

§1202(e)(2), Nov. 2, 1994, 108 Stat. 4689, provided that: "In order to establish the National Center for Preventive Health pursuant to section 7318 of title 38, United States Code, as added by subsection (a), the Under Secretary for Health of the Department of Veterans Affairs shall solicit proposals from Department health care facilities to establish the center. The Under Secretary for Health shall establish such center at the facility or facilities which the Under Secretary for Health determines, on the basis of a review and analysis of such proposals, would most effectively carry out the purposes set forth in subsection (b) of such section."

§ 7319. Mammography quality standards

(a) A mammogram may not be performed at a Department facility unless that facility is accredited for that purpose by a private nonprofit organization designated by the Secretary. An organization designated by the Secretary under this subsection shall meet the standards for accrediting bodies established under subsection (e) of section 354 of the Public Health Service Act (42 U.S.C. 263b).

(b) The Secretary, in consultation with the Secretary of Health and Human Services, shall prescribe quality assurance and quality control standards relating to the performance and interpretation of mammograms and use of mammogram equipment and facilities of the Department of Veterans Affairs consistent with the requirements of section 354(f)(1) of the Public Health Service Act. Such standards shall be no less stringent than the standards prescribed by the Secretary of Health and Human Services under section 354(f) of the Public Health Service Act.

(c)(1) The Secretary, to ensure compliance with the standards prescribed under subsection (b), shall provide for an annual inspection of the equipment and facilities used by and in Department health care facilities for the performance of mammograms. Such inspections shall be carried out in a manner consistent with the inspection of certified facilities by the Secretary of Health and Human Services under section 354(g) of the Public Health Service Act.

(2) The Secretary may not provide for an inspection under paragraph (1) to be performed by a State agency.

(d) The Secretary shall ensure that mammograms performed for the Department under contract with any non-Department facility or provider conform to the quality standards prescribed by the Secretary of Health and Human Services under section 354 of the Public Health Service Act.

(e) For the purposes of this section, the term "mammogram" has the meaning given such term in paragraph (5) of section 354(a) of the Public Health Service Act.

§ 7320. Centers for mental illness research, education, and clinical activities

(a) The purpose of this section is to provide for the improvement of the provision of health-care services and related counseling services to eligible veterans suffering from mental illness (especially mental illness related to service-related conditions) through—

(1) the conduct of research (including research on improving mental health service facilities of the Department and on improving the delivery of mental health services by the Department);

(2) the education and training of health care personnel of the Department; and

(3) the development of improved models and systems for the furnishing of mental health services by the Department.

(b)(1) The Secretary shall establish and operate centers for mental illness research, education, and clinical activities. Such centers shall be established and operated by collaborating Department facilities as provided in subsection (c)(1). Each such center shall function as a center for—

(A) research on mental health services;

(B) the use by the Department of specific models for furnishing services to treat serious mental illness;

(C) education and training of health-care professionals of the Department; and

(D) the development and implementation of innovative clinical activities and systems of care with respect to the delivery of such services by the Department.

(2) The Secretary shall, upon the recommendation of the Under Secretary for Health, designate the centers under this section. In making such designations, the Secretary shall ensure that the centers designated are located in various geographic regions of the United States. The Secretary may designate a center under this section only if—

(A) the proposal submitted for the designation of the center meets the requirements of subsection (c);

(B) the Secretary makes the finding described in subsection (d); and

(C) the peer review panel established under subsection (e) makes the determination specified in subsection (e)(3) with respect to that proposal.

(3) Not more than five centers may be designated under this section.

(4) The authority of the Secretary to establish and operate centers under this section is subject to the appropriation of funds for that purpose.
