INAPPLICABILITY OF CERTAIN 1992 AMENDMENTS TO  
INDIAN PUBLIC HOUSING

Amendment by Pub. L. 102-550 not applicable with respect to lower income housing developed or operated pursuant to contract between Secretary of Housing and Urban Development and Indian housing authority, see section 626 of Pub. L. 102-550, set out as a note under section 1437a of this title.

**§ 1437f. Low-income housing assistance**

**(a) Authorization for assistance payments**

For the purpose of aiding low-income families in obtaining a decent place to live and of promoting economically mixed housing, assistance payments may be made with respect to existing housing in accordance with the provisions of this section.

**(b) Other existing housing programs**

(1) IN GENERAL.—The Secretary is authorized to enter into annual contributions contracts with public housing agencies pursuant to which such agencies may enter into contracts to make assistance payments to owners of existing dwelling units in accordance with this section. In areas where no public housing agency has been organized or where the Secretary determines that a public housing agency is unable to implement the provisions of this section, the Secretary is authorized to enter into such contracts and to perform the other functions assigned to a public housing agency by this section.

(2) The Secretary is authorized to enter into annual contributions contracts with public housing agencies for the purpose of replacing public housing transferred in accordance with subchapter II-A of this chapter. Each contract entered into under this subsection shall be for a term of not more than 60 months.

**(c) Contents and purposes of contracts for assistance payments; amount and scope of monthly assistance payments**

(1)(A) An assistance contract entered into pursuant to this section shall establish the maximum monthly rent (including utilities and all maintenance and management charges) which the owner is entitled to receive for each dwelling unit with respect to which such assistance payments are to be made. The maximum monthly rent shall not exceed by more than 10 per centum the fair market rental established by the Secretary periodically but not less than annually for existing or newly constructed rental dwelling units of various sizes and types in the market area suitable for occupancy by persons assisted under this section, except that the maximum monthly rent may exceed the fair market rental (A) by more than 10 but not more than 20 per centum where the Secretary determines that special circumstances warrant such higher maximum rent or that such higher rent is necessary to the implementation of a housing strategy as defined in section 12705 of this title, or (B) by such higher amount as may be requested by a tenant and approved by the public housing agency in accordance with paragraph (3)(B). In the case of newly constructed and substantially rehabilitated units, the exception in the preceding

sentence shall not apply to more than 20 per centum of the total amount of authority to enter into annual contributions contracts for such units which is allocated to an area and obligated with respect to any fiscal year beginning on or after October 1, 1980. Each fair market rental in effect under this subsection shall be adjusted to be effective on October 1 of each year to reflect changes, based on the most recent available data trended so the rentals will be current for the year to which they apply, of rents for existing or newly constructed rental dwelling units, as the case may be, of various sizes and types in the market area suitable for occupancy by persons assisted under this section. Notwithstanding any other provision of this section, after October 12, 1977, the Secretary shall prohibit high-rise elevator projects for families with children unless there is no practical alternative. If units assisted under this section are exempt from local rent control while they are so assisted or otherwise, the maximum monthly rent for such units shall be reasonable in comparison with other units in the market area that are exempt from local rent control.

(B) Fair market rentals for an area shall be published not less than annually by the Secretary on the site of the Department on the World Wide Web and in any other manner specified by the Secretary. Notice that such fair market rentals are being published shall be published in the Federal Register, and such fair market rentals shall become effective no earlier than 30 days after the date of such publication. The Secretary shall establish a procedure for public housing agencies and other interested parties to comment on such fair market rentals and to request, within a time specified by the Secretary, reevaluation of the fair market rentals in a jurisdiction before such rentals become effective. The Secretary shall cause to be published for comment in the Federal Register notices of proposed material changes in the methodology for estimating fair market rentals and notices specifying the final decisions regarding such proposed substantial methodological changes and responses to public comments.

(2)(A) The assistance contract shall provide for adjustment annually or more frequently in the maximum monthly rents for units covered by the contract to reflect changes in the fair market rentals established in the housing area for similar types and sizes of dwelling units or, if the Secretary determines, on the basis of a reasonable formula. However, where the maximum monthly rent, for a unit in a new construction, substantial rehabilitation, or moderate rehabilitation project, to be adjusted using an annual adjustment factor exceeds the fair market rental for an existing dwelling unit in the market area, the Secretary shall adjust the rent only to the extent that the owner demonstrates that the adjusted rent would not exceed the rent for an unassisted unit of similar quality, type, and age in the same market area, as determined by the Secretary. The immediately foregoing sentence shall be effective only during fiscal year 1995, fiscal year 1996 prior to April 26, 1996, and fiscal years 1997 and 1998, and during fiscal year 1999 and thereafter. Except for assistance under the certificate program, for any unit occupied by

the same family at the time of the last annual rental adjustment, where the assistance contract provides for the adjustment of the maximum monthly rent by applying an annual adjustment factor and where the rent for a unit is otherwise eligible for an adjustment based on the full amount of the factor, 0.01 shall be subtracted from the amount of the factor, except that the factor shall not be reduced to less than 1.0. In the case of assistance under the certificate program, 0.01 shall be subtracted from the amount of the annual adjustment factor (except that the factor shall not be reduced to less than 1.0), and the adjusted rent shall not exceed the rent for a comparable unassisted unit of similar quality, type, and age in the market area. The immediately foregoing two sentences shall be effective only during fiscal year 1995, fiscal year 1996 prior to April 26, 1996, and fiscal years 1997 and 1998, and during fiscal year 1999 and thereafter. In establishing annual adjustment factors for units in new construction and substantial rehabilitation projects, the Secretary shall take into account the fact that debt service is a fixed expense. The immediately foregoing sentence shall be effective only during fiscal year 1998.

(B) The contract shall further provide for the Secretary to make additional adjustments in the maximum monthly rent for units under contract to the extent he determines such adjustments are necessary to reflect increases in the actual and necessary expenses of owning and maintaining the units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs which are not adequately compensated for by the adjustment in the maximum monthly rent authorized by subparagraph (A). The Secretary shall make additional adjustments in the maximum monthly rent for units under contract (subject to the availability of appropriations for contract amendments) to the extent the Secretary determines such adjustments are necessary to reflect increases in the actual and necessary expenses of owning and maintaining the units that have resulted from the expiration of a real property tax exemption. Where the Secretary determines that a project assisted under this section is located in a community where drug-related criminal activity is generally prevalent and the project's operating, maintenance, and capital repair expenses have been substantially increased primarily as a result of the prevalence of such drug-related activity, the Secretary may (at the discretion of the Secretary and subject to the availability of appropriations for contract amendments for this purpose), on a project by project basis, provide adjustments to the maximum monthly rents, to a level no greater than 120 percent of the project rents, to cover the costs of maintenance, security, capital repairs, and reserves required for the owner to carry out a strategy acceptable to the Secretary for addressing the problem of drug-related criminal activity. Any rent comparability standard required under this paragraph may be waived by the Secretary to so implement the preceding sentence. The Secretary may (at the discretion of the Secretary and subject to the availability of appropriations for contract amendments), on a project by project basis for projects receiving

project-based assistance, provide adjustments to the maximum monthly rents to cover the costs of evaluating and reducing lead-based paint hazards, as defined in section 4851b of this title.

(C) Adjustments in the maximum rents under subparagraphs (A) and (B) shall not result in material differences between the rents charged for assisted units and unassisted units of similar quality, type, and age in the same market area, as determined by the Secretary. In implementing the limitation established under the preceding sentence, the Secretary shall establish regulations for conducting comparability studies for projects where the Secretary has reason to believe that the application of the formula adjustments under subparagraph (A) would result in such material differences. The Secretary shall conduct such studies upon the request of any owner of any project, or as the Secretary determines to be appropriate by establishing, to the extent practicable, a modified annual adjustment factor for such market area, as the Secretary shall designate, that is geographically smaller than the applicable housing area used for the establishment of the annual adjustment factor under subparagraph (A). The Secretary shall establish such modified annual adjustment factor on the basis of the results of a study conducted by the Secretary of the rents charged, and any change in such rents over the previous year, for assisted units and unassisted units of similar quality, type, and age in the smaller market area. Where the Secretary determines that such modified annual adjustment factor cannot be established or that such factor when applied to a particular project would result in material differences between the rents charged for assisted units and unassisted units of similar quality, type, and age in the same market area, the Secretary may apply an alternative methodology for conducting comparability studies in order to establish rents that are not materially different from rents charged for comparable unassisted units. If the Secretary or appropriate State agency does not complete and submit to the project owner a comparability study not later than 60 days before the anniversary date of the assistance contract under this section, the automatic annual adjustment factor shall be applied. The Secretary may not reduce the contract rents in effect on or after April 15, 1987, for newly constructed, substantially rehabilitated, or moderately rehabilitated projects assisted under this section (including projects assisted under this section as in effect prior to November 30, 1983), unless the project has been refinanced in a manner that reduces the periodic payments of the owner. Any maximum monthly rent that has been reduced by the Secretary after April 14, 1987, and prior to November 7, 1988, shall be restored to the maximum monthly rent in effect on April 15, 1987. For any project which has had its maximum monthly rents reduced after April 14, 1987, the Secretary shall make assistance payments (from amounts reserved for the original contract) to the owner of such project in an amount equal to the difference between the maximum monthly rents in effect on April 15, 1987, and the reduced maximum monthly rents, multiplied by the number of months that the reduced maximum monthly rents were in effect.

(3) The amount of the monthly assistance payment with respect to any dwelling unit shall be the difference between the maximum monthly rent which the contract provides that the owner is to receive for the unit and the rent the family is required to pay under section 1437a(a) of this title.

(4) The assistance contract shall provide that assistance payments may be made only with respect to a dwelling unit under lease for occupancy by a family determined to be a lower income family at the time it initially occupied such dwelling unit, except that such payments may be made with respect to unoccupied units for a period not exceeding sixty days (A) in the event that a family vacates a dwelling unit before the expiration date of the lease for occupancy or (B) where a good faith effort is being made to fill an unoccupied unit, and, subject to the provisions of the following sentence, such payments may be made, in the case of a newly constructed or substantially rehabilitated project, after such sixty-day period in an amount equal to the debt service attributable to such an unoccupied dwelling unit for a period not to exceed one year, if a good faith effort is being made to fill the unit and the unit provides decent, safe, and sanitary housing. No such payment may be made after such sixty-day period if the Secretary determines that the dwelling unit is in a project which provides the owner with revenues exceeding the costs incurred by such owner with respect to such project.

