EX. ORD. NO. 12979. AGENCY PROCUREMENT PROTESTS

Ex. Ord. No. 12979, Oct. 25, 1995, 60 F.R. 55171, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to ensure effective and efficient expenditure of public funds and fair and expeditious resolution of protests to the award of Federal procurement contracts, it is hereby ordered as follows:

SECTION 1. Heads of executive departments and agencies (“agencies”) engaged in the procurement of supplies and services shall prescribe administrative procedures for the resolution of protests to the award of their procurement contracts as an alternative to protests in fora outside the procuring agencies. Procedures prescribed pursuant to this order shall:

(a) emphasize that whenever conduct of a procurement is contested, all parties should use their best efforts to resolve the matter with agency contracting officers;

(b) to the maximum extent practicable, provide for inexpensive, informal, procedurally simple, and expeditious resolution of protests, including, where appropriate and as permitted by law, the use of alternative dispute resolution techniques, third party neutrals, and another agency’s personnel;

(c) allow actual or prospective bidders or offerors whose direct economic interests would be affected by the award or failure to award the contract to request a

review, at a level above the contracting officer, of any decision by a contracting officer that is alleged to have violated a statute or regulation and, thereby, caused prejudice to the protester; and

(d) except where immediate contract award or performance is justified for urgent and compelling reasons or is determined to be in the best interest of the United States, prohibit award or performance of the contract while a timely filed protest is pending before the agency. To allow for the withholding of a contract award or performance, the agency must have received notice of the protest within either 10 calendar days after the contract award or 5 calendar days after the bidder or offeror who is protesting the contract award was given the opportunity to be debriefed by the agency, whichever date is later.

SEC. 2. The Administrator for Federal Procurement Policy shall: (a) work with the heads of executive agencies to provide policy guidance and leadership necessary to implement provisions of this order; and

(b) review and evaluate agency experience and performance under this order, and report on any findings to the President within 2 years from the date of this order.

SEC. 3. The Administrator of General Services, the Secretary of Defense, and the Administrator of the National Aeronautics and Space Administration, in coordination with the Office of Federal Procurement Policy, shall amend the Federal Acquisition Regulation, 48 C.F.R. 1, within 180 days of the date of this order to further the purposes of this order.

(b) CRITERIA FOR AWARDED CONTRACT.—The executive agency shall evaluate the bids in accordance with section 3701(a) of this title without discussions with the bidders and, except as provided in section 3701(b) of this title, shall award a contract with reasonable promptness to the responsible source whose bid conforms to the solicitation and is most advantageous to the Federal Government, considering only price and the other price-related factors included in the solicitation.

(c) NOTICE OF AWARD.—The award of a contract shall be made by transmitting, in writing or by electronic means, notice of the award to the successful bidder. Within 3 days after the date of contract award, the executive agency shall notify, in writing or by electronic means, each bidder not awarded the contract that the contract has been awarded.
