§ 12524. Allotments

(a) Indian tribes and territories

Of the amounts appropriated to carry out this part for any fiscal year, the Corporation shall reserve an amount of not less than 2 percent and not more than 3 percent for payments to Indian tribes, the United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands, to be allotted in accordance with their respective needs.

(b) Allotments through States

(1) In general

After reserving an amount under subsection (a), the Corporation shall use the remainder of the funds appropriated to carry out this part for the fiscal year as follows:

(A) Allotments based on school-age youth

From 50 percent of such remainder, the Corporation shall allot to each State an amount that bears the same ratio to 50 percent of such remainder as the number of school-age youth in the State bears to the total number of school-age youth in all States.

(B) Allotments based on allocations under Elementary and Secondary Education Act of 1965

From 50 percent of such remainder, the Corporation shall allot to each State an amount that bears the same ratio to 50 percent of such remainder as the allocation to the State for the previous fiscal year under title I of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 6301 et seq.) bears to the total of such allocations to all States.

(2) Minimum amount

For any fiscal year for which amounts appropriated for this division exceed \$50,000,000, the minimum allotment to each State under paragraph (1) shall be \$75,000.

(c) Reallotment

After community-based entities apply for grants from the allotment, by submitting an application at such time and in such manner as the Corporation requires, and receive approval, the remain-

der of such allotment shall be available for reallocation to such other States, territories, or Indian tribes with approved applications submitted under section 12525 of this title as the Corporation may determine to be appropriate.