(5) The Secretary shall take such steps as may be necessary, including the making of contracts for assistance payments in amounts in excess of the amounts required at the time of the initial renting of dwelling units, the reservation of annual contributions authority for the purpose of amending housing assistance contracts, or the allocation of a portion of new authorizations for the purpose of amending housing assistance contracts, to assure that assistance payments are increased on a timely basis to cover increases in maximum monthly rents or decreases in family incomes.

(6) Redesignated (5).

(7) Repealed. Pub. L. 105-276, title V, § 550(a)(3)(C), Oct. 21, 1998, 112 Stat. 2609

(8)(A) Not less than one year before termination of any contract under which assistance payments are received under this section, other than a contract for tenant-based assistance under this section, an owner shall provide written notice to the Secretary and the tenants involved of the proposed termination. The notice shall also include a statement that, if the Congress makes funds available, the owner and the Secretary may agree to a renewal of the contract, thus avoiding termination, and that in the event of termination the Department of Housing and Urban Development will provide tenant-based rental assistance to all eligible residents, enabling them to choose the place they wish to rent, which is likely to include the dwelling unit in which they currently reside. Any contract covered by this paragraph that is renewed may be renewed for a period of up to 1 year or any number or years, with payments subject to the availability of appropriations for any year.

(B) In the event the owner does not provide the notice required, the owner may not evict the tenants or increase the tenants' rent payment until such time as the owner has provided the notice and 1 year has elapsed. The Secretary may allow the owner to renew the terminating contract for a period of time sufficient to give tenants 1 year of advance notice under such terms and conditions as the Secretary may require.

(C) Any notice under this paragraph shall also comply with any additional requirements established by the Secretary.

(D) For purposes of this paragraph, the term "termination" means the expiration of the assistance contract or an owner's refusal to renew the assistance contract, and such term shall include termination of the contract for business reasons.

**(d) Required provisions and duration of contracts for assistance payments; waiver of limitation**

(1) Contracts to make assistance payments entered into by a public housing agency with an owner of existing housing units shall provide (with respect to any unit) that—

(A) the selection of tenants shall be the function of the owner, subject to the annual contributions contract between the Secretary and the agency, except that with respect to the certificate and moderate rehabilitation programs only, for the purpose of selecting families to be assisted, the public housing agency may establish local preferences, consistent with the public housing agency plan submitted under section 1437c-1 of this title by the public housing agency;

(B)(i) the lease between the tenant and the owner shall be for at least one year or the term of such contract, whichever is shorter, and shall contain other terms and conditions specified by the Secretary;

(ii) during the term of the lease, the owner shall not terminate the tenancy except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Federal, State, or local law, or for other good cause;

(iii) during the term of the lease, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other tenants, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises, or any drug-related criminal activity on or near such premises, engaged in by a tenant of any unit, any member of the tenant's household, or any guest or other person under the tenant's control, shall be cause for termination of tenancy;

(iv) any termination of tenancy shall be preceded by the owner's provision of written notice to the tenant specifying the grounds for such action; and

(v) it shall be cause for termination of the tenancy of a tenant if such tenant—

(I) is fleeing to avoid prosecution, or custody or confinement after conviction, under the laws of the place from which the indi-

vidual flees, for a crime, or attempt to commit a crime, which is a felony under the laws of the place from which the individual flees, or which, in the case of the State of New Jersey, is a high misdemeanor under the laws of such State; or

(II) is violating a condition of probation or parole imposed under Federal or State law;

(C) maintenance and replacement (including redecoration) shall be in accordance with the standard practice for the building concerned as established by the owner and agreed to by the agency; and

(D) the agency and the owner shall carry out such other appropriate terms and conditions as may be mutually agreed to by them.

(2)(A) Each contract for an existing structure entered into under this section shall be for a term of not less than one month nor more than one hundred and eighty months. The Secretary shall permit public housing agencies to enter into contracts for assistance payments of less than 12 months duration in order to avoid disruption in assistance to eligible families if the annual contributions contract is within 1 year of its expiration date.

(B)(i) In determining the amount of assistance provided under an assistance contract for project-based assistance under this paragraph or a contract for assistance for housing constructed or substantially rehabilitated pursuant to assistance provided under subsection (b)(2) of this section (as such subsection existed immediately before October 1, 1983), the Secretary may consider and annually adjust, with respect to such project, for the cost of employing or otherwise retaining the services of one or more service coordinators under section 661<sup>1</sup> of the Housing and Community Development Act of 1992 [42 U.S.C. 13631] to coordinate the provision of any services within the project for residents of the project who are elderly or disabled families.

(ii) The budget authority available under section 1437c(c) of this title for assistance under this section is authorized to be increased by \$15,000,000 on or after October 1, 1992, and by \$15,000,000 on or after October 1, 1993. Amounts made available under this subparagraph shall be used to provide additional amounts under annual contributions contracts for assistance under this section which shall be made available through assistance contracts only for the purpose of providing service coordinators under clause (i) for projects receiving project-based assistance under this paragraph and to provide additional amounts under contracts for assistance for projects constructed or substantially rehabilitated pursuant to assistance provided under subsection (b)(2) of this section (as such subsection existed immediately before October 1, 1983) only for such purpose.

(C) An assistance contract for project-based assistance under this paragraph shall provide that the owner shall ensure and maintain compliance with subtitle C of title VI of the Housing and Community Development Act of 1992 [42 U.S.C. 13601 et seq.] and any regulations issued under such subtitle.

(D) An owner of a covered section 8 [42 U.S.C. 1437f] housing project (as such term is defined in section 659 of the Housing and Community Development Act of 1992 [42 U.S.C. 13619]) may give preference for occupancy of dwelling units in the project, and reserve units for occupancy, in accordance with subtitle D of title VI of the Housing and Community Development Act of 1992 [42 U.S.C. 13611 et seq.].

(3) Notwithstanding any other provision of law, with the approval of the Secretary the public housing agency administering a contract under this section with respect to existing housing units may exercise all management and maintenance responsibilities with respect to those units pursuant to a contract between such agency and the owner of such units.

(4) A public housing agency that serves more than one unit of general local government may, at the discretion of the agency, in allocating assistance under this section, give priority to disabled families that are not elderly families.

(5) CALCULATION OF LIMIT.—Any contract entered into under section 514 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 shall be excluded in computing the limit on project-based assistance under this subsection.

(6) TREATMENT OF COMMON AREAS.—The Secretary may not provide any assistance amounts pursuant to an existing contract for project-based assistance under this section for a housing project and may not enter into a new or renewal contract for such assistance for a project unless the owner of the project provides consent, to such local law enforcement agencies as the Secretary determines appropriate, for law enforcement officers of such agencies to enter common areas of the project at any time and without advance notice upon a determination of probable cause by such officers that criminal activity is taking place in such areas.

**(e) Restrictions on contracts for assistance payments**

(1) Nothing in this chapter shall be deemed to prohibit an owner from pledging, or offering as security for any loan or obligation, a contract for assistance payments entered into pursuant to this section: *Provided*, That such security is in connection with a project constructed or rehabilitated pursuant to authority granted in this section, and the terms of the financing or any refinancing have been approved by the Secretary.

(2) Repealed. Pub. L. 101-625, title II, §289(b), Nov. 28, 1990, 104 Stat. 4128

The Secretary may not consider the receipt by a public housing agency of assistance under section 811(b)(1) of the Cranston-Gonzalez National Affordable Housing Act [42 U.S.C. 8013(b)(1)], or the amount received, in approving assistance for the agency under this section or determining the amount of such assistance to be provided.

(2) any other standards as may be adopted by the Secretary, including any relevant updates to the International Fire Code, through a notice published in the Federal Register.

**(k) Verification of income**

The Secretary shall establish procedures which are appropriate and necessary to assure that income data provided to public housing agencies and owners by families applying for or receiving assistance under this section is complete and accurate. In establishing such proce-

dures, the Secretary shall randomly, regularly, and periodically select a sample of families to authorize the Secretary to obtain information on these families for the purpose of income verification, or to allow those families to provide such information themselves. Such information may include, but is not limited to, data concerning unemployment compensation and Federal income taxation and data relating to benefits made available under the Social Security Act [42 U.S.C. 301 et seq.], the Food and Nutrition Act of 2008 [7 U.S.C. 2011 et seq.], or title 38. Any such information received pursuant to this subsection shall remain confidential and shall be used only for the purpose of verifying incomes in order to determine eligibility of families for benefits (and the amount of such benefits, if any) under this section.

**(l) Qualifying smoke alarms**

**(1) In general**

**(1) Authority**

**(A) In general**

The Secretary may provide assistance to public housing agencies for tenant-based assistance using a payment standard established in accordance with subparagraph (B). The payment standard shall be used to determine the monthly assistance that may be paid for any family, as provided in paragraph (2).

**(B) Establishment of payment standard**

Except as provided under subparagraph (D), the payment standard for each size of dwelling unit in a market area shall not exceed 110 percent of the fair market rental established under subsection (c) for the same size of dwelling unit in the same market area and shall be not less than 90 percent of that fair market rental, except that no public housing agency shall be required as a result of a reduction in the fair market rental to reduce the payment standard applied to a family continuing to reside in a unit for which the family was receiving assistance under this section at the time the fair market rental was reduced. The Secretary shall allow public housing agencies to request exception payment standards within fair market rental areas subject to criteria and procedures established by the Secretary.

**(C) Set-aside**

The Secretary may set aside not more than 5 percent of the budget authority made available for assistance under this subsection as an adjustment pool. The Secretary shall use amounts in the adjustment pool to make adjusted payments to public housing agencies under subparagraph (A), to ensure continued affordability, if the Secretary determines that additional assistance for such purpose is necessary, based on documentation submitted by a public housing agency.

**(D) Approval**

The Secretary may require a public housing agency to submit the payment standard of the public housing agency to the Secretary for approval, if the payment standard is less than 90 percent of the fair market rental or exceeds 110 percent of the fair market rental, except that a public housing agency may establish a payment standard of not more than 120 percent of the fair market rent where necessary as a reasonable accommodation for a person with a disability, without approval of the Secretary. A public housing agency may use a payment standard that is greater than 120 percent of the fair market rent as a reasonable accommodation for a person with a disability, but only with the approval of the Secretary. In connection

with the use of any increased payment standard established or approved pursuant to either of the preceding two sentences as a reasonable accommodation for a person with a disability, the Secretary may not establish additional requirements regarding the amount of adjusted income paid by such person for rent.

