For transfer of functions, personnel, assets, and liabilities of the National Disaster Medical System of the Department of Health and Human Services, including the functions of the Secretary of Health and Human Services and the Assistant Secretary for Public Health Emergency Preparedness [now Assistant Secretary for Preparedness and Response] relating thereto, to the Secretary of Homeland Security, and for treatment of related references, see former section 313(5) and sections 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

ENHANCEMENT OF MEDICAL PREPAREDNESS OF DEPARTMENT OF VETERANS AFFAIRS

Pub. L. 108-422, title III, §303(a), (b), Nov. 30, 2004, 118 Stat. 2386, as amended by Pub. L. 117-286, §4(a)(22), Dec. 27, 2022, 136 Stat. 4330, provided that:

“(a) PEER REVIEW PANEL.—In order to assist the Secretary of Veterans Affairs in selecting facilities of the Department of Veterans Affairs to serve as sites for centers under section 7328 of title 38, United States Code, as added by subsection (c), the Secretary shall establish a peer review panel to assess the scientific and clinical merit of proposals that are submitted to the Secretary for the selection of such facilities. The panel shall be established not later than 90 days after the date of the enactment of this Act [Nov. 30, 2004] and shall include experts in the fields of toxicological research, infectious diseases, radiology, clinical care of veterans exposed to such hazards, and other persons as

determined appropriate by the Secretary. Members of the panel shall serve as consultants to the Department of Veterans Affairs. Amounts available to the Secretary for Medical Care may be used for purposes of carrying out this subsection. The panel shall not be subject to chapter 10 of title 5, United States Code.

“(b) PROPOSALS.—The Secretary shall solicit proposals for designation of facilities as described in subsection (a). The announcement of the solicitation of such proposals shall be issued not later than 60 days after the date of the enactment of this Act, and the deadline for the submission of proposals in response to such solicitation shall be not later than 90 days after the date of such announcement. The peer review panel established under subsection (a) shall complete its review of the proposals and submit its recommendations to the Secretary not later than 60 days after the date of the deadline for the submission of proposals. The Secretary shall then select the four sites for the location of such centers not later than 45 days after the date on which the peer review panel submits its recommendations to the Secretary.”

§ 7329. Parkinson's Disease research, education, and clinical centers

(a) ESTABLISHMENT OF CENTERS.—(1) The Secretary, upon the recommendation of the Under Secretary for Health, shall designate not less than six Department health-care facilities as the locations for centers of Parkinson's Disease research, education, and clinical activities.

(2) Subject to the availability of appropriations for such purpose, the Secretary shall establish and operate centers of Parkinson's Disease research, education, and clinical activities centers at the locations designated pursuant to paragraph (1).

(b) CRITERIA FOR DESIGNATION OF FACILITIES.—(1) In designating Department health-care facilities for centers under subsection (a), the Secretary, upon the recommendation of the Under Secretary for Health, shall assure appropriate geographic distribution of such facilities.

(2) Except as provided in paragraph (3), the Secretary shall designate as the location for a center of Parkinson's Disease research, education, and clinical activities pursuant to subsection (a)(1) each Department health-care facility that as of January 1, 2005, was operating a Parkinson's Disease research, education, and clinical center.

(3) The Secretary may not under subsection (a) designate a facility described in paragraph (2) if (on the recommendation of the Under Secretary for Health) the Secretary determines that such facility—

(A) does not meet the requirements of subsection (c); or

(B) has not demonstrated—

(i) effectiveness in carrying out the established purposes of such center; or

(ii) the potential to carry out such purposes effectively in the reasonably foreseeable future.

(c) REQUIREMENTS FOR DESIGNATION.—(1) The Secretary may not designate a Department health-care facility as a location for a center under subsection (a) unless the peer review panel established under subsection (d) has determined under that subsection that the proposal submitted by such facility as a location for a new center under subsection (a) is among those proposals that meet the highest competitive standards of scientific and clinical merit.

(2) The Secretary may not designate a Department health-care facility as a location for a center under subsection (a) unless the Secretary (upon the recommendation of the Under Secretary for Health) determines that the facility has (or may reasonably be anticipated to develop) each of the following:

(A) An arrangement with an accredited medical school that provides education and training in neurology and with which the Department health-care facility is affiliated under which residents receive education and training in innovative diagnosis and treatment of chronic neurodegenerative diseases and movement disorders, including Parkinson's Disease.

(B) The ability to attract the participation of scientists who are capable of ingenuity and creativity in health-care research efforts.

(C) An advisory committee composed of veterans and appropriate health-care and research representatives of the Department health-care facility and of the affiliated school or schools to advise the directors of such facility and such center on policy matters pertaining to the activities of the center during the period of the operation of such center.

(D) The capability to conduct effectively evaluations of the activities of such center.

(E) The capability to coordinate (as part of an integrated national system) education, clinical, and research activities within all facilities with such centers.

(F) The capability to jointly develop a consortium of providers with interest in treating neurodegenerative diseases, including Parkinson's Disease and other movement disorders, at facilities without centers established under subsection (a) in order to ensure better access to state-of-the-art diagnosis, care, and education for neurodegenerative disorders throughout the health-care system of the Department.

(G) The capability to develop a national repository in the health-care system of the Department for the collection of data on health services delivered to veterans seeking care for neurodegenerative diseases, including Parkinson's Disease, and other movement disorders.

(d) **PEER REVIEW PANEL.**—(1) The Under Secretary for Health shall establish a panel to assess the scientific and clinical merit of proposals that are submitted to the Secretary for the establishment of centers under this section.

(2)(A) The membership of the panel shall consist of experts in neurodegenerative diseases, including Parkinson's Disease and other movement disorders.

(B) Members of the panel shall serve for a period of no longer than two years, except as specified in subparagraph (C).

(C) Of the members first appointed to the panel, one half shall be appointed for a period of three years and one half shall be appointed for a period of two years, as designated by the Under Secretary at the time of appointment.

(3) The panel shall review each proposal submitted to the panel by the Under Secretary and shall submit its views on the relative scientific and clinical merit of each such proposal to the Under Secretary.

(4) The panel shall not be subject to chapter 10 of title 5.

(e) **PRIORITY OF FUNDING.**—Before providing funds for the operation of a center designated under subsection (a) at a Department health-care facility other than at a facility designated pursuant to subsection (b)(2), the Secretary shall ensure that each Parkinson's Disease center at a facility designated pursuant to subsection (b)(2) is receiving adequate funding to enable that center to function effectively in the areas of Parkinson's Disease research, education, and clinical activities.

(f) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated such sums as may be necessary for the support of the research and education activities of the centers established pursuant to subsection (a). The Under Secretary for Health shall allocate to such centers from other funds appropriated generally for the Department medical services account and medical and prosthetics research account, as appropriate, such amounts as the Under Secretary for Health determines appropriate.

(g) **AWARD COMPETITIONS.**—Activities of clinical and scientific investigation at each center established under subsection (a) shall be eligible to compete for the award of funding from funds appropriated for the Department medical and prosthetics research account. Such activities shall receive priority in the award of funding from such account insofar as funds are awarded to projects for research in Parkinson's Disease and other movement disorders.
