

unless the Secretary finds, and the agreement includes satisfactory assurances, that—

(A) there will be adequate State or other financial support for the proposed school;

(B) the overall plans for the school meet such professional and other standards as the Secretary deems appropriate;

(C) the school will maintain such arrangements with the Department medical facility with which it is associated (including but not limited to such arrangements as may be made under subchapter IV of chapter 81 of this title) as will be mutually beneficial in the carrying out of the mission of the medical facility and the school; and

(D) on the basis of consultation with the appropriate accreditation body or bodies approved for such purpose by the Secretary of Education, there is reasonable assurance that, with the aid of an agreement under subsection (a) of this section, such school will meet the accreditation standards of such body or bodies within a reasonable time.

(2) Any agreement entered into by the Secretary under this subchapter shall contain such terms and conditions (in addition to those imposed pursuant to section 8201(e) of this title and subsection (b)(1) of this section) as the Secretary deems necessary and appropriate to protect the interest of the United States.

(c) If the Secretary, in accordance with such regulations as the Secretary shall prescribe, determines that any school established with assistance under this chapter—

(1) is not accredited and fails to gain appropriate accreditation within a reasonable period of time;

(2) is accredited but fails substantially to carry out the terms of the agreement entered into under this chapter; or

(3) is no longer operated for the purpose for which such assistance was granted,

the Secretary shall be entitled to recover from the recipient of assistance under this chapter the facilities of such school which were established with assistance under this chapter. In order to recover such facilities the Secretary may bring an action in the district court of the United States for the district in which such facilities are situated.

#### § 8223. Grants

(a) Any medical school which is affiliated with the Department under an agreement entered into pursuant to this title may apply to the Secretary for a grant under this subchapter to assist such school, in part, to carry out, through the Department medical facility with which it is affiliated, projects and programs in furtherance of the purposes of this subchapter, except that no grant shall be made for the construction of any building which will not be located on land under the jurisdiction of the Secretary. Any such application shall contain such information in such detail as the Secretary deems necessary and appropriate.

(b) An application for a grant under this section may be approved by the Secretary only upon the Secretary’s determination that—

(1) the proposed projects and programs for which the grant will be made will make a significant contribution to improving the medical education (including continuing education) program of the school;

(2) the application contains or is supported by adequate assurance that any Federal funds made available under this subchapter will be supplemented by funds or other resources available from other sources, whether public or private;

(3) the application sets forth such fiscal control and accounting procedures as may be necessary to assure proper disbursement of, and accounting for, Federal funds expended under this subchapter; and

(4) the application provides for making such reports, in such form and containing such information, as the Secretary may require to carry out the Secretary’s functions under this subchapter, and for keeping such records and for affording such access thereto as the Secretary may find necessary to assure the correctness and verification of such reports.