**(E) Review**

The Secretary—

- (i) shall monitor rent burdens and review any payment standard that results in a significant percentage of the families occupying units of any size paying more than 30 percent of adjusted income for rent; and
- (ii) may require a public housing agency to modify the payment standard of the public housing agency based on the results of that review.

**(2) Amount of monthly assistance payment**

Subject to the requirement under section 1437a(a)(3) of this title (relating to minimum rental amount), the monthly assistance payment for a family receiving assistance under this subsection shall be determined as follows:

**(A) Tenant-based assistance; rent not exceeding payment standard**

For a family receiving tenant-based assistance, if the rent for the family (including the amount allowed for tenant-paid utilities) does not exceed the applicable payment standard established under paragraph (1), the monthly assistance payment for the family shall be equal to the amount by which the rent (including the amount allowed for tenant-paid utilities) exceeds the greatest of the following amounts, rounded to the nearest dollar:

- (i) 30 percent of the monthly adjusted income of the family.
- (ii) 10 percent of the monthly income of the family.
- (iii) If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the actual housing costs of the family, is specifically designated by that agency to meet the housing costs of the family, the portion of those payments that is so designated.

**(B) Tenant-based assistance; rent exceeding payment standard**

For a family receiving tenant-based assistance, if the rent for the family (including the amount allowed for tenant-paid utilities) exceeds the applicable payment standard established under paragraph (1), the monthly assistance payment for the family shall be equal to the amount by which the applicable payment standard exceeds the greatest of amounts under clauses (i), (ii), and (iii) of subparagraph (A).

**(C) Families receiving project-based assistance**

For a family receiving project-based assistance, the rent that the family is required to pay shall be determined in accordance with section 1437a(a)(1) of this title, and the

amount of the housing assistance payment shall be determined in accordance with subsection (c)(3) of this section.

**(D) Utility allowance**

**(i) General**

In determining the monthly assistance payment for a family under subparagraphs (A) and (B), the amount allowed for tenant-paid utilities shall not exceed the appropriate utility allowance for the family unit size as determined by the public housing agency regardless of the size of the dwelling unit leased by the family.

**(ii) Exception for families in including persons with disabilities**

Notwithstanding subparagraph (A), upon request by a family that includes a person with disabilities, the public housing agency shall approve a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

**(3) 40 percent limit**

At the time a family initially receives tenant-based assistance under this section with respect to any dwelling unit, the total amount that a family may be required to pay for rent may not exceed 40 percent of the monthly adjusted income of the family.

**(4) Eligible families**

To be eligible to receive assistance under this subsection, a family shall, at the time a family initially receives assistance under this subsection, be a low-income family that is—

- (A) a very low-income family;
- (B) a family previously assisted under this subchapter;
- (C) a low-income family that meets eligibility criteria specified by the public housing agency;
- (D) a family that qualifies to receive a voucher in connection with a homeownership program approved under title IV of the Cranston-Gonzalez National Affordable Housing Act; or
- (E) a family that qualifies to receive a voucher under section 223 or 226 of the Low-Income Housing Preservation and Resident Homeownership Act of 1990 [12 U.S.C. 4113, 4116].

**(5) Reviews of family income**

**(A) In general**

Reviews of family incomes for purposes of this section shall be subject to paragraphs (1), (6), and (7) of section 1437a(a) of this title and to section 3544 of this title.

**(B) Procedures**

Each public housing agency administering assistance under this subsection shall establish procedures that are appropriate and necessary to ensure that income data provided to the agency and owners by families applying for or receiving assistance from the agency is complete and accurate.

**(6) Selection of families and disapproval of owners**

**(A) Preferences**

**(i) Authority to establish**

Each public housing agency may establish a system for making tenant-based assistance under this subsection available on behalf of eligible families that provides preference for such assistance to eligible families having certain characteristics, which may include a preference for families residing in public housing who are victims of a crime of violence (as such term is defined in section 16 of title 18) that has been reported to an appropriate law enforcement agency.

**(ii) Content**

Each system of preferences established pursuant to this subparagraph shall be based upon local housing needs and priorities, as determined by the public housing agency using generally accepted data sources, including any information obtained pursuant to an opportunity for public comment as provided under section 1437c-1(f) of this title and under the requirements applicable to the comprehensive housing affordability strategy for the relevant jurisdiction.

**(B) Selection of tenants**

Each housing assistance payment contract entered into by the public housing agency and the owner of a dwelling unit<sup>2</sup> shall provide that the screening and selection of families for those units shall be the function of the owner. In addition, the public housing agency may elect to screen applicants for the program in accordance with such requirements as the Secretary may establish. That an applicant or participant is or has been a victim of domestic violence, dating violence, or stalking is not an appropriate basis for denial of program assistance or for denial of admission if the applicant otherwise qualifies for assistance or admission.

**(C) PHA disapproval of owners**

In addition to other grounds authorized by the Secretary, a public housing agency may elect not to enter into a housing assistance payments contract under this subsection with an owner who refuses, or has a history of refusing, to take action to terminate tenancy for activity engaged in by the tenant, any member of the tenant's household, any guest, or any other person under the control of any member of the household that—

- (i) threatens the health or safety of, or right to peaceful enjoyment of the premises by, other tenants or employees of the public housing agency, owner, or other manager of the housing;
- (ii) threatens the health or safety of, or right to peaceful enjoyment of the residences by, persons residing in the immediate vicinity of the premises; or
- (iii) is drug-related or violent criminal activity.

<sup>2</sup> So in original. No opening parenthesis was enacted.

**(7) Leases and tenancy**

Each housing assistance payment contract entered into by the public housing agency and the owner of a dwelling unit—

(A) shall provide that the lease between the tenant and the owner shall be for a term of not less than 1 year, except that the public housing agency may approve a shorter term for an initial lease between the tenant and the dwelling unit owner if the public housing agency determines that such shorter term would improve housing opportunities for the tenant and if such shorter term is considered to be a prevailing local market practice;

(B) shall provide that the dwelling unit owner shall offer leases to tenants assisted under this subsection that—

(i) are in a standard form used in the locality by the dwelling unit owner; and

(ii) contain terms and conditions that—

(I) are consistent with State and local law; and

(II) apply generally to tenants in the property who are not assisted under this section;

(C) shall provide that during the term of the lease, the owner shall not terminate the tenancy except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Federal, State, or local law, or for other good cause, and in the case of an owner who is an immediate successor in interest pursuant to foreclosure during the term of the lease vacating the property prior to sale shall not constitute other good cause, except that the owner may terminate the tenancy effective on the date of transfer of the unit to the owner if the owner—

(i) will occupy the unit as a primary residence; and

(ii) has provided the tenant a notice to vacate at least 90 days before the effective date of such notice;<sup>3</sup>

(D) shall provide that during the term of the lease, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other tenants, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises, or any violent or drug-related criminal activity on or near such premises, engaged in by a tenant of any unit, any member of the tenant's household, or any guest or other person under the tenant's control, shall be cause for termination of tenancy;

(E) shall provide that any termination of tenancy under this subsection shall be preceded by the provision of written notice by the owner to the tenant specifying the grounds for that action, and any relief shall be consistent with applicable State and local law; and

(F) may include any addenda required by the Secretary to set forth the provisions of

this subsection. In the case of any foreclosure on any federally-related mortgage loan (as that term is defined in section 2602 of title 12) or on any residential real property in which a recipient of assistance under this subsection resides, the immediate successor in interest in such property pursuant to the foreclosure shall assume such interest subject to the lease between the prior owner and the tenant and to the housing assistance payments contract between the prior owner and the public housing agency for the occupied unit, except that this provision and the provisions related to foreclosure in subparagraph (C) shall not shall not<sup>3</sup> affect any State or local law that provides longer time periods or other additional protections for tenants.

**(8) Inspection of units by PHAs****(A) Initial inspection****(i) In general**

For each dwelling unit for which a housing assistance payment contract is established under this subsection, the public housing agency (or other entity pursuant to paragraph (11)) shall inspect the unit before any assistance payment is made to determine whether the dwelling unit meets the housing quality standards under subparagraph (B), except as provided in clause (ii) or (iii) of this subparagraph.

**(ii) Correction of non-life-threatening conditions**

In the case of any dwelling unit that is determined, pursuant to an inspection under clause (i), not to meet the housing quality standards under subparagraph (B), assistance payments may be made for the unit notwithstanding subparagraph (C) if failure to meet such standards is a result only of non-life-threatening conditions, as such conditions are established by the Secretary. A public housing agency making assistance payments pursuant to this clause for a dwelling unit shall, 30 days after the beginning of the period for which such payments are made, withhold any assistance payments for the unit if any deficiency resulting in noncompliance with the housing quality standards has not been corrected by such time. The public housing agency shall recommence assistance payments when such deficiency has been corrected, and may use any payments withheld to make assistance payments relating to the period during which payments were withheld.

**(iii) Use of alternative inspection method for interim period**

In the case of any property that within the previous 24 months has met the requirements of an inspection that qualifies as an alternative inspection method pursuant to subparagraph (E), a public housing agency may authorize occupancy before the inspection under clause (i) has been completed, and may make assistance payments retroactive to the beginning of the

<sup>3</sup>So in original.

lease term after the unit has been determined pursuant to an inspection under clause (i) to meet the housing quality standards under subparagraph (B). This clause may not be construed to exempt any dwelling unit from compliance with the requirements of subparagraph (D).

**(B) Housing quality standards**

The housing quality standards under this subparagraph are standards for safe and habitable housing established—

(i) by the Secretary for purposes of this subsection; or

(ii) by local housing codes or by codes adopted by public housing agencies that—

(I) meet or exceed housing quality standards, except that the Secretary may waive the requirement under this subclause to significantly increase access to affordable housing and to expand housing opportunities for families assisted under this subsection, except where such waiver could adversely affect the health or safety of families assisted under this subsection; and

(II) do not severely restrict housing choice<sup>4</sup>

**(C) Inspection**

The determination required under subparagraph (A) shall be made by the public housing agency (or other entity, as provided in paragraph (11)) pursuant to an inspection of the dwelling unit conducted before any assistance payment is made for the unit. Inspections of dwelling units under this subparagraph shall be made before the expiration of the 15-day period beginning upon a request by the resident or landlord to the public housing agency or, in the case of any public housing agency that provides assistance under this subsection on behalf of more than 1250 families, before the expiration of a reasonable period beginning upon such request. The performance of the agency in meeting the 15-day inspection deadline shall be taken into consideration in assessing the performance of the agency.

