(2) In the case of any application for an advance under this section to any State for any 3-month period, the Secretary of Labor shall—

§ 1322. Repayment by State; certification; transfer; interest on loan; credit of interest on loan

(a) Repayment by State; certification; transfer

The Governor of any State may at any time request that funds be transferred from the account of such State to the Federal unemployment account in repayment of part or all of that balance of advances, made to such State under section 1321 of this title, specified in the request. The Secretary of Labor shall certify to the Secretary of the Treasury the amount and balance specified in the request; and the Secretary of the Treasury shall promptly transfer such amount in reduction of such balance.

(b) Interest on loan

(1) Except as otherwise provided in this subsection, each State shall pay interest on any advance made to such State under section 1321 of this title. Interest so payable with respect to periods during any calendar year shall be at the rate determined under paragraph (4) for such calendar year.

(2) No interest shall be required to be paid under paragraph (1) with respect to any advance or advances made during any calendar year if—

(A) such advances are repaid in full before the close of September 30 of the calendar year in which the advances were made,

(B) no other advance was made to such State under section 1321 of this title during such calendar year and after the date on which the repayment of the advances was completed, and

(C) such State meets funding goals, established under regulations issued by the Secretary of Labor, relating to the accounts of the States in the Unemployment Trust Fund.

(3)(A) Interest payable under paragraph (1) which was attributable to periods during any fiscal year shall be paid by the State to the Secretary of the Treasury prior to the first day of the following fiscal year. If interest is payable under paragraph (1) on any advance (hereinafter in this subparagraph referred to as the “first advance”) by reason of another advance made to such State after September 30 of the calendar year in which the first advance was made, interest on such first advance attributable to periods before such September 30 shall be paid not later than the day after the date on which the other advance was made.

(B) Notwithstanding subparagraph (A), in the case of any advance made during the last 5 months of any fiscal year, interest on such advance attributable to periods during such fiscal year shall not be required to be paid before the last day of the succeeding taxable year. Any interest the time for payment of which is deferred by the preceding sentence shall bear interest in the same manner as if it were an advance made on the day on which it would have been required to be paid but for this subparagraph.

(C)(i) In the case of any State which meets the requirements of clause (ii) for any calendar year, any interest otherwise required to be paid under this subsection during such calendar year shall be paid as follows—

(I) 25 percent of the amount otherwise required to be paid on or before any day during such calendar year shall be paid on or before such day; and

(II) 25 percent of the amount otherwise required to be paid on or before such day shall be paid on or before the corresponding day in each of the 3 succeeding calendar years.

No interest shall accrue on such deferred interest.

(ii) A State meets the requirements of this clause for any calendar year if the rate of insured unemployment (as determined for purposes of section 203 of the Federal-State Extended Unemployment Compensation Act of 1970) under the State law of the period consisting of the first 6 months of the preceding calendar year equaled or exceeded 7.5 percent.

(4) The interest rate determined under this paragraph with respect to any calendar year is a percentage (but not in excess of 10 percent) determined by dividing—

(A) the aggregate amount credited under section 1104(e) of this title to State accounts on the last day of the last calendar quarter of the immediately preceding calendar year, by

(B) the aggregate of the average daily balances of the State accounts for such quarter as determined under section 1104(e) of this title.

(5) Interest required to be paid under paragraph (1) shall not be paid (directly or indirectly) by a State from amounts in its unemployment fund. If the Secretary of Labor determines that any State action results in the paying of such interest directly or indirectly (by an equivalent reduction in State unemployment taxes or otherwise) from such unemployment fund, the Secretary of Labor shall not certify such State's unemployment compensation law under section 3304 of the Internal Revenue Code of 1986. Such noncertification shall be made in accordance with section 3304(c) of such Code.

(6)(A) For purposes of paragraph (2), any voluntary repayment shall be applied against advances made under section 1321 of this title on the last made first repaid basis. Any other repayment of such an advance shall be applied against advances on a first made first repaid basis.

(B) For purposes of this paragraph, the term “voluntary repayment” means any repayment made under subsection (a).

(7) This subsection shall only apply to advances made on or after April 1, 1982.

(8)(A) With respect to interest due under this section on September 30 of 1983, 1984, or 1985 (other than interest previously deferred under paragraph (3)(C)), a State may pay 80 percent of such interest in four annual installments of at least 20 percent beginning with the year after the year in which it is otherwise due, if such State meets the criteria of subparagraph (B). No interest shall accrue on such deferred interest.

(B) To meet the criteria of this subparagraph a State must—

(i) have taken no action since October 1, 1982, which would reduce its net unemployment tax effort or the net solvency of its unemployment system (as determined for purposes of section 3302(f) of the Internal Revenue Code of 1986); and
