the health consequences of military service in the Persian Gulf theater of operations during the Persian Gulf War.

“(2) Recommendations to be provided under paragraph (1)(B) include any recommendations that the Academy considers appropriate for additional scientific studies (including studies related to treatment models) to resolve areas of continuing scientific uncertainty relating to the health consequences of any aspects of such military service. In making recommendations for additional studies, the Academy shall consider the available scientific data, the value and relevance of the information that could result from such studies, and the cost and feasibility of carrying out such studies.

“(3) Not later than 9 months after the Institute of Medicine provides the Secretaries the curriculum developed under paragraph (1)(A), the Secretaries shall provide for the conduct of continuing education programs using that curriculum. Those programs shall include instruction which seeks to emphasize use of appropriate protocols of diagnosis, referral, and treatment of such veterans.

“SEC. 707. COORDINATION OF HEALTH-RELATED GOVERNMENT ACTIVITIES ON THE PERSIAN GULF WAR.

“(a) DESIGNATION OF COORDINATING ORGANIZATION.—The President shall designate, and may redesignate from time to time, the head of an appropriate department or agency of the Federal Government to coordinate all activities undertaken or funded by the Executive Branch of the Federal Government on the health consequences of military service in the Persian Gulf theater of operations during the Persian Gulf War.

“(b) PUBLIC ADVISORY COMMITTEE.—Not later than January 1, 1999, the head of the department or agency designated under subsection (a) shall establish an advisory committee consisting of members of the general public, including Persian Gulf War veterans and representatives of such veterans, to provide advice to the head of that department or agency on proposed research studies, research plans, or research strategies relating to the health consequences of military service in the Southwest Asia theater of operations during the Persian Gulf War. The department or agency head shall consult with such advisory committee on a regular basis.

“(c) REPORTS.—(1) Not later than July 1, 2010, and July 1 of each of the five following years, the head of the department or agency designated under subsection (a) shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report on—

“(A) the status and results of all such research activities undertaken by the executive branch during the previous year; and

“(B) research priorities identified during that year.

“(2)(A) Not later than 120 days after submission of the epidemiological research study conducted by the Department of Veterans Affairs entitled ‘VA National Survey of Persian Gulf Veterans—Phase III’, the head of the department or agency designated under subsection (a) shall submit to the congressional committees specified in paragraph (1) a report on the findings under that study and any other pertinent medical literature.

“(B) With respect to any findings of that study and any other pertinent medical literature which identify scientific evidence of a greater relative risk of illness or illnesses in family members of veterans who served in the Persian Gulf War theater of operations than in family members of veterans who did not so serve, the head of the department or agency designated under subsection (a) shall seek to ensure that appropriate research studies are designed to follow up on such findings.

“(d) PUBLIC AVAILABILITY OF RESEARCH FINDINGS.—The head of the department or agency designated under subsection (a) shall ensure that the findings of all research conducted by or for the executive branch relating to the health consequences of military service in the Persian Gulf theater of operations during the Persian Gulf War (including information pertinent to improving provision of care for veterans of such service) are made available to the public through peer-reviewed medical journals, the World Wide Web, and other appropriate media.

“(e) OUTREACH.—The head of the department or agency designated under subsection (a) shall ensure that the appropriate departments consult and coordinate in carrying out an ongoing program to provide information to those who served in the Southwest Asia theater of operations during the Persian Gulf War relating to: (1) the health risks, if any, resulting from any risk factors associated with such service; and (2) any services or benefits available with respect to such health risks.

“SEC. 708. DEFINITION.

“For the purposes of this title, the term ‘Persian Gulf War’ has the meaning given such term in section 101(33) of title 38, United States Code.”

#### § 530. Annual report on program and expenditures for domestic response to weapons of mass destruction

(a) The Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives an annual report, to be submitted each year at the time that the President submits the budget for the next fiscal year under section 1105 of title 31, on the activities of the Department relating to preparation for, and participation in, a domestic medical response to an attack involving weapons of mass destruction.

(b) Each report under subsection (a) shall include the following:

(1) A statement of the amounts of funds and the level of personnel resources (stated in terms of full-time equivalent employees) expected to be used by the Department during the next fiscal year in preparation for a domestic medical response to an attack involving weapons of mass destruction, including the anticipated source of those funds and any anticipated shortfalls in funds or personnel resources to achieve the tasks assigned the Department by the President in connection with preparation for such a response.

(2) A detailed statement of the funds expended and personnel resources (stated in terms of full-time equivalent employees) used during the fiscal year preceding the fiscal year during which the report is submitted in preparation for a domestic medical response to an attack involving weapons of mass destruction or in response to such an attack, including identification of the source of those funds and a description of how those funds were expended.

(3) A detailed statement of the funds expended and expected to be expended, and the personnel resources (stated in terms of full-time equivalent employees) used and expected to be used, during the fiscal year during which the report is submitted in preparation for a domestic medical response to an attack involving weapons of mass destruction or in response to such an attack, including identification of the source of funds expended and a description of how those funds were expended.

(c) This section shall expire on January 1, 2009.

(Added Pub. L. 105-368, title IX, §906(a), Nov. 11, 1998, 112 Stat. 3361.)

#### § 531. Requirements relating to naming of Department property

(a) NAMING LIMITATION.—Except as expressly provided by law or as authorized under subsection (b), a facility, structure, or real property of the Department, and a major portion (such as a wing or floor) of any such facility, structure, or real property, may be named only for the geographic area in which the facility, structure, or real property is located.

(b) TRANSFER OF NAMES.—

(1) IN GENERAL.—The Secretary may transfer the name of covered property of the Department to other covered property of the Department if—

(A) the original covered property was designated with that name by law;

(B) the Department no longer offers benefits or services at the original covered property;

(C) the other covered property is similar in type and purpose as the original covered property;

(D) the other covered property is located in a different location or at a different address from the original covered property within the town, city, or other local government area specified in the designation made by such law; and

(E) such transfer occurs not less than 30 days after the Secretary notifies the Committee on Veterans' Affairs of the Senate, the Committee on Veterans' Affairs of the House of Representatives, and each member of Congress representing the State in which the original covered property and other covered property are located of the intent of the Secretary to transfer the name of the original covered property to the other covered property.

(2) REFERENCES.—If the Secretary transfers the name of covered property under paragraph (1), any reference in a law, regulation, map, document, paper, or other record of the United States to the covered property originally named by law shall be deemed to be a reference to the covered property to which the name has been transferred under such paragraph.

(3) COVERED PROPERTY.—In this subsection, the term "covered property" means a facility, structure, or real property of the Department or a major portion (such as a wing or floor) of any such facility, structure, or real property.

(Added Pub. L. 105-368, title X, §1001(a)(1), Nov. 11, 1998, 112 Stat. 3363; amended Pub. L. 117-137, §1(a), June 7, 2022, 136 Stat. 1254.)