**(D) Biennial inspections**

**(i) Requirement**

Each public housing agency providing assistance under this subsection (or other entity, as provided in paragraph (11)) shall, for each assisted dwelling unit, make inspections not less often than biennially during the term of the housing assistance payments contract for the unit to determine whether the unit is maintained in accordance with the requirements under subparagraph (A).

**(ii) Use of alternative inspection method**

The requirements under clause (i) may be complied with by use of inspections that qualify as an alternative inspection method pursuant to subparagraph (E).

**(iii) Records**

The public housing agency (or other entity) shall retain the records of the inspec-

tion for a reasonable time, as determined by the Secretary, and shall make the records available upon request to the Secretary, the Inspector General for the Department of Housing and Urban Development, and any auditor conducting an audit under section 1437c(h) of this title.

**(iv) Mixed-finance properties**

The Secretary may adjust the frequency of inspections for mixed-finance properties assisted with vouchers under paragraph (13) to facilitate the use of the alternative inspections in subparagraph (E).

**(E) Alternative inspection method**

An inspection of a property shall qualify as an alternative inspection method for purposes of this subparagraph if—

(i) the inspection was conducted pursuant to requirements under a Federal, State, or local housing program (including the Home investment partnership program under title II of the Cranston-Gonzalez National Affordable Housing Act [42 U.S.C. 12721 et seq.] and the low-income housing tax credit program under section 42 of title 26); and

(ii) pursuant to such inspection, the property was determined to meet the standards or requirements regarding housing quality or safety applicable to properties assisted under such program, and, if a non-Federal standard or requirement was used, the public housing agency has certified to the Secretary that such standard or requirement provides the same (or greater) protection to occupants of dwelling units meeting such standard or requirement as would the housing quality standards under subparagraph (B).

**(F) Interim inspections**

Upon notification to the public housing agency, by a family (on whose behalf tenant-based rental assistance is provided under this subsection) or by a government official, that the dwelling unit for which such assistance is provided does not comply with the housing quality standards under subparagraph (B), the public housing agency shall inspect the dwelling unit—

(i) in the case of any condition that is life-threatening, within 24 hours after the agency's receipt of such notification, unless waived by the Secretary in extraordinary circumstances; and

(ii) in the case of any condition that is not life-threatening, within a reasonable time frame, as determined by the Secretary.

**(G) Enforcement of housing quality standards**

**(i) Determination of noncompliance**

A dwelling unit that is covered by a housing assistance payments contract under this subsection shall be considered, for purposes of subparagraphs (D) and (F), to be in noncompliance with the housing quality standards under subparagraph (B) if—

<sup>4</sup>So in original. Probably should be followed by a period.

(I) the public housing agency or an inspector authorized by the State or unit of local government determines upon inspection of the unit that the unit fails to comply with such standards;

(II) the agency or inspector notifies the owner of the unit in writing of such failure to comply; and

(III) the failure to comply is not corrected—

(aa) in the case of any such failure that is a result of life-threatening conditions, within 24 hours after such notice has been provided; and

(bb) in the case of any such failure that is a result of non-life-threatening conditions, within 30 days after such notice has been provided or such other reasonable longer period as the public housing agency may establish.

**(ii) Withholding of assistance amounts during correction**

The public housing agency may withhold assistance amounts under this subsection with respect to a dwelling unit for which a notice pursuant to clause (i)(II), of failure to comply with housing quality standards under subparagraph (B) as determined pursuant to an inspection conducted under subparagraph (D) or (F), has been provided. If the unit is brought into compliance with such housing quality standards during the periods referred to in clause (i)(III), the public housing agency shall recommence assistance payments and may use any amounts withheld during the correction period to make assistance payments relating to the period during which payments were withheld.

**(iii) Abatement of assistance amounts**

The public housing agency shall abate all of the assistance amounts under this subsection with respect to a dwelling unit that is determined, pursuant to clause (i) of this subparagraph, to be in noncompliance with housing quality standards under subparagraph (B). Upon completion of repairs by the public housing agency or the owner sufficient so that the dwelling unit complies with such housing quality standards, the agency shall recommence payments under the housing assistance payments contract to the owner of the dwelling unit.

**(iv) Notification**

If a public housing agency providing assistance under this subsection abates rental assistance payments pursuant to clause (iii) with respect to a dwelling unit, the agency shall, upon commencement of such abatement—

(I) notify the tenant and the owner of the dwelling unit that—

(aa) such abatement has commenced; and

(bb) if the dwelling unit is not brought into compliance with housing quality standards within 60 days after the effective date of the determination

of noncompliance under clause (i) or such reasonable longer period as the agency may establish, the tenant will have to move; and

(II) issue the tenant the necessary forms to allow the tenant to move to another dwelling unit and transfer the rental assistance to that unit.

**(v) Protection of tenants**

An owner of a dwelling unit may not terminate the tenancy of any tenant because of the withholding or abatement of assistance pursuant to this subparagraph. During the period that assistance is abated pursuant to this subparagraph, the tenant may terminate the tenancy by notifying the owner.

**(vi) Termination of lease or assistance payments contract**

If assistance amounts under this section for a dwelling unit are abated pursuant to clause (iii) and the owner does not correct the noncompliance within 60 days after the effective date of the determination of noncompliance under clause (i), or such other reasonable longer period as the public housing agency may establish, the agency shall terminate the housing assistance payments contract for the dwelling unit.

**(vii) Relocation**

**(I) Lease of new unit**

The agency shall provide the family residing in such a dwelling unit a period of 90 days or such longer period as the public housing agency determines is reasonably necessary to lease a new unit, beginning upon termination of the contract, to lease a new residence with tenant-based rental assistance under this section.

**(II) Availability of public housing units**

If the family is unable to lease such a new residence during such period, the public housing agency shall, at the option of the family, provide such family a preference for occupancy in a dwelling unit of public housing that is owned or operated by the agency that first becomes available for occupancy after the expiration of such period.

**(III) Assistance in finding unit**

The public housing agency may provide assistance to the family in finding a new residence, including use of up to two months of any assistance amounts withheld or abated pursuant to clause (ii) or (iii), respectively, for costs directly associated with relocation of the family to a new residence, which shall include security deposits as necessary and may include reimbursements for reasonable moving expenses incurred by the household, as established by the Secretary. The agency may require that a family receiving assistance for a security deposit shall remit, to the extent of such assistance, the amount of any security

deposit refunds made by the owner of the dwelling unit for which the lease was terminated.

**(viii) Tenant-caused damages**

If a public housing agency determines that any damage to a dwelling unit that results in a failure of the dwelling unit to comply with housing quality standards under subparagraph (B), other than any damage resulting from ordinary use, was caused by the tenant, any member of the tenant's household, or any guest or other person under the tenant's control, the agency may waive the applicability of this subparagraph, except that this clause shall not exonerate a tenant from any liability otherwise existing under applicable law for damages to the premises caused by such tenant.

**(ix) Applicability**

This subparagraph shall apply to any dwelling unit for which a housing assistance payment contract is entered into or renewed after the date of the effectiveness of the regulations implementing this subparagraph.

**(H) Inspection guidelines**

The Secretary shall establish procedural guidelines and performance standards to facilitate inspections of dwelling units and conform such inspections with practices utilized in the private housing market. Such guidelines and standards shall take into consideration variations in local laws and practices of public housing agencies and shall provide flexibility to authorities appropriate to facilitate efficient provision of assistance under this subsection.

**(9) Vacated units**

If an assisted family vacates a dwelling unit for which rental assistance is provided under a housing assistance payment contract before the expiration of the term of the lease for the unit, rental assistance pursuant to such contract may not be provided for the unit after the month during which the unit was vacated.

**(10) Rent**

**(A) Reasonableness**

The rent for dwelling units for which a housing assistance payment contract is established under this subsection shall be reasonable in comparison with rents charged for comparable dwelling units in the private, unassisted local market.

**(B) Negotiations**

A public housing agency (or other entity, as provided in paragraph (11)) shall, at the request of a family receiving tenant-based assistance under this subsection, assist that family in negotiating a reasonable rent with a dwelling unit owner. A public housing agency (or such other entity) shall review the rent for a unit under consideration by the family (and all rent increases for units under lease by the family) to determine whether the rent (or rent increase) requested by the owner is reasonable. If a public hous-

ing agency (or other such entity) determines that the rent (or rent increase) for a dwelling unit is not reasonable, the public housing agency (or other such entity) shall not make housing assistance payments to the owner under this subsection with respect to that unit.

**(C) Units exempt from local rent control**

If a dwelling unit for which a housing assistance payment contract is established under this subsection is exempt from local rent control provisions during the term of that contract, the rent for that unit shall be reasonable in comparison with other units in the market area that are exempt from local rent control provisions.

**(D) Timely payments**

Each public housing agency shall make timely payment of any amounts due to a dwelling unit owner under this subsection. The housing assistance payment contract between the owner and the public housing agency may provide for penalties for the late payment of amounts due under the contract, which shall be imposed on the public housing agency in accordance with generally accepted practices in the local housing market.

**(E) Penalties**

Unless otherwise authorized by the Secretary, each public housing agency shall pay any penalties from administrative fees collected by the public housing agency, except that no penalty shall be imposed if the late payment is due to factors that the Secretary determines are beyond the control of the public housing agency.

**(F) Tax credit projects**

In the case of a dwelling unit receiving tax credits pursuant to section 42 of title 26 or for which assistance is provided under subtitle A of title II of the Cranston Gonzalez<sup>5</sup> National Affordable Housing Act of 1990 [42 U.S.C. 12741 et seq.], for which a housing assistance contract not subject to paragraph (13) of this subsection is established, rent reasonableness shall be determined as otherwise provided by this paragraph, except that—

(i) comparison with rent for units in the private, unassisted local market shall not be required if the rent is equal to or less than the rent for other comparable units receiving such tax credits or assistance in the project that are not occupied by families assisted with tenant-based assistance under this subsection; and

(ii) the rent shall not be considered reasonable for purposes of this paragraph if it exceeds the greater of—

(I) the rents charged for other comparable units receiving such tax credits or assistance in the project that are not occupied by families assisted with tenant-based assistance under this subsection; and

<sup>5</sup> So in original. Probably should be "Cranston-Gonzalez".

(II) the payment standard established by the public housing agency for a unit of the size involved.

**(11) Leasing of units owned by PHA**

**(A) Inspections and rent determinations**

If an eligible family assisted under this subsection leases a dwelling unit (other than a public housing dwelling unit) that is owned by a public housing agency administering assistance under this subsection, the Secretary shall require the unit of general local government or another entity approved by the Secretary, to make inspections required under paragraph (8) and rent determinations required under paragraph (10). The agency shall be responsible for any expenses of such inspections and determinations.

**(B) Units owned by PHA**

For purposes of this subsection, the term "owned by a public housing agency" means, with respect to a dwelling unit, that the dwelling unit is in a project that is owned by such agency, by an entity wholly controlled by such agency, or by a limited liability company or limited partnership in which such agency (or an entity wholly controlled by such agency) holds a controlling interest in the managing member or general partner. A dwelling unit shall not be deemed to be owned by a public housing agency for purposes of this subsection because the agency holds a fee interest as ground lessor in the property on which the unit is situated, holds a security interest under a mortgage or deed of trust on the unit, or holds a non-controlling interest in an entity which owns the unit or in the managing member or general partner of an entity which owns the unit.

**(12) Assistance for rental of manufactured housing**

**(A) In general**

A public housing agency may make assistance payments in accordance with this subsection on behalf of a family that utilizes a manufactured home as a principal place of residence and rents the real property on which the manufactured home owned by any such family is located.

**(B) Rent calculation**

**(i) Charges included**

For assistance pursuant to this paragraph, rent shall mean the sum of the monthly payments made by a family assisted under this paragraph to amortize the cost of purchasing the manufactured home, including any required insurance and property taxes, the monthly amount allowed for tenant-paid utilities, and the monthly rent charged for the real property on which the manufactured home is located, including monthly management and maintenance charges.

**(ii) Monthly assistance payment**

The monthly assistance payment for a family assisted under this paragraph shall be determined in accordance with paragraph (2). If the amount of the monthly as-

sistance payment for a family exceeds the monthly rent charged for the real property on which the manufactured home is located, including monthly management and maintenance charges, a public housing agency may pay the remainder to the family, lender or utility company, or may choose to make a single payment to the family for the entire monthly assistance amount.

**(13) PHA project-based assistance**

**(A) In general**

A public housing agency may use amounts provided under an annual contributions contract under this subsection to enter into a housing assistance payment contract with respect to an existing, newly constructed, or rehabilitated project, that is attached to the project, subject to the limitations and requirements of this paragraph.

**(B) Percentage limitation**

**(i) In general**

Subject to clause (ii), a public housing agency may use for project-based assistance under this paragraph not more than 20 percent of the authorized units for the agency.

**(ii) Exception**

A public housing agency may use up to an additional 10 percent of the authorized units for the agency for project-based assistance under this paragraph, to provide units that house individuals and families that meet the definition of homeless under section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302), that house families with veterans, that provide supportive housing to persons with disabilities or elderly persons, that house eligible youths receiving assistance pursuant to subsection (x)(2)(B), or that are located in areas where vouchers under this subsection are difficult to use, as specified in subparagraph (D)(ii)(II). Any units of project-based assistance that are attached to units previously subject to federally required rent restrictions or receiving another type of long-term housing subsidy provided by the Secretary shall not count toward the percentage limitation under clause (i) of this subparagraph. The Secretary may, by regulation, establish additional categories for the exception under this clause.

**(C) Consistency with PHA plan and other goals**

A public housing agency may approve a housing assistance payment contract pursuant to this paragraph only if the contract is consistent with—

(i) the public housing agency plan for the agency approved under section 1437c-1 of this title; and

(ii) the goal of deconcentrating poverty and expanding housing and economic opportunities.

**(D) Income-mixing requirement****(i) In general**

Except as provided in clause (ii), not more than the greater of 25 dwelling units or 25 percent of the dwelling units in any project may be assisted under a housing assistance payment contract for project-based assistance pursuant to this paragraph. For purposes of this subparagraph, the term “project” means a single building, multiple contiguous buildings, or multiple buildings on contiguous parcels of land.

**(ii) Exceptions****(I) Certain families**

The limitation under clause (i) shall not apply to dwelling units assisted under a contract that are exclusively made available to elderly families, to eligible youths receiving assistance pursuant to subsection (x)(2)(B), or to households eligible for supportive services that are made available to the assisted residents of the project, according to standards for such services the Secretary may establish.

**(II) Certain areas**

With respect to areas in which tenant-based vouchers for assistance under this subsection are difficult to use, as determined by the Secretary, and with respect to census tracts with a poverty rate of 20 percent or less, clause (i) shall be applied by substituting “40 percent” for “25 percent”, and the Secretary may, by regulation, establish additional conditions.

**(III) Certain contracts**

The limitation under clause (i) shall not apply with respect to contracts or renewal of contracts under which a greater percentage of the dwelling units in a project were assisted under a housing assistance payment contract for project-based assistance pursuant to this paragraph on July 29, 2016.

**(IV) Certain properties**

Any units of project-based assistance under this paragraph that are attached to units previously subject to federally required rent restrictions or receiving other project-based assistance provided by the Secretary shall not count toward the percentage limitation imposed by this subparagraph (D).

**(iii) Additional monitoring and oversight requirements**

The Secretary may establish additional requirements for monitoring and oversight of projects in which more than 40 percent of the dwelling units are assisted under a housing assistance payment contract for project-based assistance pursuant to this paragraph.

**(E) Resident choice requirement**

A housing assistance payment contract pursuant to this paragraph shall provide as follows:

**(i) Mobility**

Each low-income family occupying a dwelling unit assisted under the contract may move from the housing at any time after the family has occupied the dwelling unit for 12 months.

**(ii) Continued assistance**

Upon such a move, the public housing agency shall provide the low-income family with tenant-based rental assistance under this section or such other tenant-based rental assistance that is subject to comparable income, assistance, rent contribution, affordability, and other requirements, as the Secretary shall provide by regulation. If such rental assistance is not immediately available to fulfill the requirement under the preceding sentence with respect to a low-income family, such requirement may be met by providing the family priority to receive the next voucher or other tenant-based rental assistance amounts that become available under the program used to fulfill such requirement.

**(F) Contract term****(i) Term**

A housing assistance payment contract pursuant to this paragraph between a public housing agency and the owner of a project may have a term of up to 20 years, subject to—

(I) the availability of sufficient appropriated funds for the purpose of renewing expiring contracts for assistance payments, as provided in appropriation Acts and in the agency’s annual contributions contract with the Secretary, provided that in the event of insufficient appropriated funds, payments due under contracts under this paragraph shall take priority if other cost-saving measures that do not require the termination of an existing contract are available to the agency; and

(II) compliance with the inspection requirements under paragraph (8), except that the agency shall not be required to make biennial inspections of each assisted unit in the development.

**(ii) Addition of eligible units**

Subject to the limitations of subparagraphs (B) and (D), the agency and the owner may add eligible units within the same project to a housing assistance payments contract at any time during the term thereof without being subject to any additional competitive selection procedures.

**(iii) Housing under construction or recently constructed**

An agency may enter into a housing assistance payments contract with an owner for any unit that does not qualify as existing housing and is under construction or recently has been constructed whether or not the agency has executed an agreement to enter into a contract with the owner, provided that the owner demonstrates

compliance with applicable requirements prior to execution of the housing assistance payments contract. This clause shall not subject a housing assistance payments contract for existing housing under this paragraph to such requirements or otherwise limit the extent to which a unit may be assisted as existing housing.

**(iv) Additional conditions**

The contract may specify additional conditions, including with respect to continuation, termination, or expiration, and shall specify that upon termination or expiration of the contract without extension, each assisted family may elect to use its assistance under this subsection to remain in the same project if its unit complies with the inspection requirements under paragraph (8), the rent for the unit is reasonable as required by paragraph (10)(A), and the family pays its required share of the rent and the amount, if any, by which the unit rent (including the amount allowed for tenant-based utilities) exceeds the applicable payment standard.

**(G) Extension of contract term**

A public housing agency may enter into a contract with the owner of a project assisted under a housing assistance payment contract pursuant to this paragraph to extend the term of the underlying housing assistance payment contract for such period as the agency determines to be appropriate to achieve long-term affordability of the housing or to expand housing opportunities. Such contract may, at the election of the public housing agency and the owner of the project, specify that such contract shall be extended for renewal terms of up to 20 years each, if the agency makes the determination required by this subparagraph and the owner is in compliance with the terms of the contract. Such a contract shall provide that the extension of such term shall be contingent upon the future availability of appropriated funds for the purpose of renewing expiring contracts for assistance payments, as provided in appropriations Acts, and may obligate the owner to have such extensions of the underlying housing assistance payment contract accepted by the owner and the successors in interest of the owner. A public housing agency may agree to enter into such a contract at the time it enters into the initial agreement for a housing assistance payment contract or at any time thereafter that is before the expiration of the housing assistance payment contract.

**(H) Rent calculation**

A housing assistance payment contract pursuant to this paragraph shall establish rents for each unit assisted in an amount that does not exceed 110 percent of the applicable fair market rental (or any exception payment standard approved by the Secretary pursuant to paragraph (1)(D)), except that if a contract covers a dwelling unit that has been allocated low-income housing tax credits pursuant to section 42 of title 26 and is

not located in a qualified census tract (as such term is defined in subsection (d) of such section 42), the rent for such unit may be established at any level that does not exceed the rent charged for comparable units in the building that also receive the low-income housing tax credit but do not have additional rental assistance, except that in the case of a contract unit that has been allocated low-income housing tax credits and for which the rent limitation pursuant to such section 42 is less than the amount that would otherwise be permitted under this subparagraph, the rent for such unit may, in the sole discretion of a public housing agency, be established at the higher section 8 [42 U.S.C. 1437f] rent, subject only to paragraph (10)(A). The rents established by housing assistance payment contracts pursuant to this paragraph may vary from the payment standards established by the public housing agency pursuant to paragraph (1)(B), but shall be subject to paragraph (10)(A).

**(I) Rent adjustments**

A housing assistance payments contract pursuant to this paragraph entered into after July 29, 2016, shall provide for annual rent adjustments upon the request of the owner, except that—

(i) by agreement of the parties, a contract may allow a public housing agency to adjust the rent for covered units using an operating cost adjustment factor established by the Secretary pursuant to section 524(c) of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (which shall not result in a negative adjustment), in which case the contract may require an additional adjustment, if requested, up to the reasonable rent periodically during the term of the contract, and shall require such an adjustment, if requested, upon extension pursuant to subparagraph (G);

(ii) the adjusted rent shall not exceed the maximum rent permitted under subparagraph (H);

(iii) the contract may provide that the maximum rent permitted for a dwelling unit shall not be less than the initial rent for the dwelling unit under the initial housing assistance payments contract covering the units; and

(iv) the provisions of subsection (c)(2)(C) shall not apply.

**(J) Tenant selection**

A public housing agency may select families to receive project-based assistance pursuant to this paragraph from its waiting list for assistance under this subsection or may permit owners to select applicants from site-based waiting lists as specified in this subparagraph. Eligibility for such project-based assistance shall be subject to the provisions of section 1437n(b) of this title that apply to tenant-based assistance. The agency or owner may establish preferences or criteria for selection for a unit assisted under this paragraph that are consistent with the public housing agency plan for the agency ap-

proved under section 1437c-1 of this title and that give preference to families who qualify for voluntary services, including disability-specific services, offered in conjunction with assisted units. Any family that rejects an offer of project-based assistance under this paragraph or that is rejected for admission to a project by the owner or manager of a project assisted under this paragraph shall retain its place on the waiting list as if the offer had not been made. A public housing agency may establish and utilize procedures for owner-maintained site-based waiting lists, under which applicants may apply at, or otherwise designate to the public housing agency, the project or projects in which they seek to reside, except that all eligible applicants on the waiting list of an agency for assistance under this subsection shall be permitted to place their names on such separate list, subject to policies and procedures established by the Secretary. All such procedures shall comply with title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.], the Fair Housing Act [42 U.S.C. 3601 et seq.], section 794 of title 29, and other applicable civil rights laws. **(D) Termination of vouchers upon turn-over**

A public housing agency shall not reissue any such assistance made available from appropriated funds when assistance for the youth initially assisted is terminated, unless specifically authorized by the Secretary.

**(E) Reports****(i) In general**

The Secretary shall require each public housing agency that provides such assistance under this subsection in any fiscal year to submit a report to the Secretary for such fiscal year that—

(I) specifies the number of persons on whose behalf such assistance under this subsection was provided during such fiscal year;

(II) specifies the number of persons who applied during such fiscal year for such assistance under this subsection, but were not provided such assistance, and provides a brief identification in each instance of the reason why the public housing agency was unable to award such assistance; and

(III) describes how the public housing agency communicated or collaborated with public child welfare agencies to collect such data.

**(ii) Information collections**

The Secretary shall, to the greatest extent possible, utilize existing information collections, including the voucher management system (VMS), the Inventory Management System/PIH Information Center (IMS/PIC), or the successors of those systems, to collect information required under this subparagraph.

**(F) Consultation**

The Secretary shall consult with the Secretary of Health and Human Services to provide such information and guidance to the Secretary of Health and Human Services as may be necessary to facilitate such Secretary in informing States and public child welfare agencies on how to correctly and efficiently implement and comply with the requirements of this subsection relating to as-

sistance provided pursuant to paragraph (2)(B).

**(6) Definitions**

For purposes of this subsection:

**(A) Applicant**

The term “applicant” means a public housing agency or any other agency responsible for administering assistance under this section.

**(B) Public child welfare agency**

**(y) Homeownership option****(1) Use of assistance for homeownership**

A public housing agency providing tenant-based assistance on behalf of an eligible family under this section may provide assistance for an eligible family that purchases a dwelling unit (including a unit under a lease-purchase agreement) that will be owned by 1 or more members of the family, and will be occupied by the family, if the family—

(A) is a first-time homeowner, or owns or is acquiring shares in a cooperative;

(B) demonstrates that the family has income from employment or other sources (other than public assistance, except that the Secretary may provide for the consideration of public assistance in the case of an elderly family or a disabled family), as determined in accordance with requirements of the Secretary, that is not less than twice the payment standard established by the public housing agency (or such other amount as may be established by the Secretary);

(C) except as provided by the Secretary, demonstrates at the time the family initially receives tenant-based assistance under this subsection that one or more adult members of the family have achieved employment for the period as the Secretary shall require;

(D) participates in a homeownership and housing counseling program provided by the agency; and

(E) meets any other initial or continuing requirements established by the public housing agency in accordance with requirements established by the Secretary.

**(2) Determination of amount of assistance****(A) Monthly expenses not exceeding payment standard**

If the monthly homeownership expenses, as determined in accordance with requirements established by the Secretary, do not exceed the payment standard, the monthly assistance payment shall be the amount by which the homeownership expenses exceed the highest of the following amounts, rounded to the nearest dollar:

(i) 30 percent of the monthly adjusted income of the family.

(ii) 10 percent of the monthly income of the family.

(iii) If the family is receiving payments for welfare assistance from a public agency, and a portion of those payments, adjusted in accordance with the actual housing costs of the family, is specifically designated by that agency to meet the housing costs of the family, the portion of those payments that is so designated.

**(B) Monthly expenses exceed payment standard**

If the monthly homeownership expenses, as determined in accordance with requirements established by the Secretary, exceed the payment standard, the monthly assistance payment shall be the amount by which the applicable payment standard exceeds the highest of the amounts under clauses (i), (ii), and (iii) of subparagraph (A).

**(3) Inspections and contract conditions**

**(A) In general**

Each contract for the purchase of a unit to be assisted under this section shall—

- (i) provide for pre-purchase inspection of the unit by an independent professional; and

**(B) Annual inspections not required**

The requirement under subsection (o)(8)(A)(ii)<sup>6</sup> for annual inspections shall not apply to units assisted under this section.

**(4) Other authority of the Secretary**

The Secretary may—

- (A) limit the term of assistance for a family assisted under this subsection; and
- (B) modify the requirements of this subsection as the Secretary determines to be necessary to make appropriate adaptations for lease-purchase agreements.

**(5) Inapplicability of certain provisions**

Assistance under this subsection shall not be subject to the requirements of the following provisions:

- (A) Subsection (c)(3)(B)<sup>6</sup> of this section.
- (B) Subsection (d)(1)(B)(i) of this section.
- (C) Any other provisions of this section governing maximum amounts payable to owners and amounts payable by assisted families.
- (D) Any other provisions of this section concerning contracts between public housing agencies and owners.
- (E) Any other provisions of this chapter that are inconsistent with the provisions of this subsection.

**(6) Reversion to rental status**

**(A) FHA-insured mortgages**

If a family receiving assistance under this subsection for occupancy of a dwelling defaults under a mortgage for the dwelling insured by the Secretary under the National Housing Act [12 U.S.C. 1701 et seq.], the family may not continue to receive rental assistance under this section unless the family

(i) transfers to the Secretary marketable title to the dwelling, (ii) moves from the dwelling within the period established or approved by the Secretary, and (iii) agrees that any amounts the family is required to pay to reimburse the escrow account under section 1437u(d)(3)<sup>6</sup> of this title may be deducted by the public housing agency from the assistance payment otherwise payable on behalf of the family.

**(B) Other mortgages**

If a family receiving assistance under this subsection defaults under a mortgage not insured under the National Housing Act [12 U.S.C. 1701 et seq.], the family may not continue to receive rental assistance under this section unless it complies with requirements established by the Secretary.

**(C) All mortgages**

A family receiving assistance under this subsection that defaults under a mortgage may not receive assistance under this subsection for occupancy of another dwelling owned by one or more members of the family.

**(7) Downpayment assistance**

**(A) Authority**

A public housing agency may, in lieu of providing monthly assistance payments under this subsection on behalf of a family eligible for such assistance and at the discretion of the public housing agency, provide assistance for the family in the form of a single grant to be used only as a contribution toward the downpayment required in connection with the purchase of a dwelling for fiscal year 2000 and each fiscal year thereafter to the extent provided in advance in appropriations Acts.

**(B) Amount**

The amount of a downpayment grant on behalf of an assisted family may not exceed the amount that is equal to the sum of the assistance payments that would be made during the first year of assistance on behalf of the family, based upon the income of the family at the time the grant is to be made.

**(8) “First-time homeowner” defined**

For purposes of this subsection, the term “first-time homeowner” means—

- (A) a family, no member of which has had a present ownership interest in a principal residence during the 3 years preceding the date on which the family initially receives assistance for homeownership under this subsection; and
- (B) any other family, as the Secretary may prescribe.

**(z) Termination of section 1437f contracts and reuse of recaptured budget authority**

**(1) General authority**

The Secretary may reuse any budget authority, in whole or part, that is recaptured on account of expiration or termination of a housing assistance payments contract only for one or more of the following:

**(A) Tenant-based assistance**

Pursuant to a contract with a public housing agency, to provide tenant-based assistance under this section to families occupying units formerly assisted under the terminated contract.

**(B) Project-based assistance**

Pursuant to a contract with an owner, to attach assistance to one or more structures under this section, for relocation of families occupying units formerly assisted under the terminated contract.

**(2) Families occupying units formerly assisted under terminated contract**

Pursuant to paragraph (1), the Secretary shall first make available tenant- or project-based assistance to families occupying units formerly assisted under the terminated contract. The Secretary shall provide project-based assistance in instances only where the use of tenant-based assistance is determined to be infeasible by the Secretary.

**(aa) Omitted****(bb) Transfer, reuse, and rescission of budget authority****(1) Transfer of budget authority**

If an assistance contract under this section, other than a contract for tenant-based assistance, is terminated or is not renewed, or if the contract expires, the Secretary shall, in order to provide continued assistance to eligible families, including eligible families receiving the benefit of the project-based assistance at the time of the termination, transfer any budget authority remaining in the contract to another contract. The transfer shall be under such terms as the Secretary may prescribe.

**(2) Reuse and rescission of certain recaptured budget authority**

Notwithstanding paragraph (1), if a project-based assistance contract for an eligible multifamily housing project subject to actions authorized under this subchapter is terminated or amended as part of restructuring under section 517 of the Multifamily Assisted Housing Reform and Affordability Act of 1997, the Secretary shall recapture the budget authority not required for the terminated or amended contract and use such amounts as are necessary to provide housing assistance for the same number of families covered by such contract for the remaining term of such contract, under a contract providing for project-based or tenant-based assistance. The amount of budget authority saved as a result of the shift to project-based or tenant-based assistance shall be rescinded.

**(cc) Law enforcement and security personnel****(1) In general**

Notwithstanding any other provision of this chapter, in the case of assistance attached to a structure, for the purpose of increasing security for the residents of a project, an owner may admit, and assistance under this section may be provided to, police officers and other security personnel who are not otherwise eligible for assistance under the chapter.

**(2) Rent requirements**

With respect to any assistance provided by an owner under this subsection, the Secretary may—

(A) permit the owner to establish such rent requirements and other terms and conditions of occupancy that the Secretary considers to be appropriate; and

(B) require the owner to submit an application for those rent requirements, which application shall include such information as the Secretary, in the discretion of the Secretary, determines to be necessary.

**(3) Applicability**

This subsection shall apply to fiscal year 1999 and fiscal years thereafter.

**(dd) Tenant-based contract renewals**

Subject to amounts provided in appropriation Acts, starting in fiscal year 1999, the Secretary shall renew all expiring tenant-based annual contribution contracts under this section by applying an inflation factor based on local or regional factors to an allocation baseline. The allocation baseline shall be calculated by including, at a minimum, amounts sufficient to ensure continued assistance for the actual number of families assisted as of October 1, 1997, with appropriate upward adjustments for incremental assistance and additional families authorized subsequent to that date.

A public housing agency may provide for circumstances in which families who do not qualify for any preference established in the preceding sentence are provided assistance under this subsection before families who do qualify for such

preference, except that not more than 10 percent (or such higher percentage determined by the Secretary to be necessary to ensure that public housing agencies can assist families in accordance with subsection (u)(2) of this section or determined by the Secretary to be appropriate for other good cause) of the families who initially receive assistance in any 1-year period (or such shorter period selected by the public housing agency before the beginning of its first full year subject to this sentence) may be families who do not qualify for such preference. Any individual or family evicted from housing assisted under the chapter by reason of drug-related criminal activity (as defined in subsection (f)(5) of this section) shall not be eligible for a preference under any provision of this subparagraph for 3 years unless the evicted tenant successfully completes a rehabilitation program approved by the Secretary (which shall include waiver for any member of a family of an individual prohibited from tenancy under this clause who the agency determines clearly did not participate in and had no knowledge of such criminal activity or when circumstances leading to eviction no longer exist)." See Effective and Termination Dates of 1996 Amendments note below.

"(1) The Secretary shall extend any expiring contract entered into under this section for loan management assistance or execute a new contract for project-based loan management assistance, if the owner agrees to continue providing housing for low-income families during the term of the contract.

"(2)(A) The eligibility of a multifamily residential project for loan management assistance under this section shall be determined without regard to whether the project is subsidized or unsubsidized.

"(B) In allocating loan management assistance under this section, the Secretary may give a priority to any project only on the basis that the project has serious financial problems that are likely to result in a claim on the insurance fund in the near future or the project is eligible to receive incentives under subtitle B of the Low-Income Housing Preservation and Resident Homeownership Act of 1990."

The immediately foregoing sentence shall be effective only during fiscal year 1995. For any unit occupied by the same family at the time of the last annual rental adjustment, where the assistance contract provides for the adjustment of the maximum monthly rent by applying an annual adjustment factor and where the rent for a unit is otherwise eligible for an adjustment based on the full amount of the factor, 0.01 shall be subtracted from the amount of the factor, except that the factor shall not be reduced to less than 1.0. For each fiscal year, the Secretary may not provide assistance pursuant to this paragraph to any project for rehabilitation of more than 100 units. #### “SUBTITLE A—FHA-INSURED MULTIFAMILY HOUSING MORTGAGE AND HOUSING ASSISTANCE RESTRUCTURING

#### “SEC. 511. FINDINGS AND PURPOSES.

“(a) FINDINGS.—Congress finds that—

“(1) there exists throughout the Nation a need for decent, safe, and affordable housing;

“(2) as of the date of enactment of this Act [Oct. 27, 1997], it is estimated that—

“(A) the insured multifamily housing portfolio of the Federal Housing Administration consists of 14,000 rental properties, with an aggregate unpaid principal mortgage balance of \$38,000,000,000; and

“(B) approximately 10,000 of these properties contain housing units that are assisted with project-based rental assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f];

“(3) FHA-insured multifamily rental properties are a major Federal investment, providing affordable rental housing to an estimated 2,000,000 low- and very low-income families;

“(4) approximately 1,600,000 of these families live in dwelling units that are assisted with project-based rental assistance under section 8 of the United States Housing Act of 1937;

“(5) a substantial number of housing units receiving project-based assistance have rents that are higher than the rents of comparable, unassisted rental units in the same housing rental market;

“(6) many of the contracts for project-based assistance will expire during the several years following the date of enactment of this Act;

“(7) it is estimated that—

“(A) if no changes in the terms and conditions of the contracts for project-based assistance are made before fiscal year 2000, the cost of renewing all expiring rental assistance contracts under section 8 of the United States Housing Act of 1937 for both project-based and tenant-based rental assistance will increase from approximately \$3,600,000,000 in fiscal year 1997 to over \$14,300,000,000 by fiscal year 2000 and some \$22,400,000,000 in fiscal year 2006;

“(B) of those renewal amounts, the cost of renewing project-based assistance will increase from \$1,200,000,000 in fiscal year 1997 to almost \$7,400,000,000 by fiscal year 2006; and

“(C) without changes in the manner in which project-based rental assistance is provided, renewals of expiring contracts for project-based rental assistance will require an increasingly larger portion of the discretionary budget authority of the Department of Housing and Urban Development in each subsequent fiscal year for the foreseeable future;

“(8) absent new budget authority for the renewal of expiring rental contracts for project-based assistance, many of the FHA-insured multifamily housing projects that are assisted with project-based assistance are likely to default on their FHA-insured mortgage payments, resulting in substantial claims to the FHA General Insurance Fund and Special Risk Insurance Fund;

“(9) more than 15 percent of federally assisted multifamily housing projects are physically or financially distressed, including a number which suffer from mismanagement;

“(10) due to Federal budget constraints, the downsizing of the Department of Housing and Urban Development, and diminished administrative capacity, the Department lacks the ability to ensure the continued economic and physical well-being of the stock of federally insured and assisted multifamily housing projects;

“(11) the economic, physical, and management problems facing the stock of federally insured and assisted multifamily housing projects will be best served by reforms that—

“(A) reduce the cost of Federal rental assistance, including project-based assistance, to these projects by reducing the debt service and operating costs of these projects while retaining the low-income affordability and availability of this housing;

“(B) address physical and economic distress of this housing and the failure of some project managers and owners of projects to comply with management and ownership rules and requirements; and

“(C) transfer and share many of the loan and contract administration functions and responsibilities of the Secretary to and with capable State, local, and other entities; and

“(12) the authority and duties of the Secretary, not including the control by the Secretary of applicable accounts in the Treasury of the United States, may be delegated to State, local or other entities at the discretion of the Secretary, to the extent the Secretary determines, and for the purpose of carrying out this title [see Short Title of 1997 Amendment

note set out under section 1701 of Title 12, Banks and Banking], so that the Secretary has the discretion to be relieved of processing and approving any document or action required by these reforms.

“(b) PURPOSES.—Consistent with the purposes and requirements of the Government Performance and Results Act of 1993 [Pub. L. 103-62, see Short Title of 1993 Amendment note set out under section 1101 of Title 31, Money and Finance], the purposes of this subtitle are—

“(1) to preserve low-income rental housing affordability and availability while reducing the long-term costs of project-based assistance;

“(2) to reform the design and operation of Federal rental housing assistance programs, administered by the Secretary, to promote greater multifamily housing project operating and cost efficiencies;

“(3) to encourage owners of eligible multifamily housing projects to restructure their FHA-insured mortgages and project-based assistance contracts in a manner that is consistent with this subtitle before the year in which the contract expires;

“(4) to reduce the cost of insurance claims under the National Housing Act [12 U.S.C. 1701 et seq.] related to mortgages insured by the Secretary and used to finance eligible multifamily housing projects;

“(5) to streamline and improve federally insured and assisted multifamily housing project oversight and administration;

“(6) to resolve the problems affecting financially and physically troubled federally insured and assisted multifamily housing projects through cooperation with residents, owners, State and local governments, and other interested entities and individuals;

“(7) to protect the interest of project owners and managers, because they are partners of the Federal Government in meeting the affordable housing needs of the Nation through the section 8 rental housing assistance program;

“(8) to protect the interest of tenants residing in the multifamily housing projects at the time of the restructuring for the housing; and

“(9) to grant additional enforcement tools to use against those who violate agreements and program requirements, in order to ensure that the public interest is safeguarded and that Federal multifamily housing programs serve their intended purposes.

L. 103-233, see Short Title of 1994 Amendment note set out under section 1701 of Title 12, Banks and Banking], or through any other means that the Secretary considers consistent with the purposes of this subtitle, without regard to any set-aside requirement otherwise applicable to those funds.

“(i) the participating administrative entity makes the rent determination within a reasonable period of time; and

“(ii) the market rent determination is based on not less than 2 comparable properties; or

“(B) if those rents cannot be determined, are equal to 90 percent of the fair market rents for the relevant market area.

“(2) EXCEPTIONS.—

“(i) determines that the housing needs of the tenants and the community cannot be adequately addressed through implementation of the rent limitation required to be established through a mortgage restructuring and rental assistance sufficiency plan under paragraph (1); and

“(ii) follows the procedures under paragraph (3).

“(B) EXCEPTION RENTS.—In any fiscal year, a participating administrative entity may approve exception rents on not more than 20 percent of all units covered by the portfolio restructuring agreement with expiring contracts in that fiscal year, except that the Secretary may waive this ceiling upon a finding of special need.

“(E) other expenses determined by the participating administrative entity to be necessary for the operation of the project.

“(h) EXEMPTIONS FROM RESTRUCTURING.—The following categories of projects shall not be covered by a mortgage restructuring and rental assistance sufficiency plan if—

“(1) the primary financing or mortgage insurance for the multifamily housing project that is covered by that expiring contract was provided by a unit of State government or a unit of general local government (or an agency or instrumentality of a unit of a State government or unit of general local govern-

ment) and the financing involves mortgage insurance under the National Housing Act [42 U.S.C. 1701 et seq.], such that the implementation of a mortgage restructuring and rental assistance sufficiency plan under this subtitle is in conflict with applicable law or agreements governing such financing;

“(2) the project is a project financed under section 202 of the Housing Act of 1959 [12 U.S.C. 1701q] or section 515 of the Housing Act of 1949 [42 U.S.C. 1485], or refinanced pursuant to section 811 of the American Homeownership and Economic Opportunity Act of 2000 (12 U.S.C. 1701q note); or

“(a) SECTION 8 RENEWALS OF RESTRUCTURED PROJECTS.—

“(1) PROJECT-BASED ASSISTANCE.—Subject to the availability of amounts provided in advance in appropriations Acts, and to the control of the Secretary of applicable accounts in the Treasury of the United States, with respect to an expiring section 8 contract on an eligible multifamily housing project to be renewed with project-based assistance (based on a determination under subsection (c)), the Secretary shall enter into contracts with participating administrative entities pursuant to which the participating administrative entity shall offer to renew or extend the contract, or the Secretary shall offer to renew such contract, and the owner of the project shall accept the offer, if the initial renewal is in accordance with the terms and conditions specified in the mortgage restructuring and rental assistance sufficiency plan and the rental assistance assessment plan.

“(2) TENANT-BASED ASSISTANCE.—Subject to the availability of amounts provided in advance in appropriations Acts and to the control of the Secretary of applicable accounts in the Treasury of the United States, with respect to an expiring section 8 contract on an eligible multifamily housing project to be renewed with tenant-based assistance (based on a determination under subsection (c)), the Secretary shall enter into contracts with participating administrative entities pursuant to which the participating administrative entity shall provide for the renewal of section 8 assistance on an eligible multifamily housing project with tenant-based assistance, or the Secretary shall provide for such renewal, in accordance with the terms and conditions specified in the mortgage restructuring and rental assistance sufficiency plan and the rental assistance assessment plan.

“(b) REQUIRED COMMITMENT.—After the initial renewal of a section 8 contract pursuant to this section, the owner shall accept each offer made pursuant to subsection (a) to renew the contract, for the term of the affordability and use restrictions required by section 514(e)(6), if the offer to renew is on terms and conditions specified in the mortgage restructuring and rental assistance sufficiency plan.

“(c) DETERMINATION OF WHETHER TO RENEW WITH PROJECT-BASED OR TENANT-BASED ASSISTANCE.—

“(1) MANDATORY RENEWAL OF PROJECT-BASED ASSISTANCE.—Section 8 assistance shall be renewed with project-based assistance, if—

“(A) the project is located in an area in which the participating administrative entity determines, based on housing market indicators, such as low vacancy rates or high absorption rates, that there is not adequate available and affordable housing or that the tenants of the project would not be able to locate suitable units or use the tenant-based assistance successfully;

“(B) a predominant number of the units in the project are occupied by elderly families, disabled families, or elderly and disabled families; or

“(C) the project is held by a nonprofit cooperative ownership housing corporation or nonprofit cooperative housing trust.

“(2) RENTAL ASSISTANCE ASSESSMENT PLAN.—

“(A) IN GENERAL.—With respect to any project that is not described in paragraph (1), the participating administrative entity shall, after consultation with the owner of the project, develop a rental assistance assessment plan to determine whether to renew assistance for the project with tenant-based assistance or project-based assistance.

“(B) RENTAL ASSISTANCE ASSESSMENT PLAN REQUIREMENTS.—Each rental assistance assessment plan developed under this paragraph shall include an assessment of the impact of converting to tenant-based assistance and the impact of extending project-based assistance on—

“(i) the ability of the tenants to find adequate, available, decent, comparable, and affordable housing in the local market;

“(ii) the types of tenants residing in the project (such as elderly families, disabled families, large families, and cooperative homeowners);

“(iii) the local housing needs identified in the comprehensive housing affordability strategy, and local market vacancy trends;

“(iv) the cost of providing assistance, comparing the applicable payment standard to the project’s adjusted rent levels determined under section 514(g);

“(v) the long-term financial stability of the project;

“(vi) the ability of residents to make reasonable choices about their individual living situations;

“(vii) the quality of the neighborhood in which the tenants would reside; and

“(viii) the project’s ability to compete in the marketplace.

“(C) REPORTS TO DIRECTOR.—Each participating administrative entity shall report regularly to the Director as defined in subtitle D, as the Director shall require, identifying—

“(i) each eligible multifamily housing project for which the entity has developed a rental assistance assessment plan under this paragraph that determined that the tenants of the project generally supported renewal of assistance with tenant-based assistance, but under which assistance for the project was renewed with project-based assistance; and

“(ii) each project for which the entity has developed such a plan under which the assistance is renewed using tenant-based assistance.

“(3) ELIGIBILITY FOR TENANT-BASED ASSISTANCE.—Subject to paragraph (4), with respect to any project that is not described in paragraph (1), if a participating administrative entity approves the use of tenant-based assistance based on a rental assistance assessment plan developed under paragraph (2), tenant-based assistance shall be provided to each assisted family (other than a family already receiving tenant-based assistance) residing in the project at the time the assistance described in section 512(2)(B) terminates.

“(4) ASSISTANCE THROUGH ENHANCED VOUCHERS.—In the case of any family described in paragraph (3) that resides in a project described in section 512(2)(B), the tenant-based assistance provided shall be enhanced voucher assistance under section 8(t) of the United States Housing Act of 1937 (42 U.S.C. 1437f(t)).

“(5) INAPPLICABILITY OF CERTAIN PROVISION.—If a participating administrative entity approves renewal with project-based assistance under this subsection, section 8(d)(2) of the United States Housing Act of 1937 shall not apply.

“(d) RENT ADJUSTMENTS AND SUBSEQUENT RENEWALS.—After the initial renewal of a section 8 contract pursuant to this section and notwithstanding any other provision of law or contract regarding the adjustment of rents or subsequent renewal of such contract for a

project, including such a provision in section 514 or this section, in the case of a project subject to any restrictions imposed pursuant to sections 514 or this section, the Secretary may, not more often than once every 10 years, adjust such rents or renew such contracts at rent levels that are equal to the lesser of budget-based rents or comparable market rents for the market area upon the request of an owner or purchaser who—

“(1) demonstrates that—

“(A) project income is insufficient to operate and maintain the project, and no rehabilitation is currently needed, as determined by the Secretary; or

“(B) the rent adjustment or renewal contract is necessary to support commercially reasonable financing (including any required debt service coverage and replacement reserve) for rehabilitation necessary to ensure the long-term sustainability of the project, as determined by the Secretary, and in the event the owner or purchaser fails to implement the rehabilitation as required by the Secretary, the Secretary may take such action against the owner or purchaser as allowed by law; and

“(2) agrees to—

“(A) extend the affordability and use restrictions required under [section] 514(e)(6) for an additional twenty years; and

“(B) enter into a binding commitment to continue to renew such contract for and during such extended term, provided that after the affordability and use restrictions required under [section] 514(e)(6) have been maintained for a term of 30 years:

“(i) an owner with a contract for which rent levels were set at the time of its initial renewal under section 514(g)(2) shall request that the Secretary renew such contract under section 524 for and during such extended term; and

“(ii) an owner with a contract for which rent levels were set at the time of its initial renewal under section 514(g)(1) may request that the Secretary renew such contract under section 524 for and during such extended term.

“SEC. 516. PROHIBITION ON RESTRUCTURING.

“(a) PROHIBITION ON RESTRUCTURING.—The Secretary may elect not to consider any mortgage restructuring and rental assistance sufficiency plan or request for contract renewal if the Secretary or the participating administrative entity determines that—

“(1)(A) the owner or purchaser of the project has engaged in material adverse financial or managerial actions or omissions with regard to such project; or

“(B) the owner or purchaser of the project has engaged in material adverse financial or managerial actions or omissions with regard to other projects of such owner or purchaser that are federally assisted or financed with a loan from, or mortgage insured or guaranteed by, an agency of the Federal Government;

“(2) material adverse financial or managerial actions or omissions include—

“(A) materially violating any Federal, State, or local law or regulation with regard to this project or any other federally assisted project, after receipt of notice and an opportunity to cure;

“(B) materially breaching a contract for assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f], after receipt of notice and an opportunity to cure;

“(C) materially violating any applicable regulatory or other agreement with the Secretary or a participating administrative entity, after receipt of notice and an opportunity to cure;

“(D) repeatedly and materially violating any Federal, State, or local law or regulation with regard to the project or any other federally assisted project;

“(E) repeatedly and materially breaching a contract for assistance under section 8 of the United States Housing Act of 1937;

“(F) repeatedly and materially violating any applicable regulatory or other agreement with the Secretary or a participating administrative entity;

“(G) repeatedly failing to make mortgage payments at times when project income was sufficient to maintain and operate the property;

“(H) materially failing to maintain the property according to housing quality standards after receipt of notice and a reasonable opportunity to cure; or

“(I) committing any actions or omissions that would warrant suspension or debarment by the Secretary;

“(3) the owner or purchaser of the property materially failed to follow the procedures and requirements of this subtitle, after receipt of notice and an opportunity to cure; or

“(4) the poor condition of the project cannot be remedied in a cost effective manner, as determined by the participating administrative entity.

The term ‘owner’ as used in this subsection, in addition to it having the same meaning as in section 8(f) of the United States Housing Act of 1937, also means an affiliate of the owner. The term ‘purchaser’ as used in this subsection means any private person or entity, including a cooperative, an agency of the Federal Government, or a public housing agency, that, upon purchase of the project, would have the legal right to lease or sublease dwelling units in the project, and also means an affiliate of the purchaser. The terms ‘affiliate of the owner’ and ‘affiliate of the purchaser’ means any person or entity (including, but not limited to, a general partner or managing member, or an officer of either) that controls an owner or purchaser, is controlled by an owner or purchaser, or is under common control with the owner or purchaser. The term ‘control’ means the direct or indirect power (under contract, equity ownership, the right to vote or determine a vote, or otherwise) to direct the financial, legal, beneficial or other interests of the owner or purchaser.

“(b) OPPORTUNITY TO DISPUTE FINDINGS.—

“(1) IN GENERAL.—During the 30-day period beginning on the date on which the owner or purchaser of an eligible multifamily housing project receives notice of a rejection under subsection (a) or of a mortgage restructuring and rental assistance sufficiency plan under section 514, the Secretary or participating administrative entity shall provide that owner or purchaser with an opportunity to dispute the basis for the rejection and an opportunity to cure.

“(2) AFFIRMATION, MODIFICATION, OR REVERSAL.—

“(A) IN GENERAL.—After providing an opportunity to dispute under paragraph (1), the Secretary or the participating administrative entity may affirm, modify, or reverse any rejection under subsection (a) or rejection of a mortgage restructuring and rental assistance sufficiency plan under section 514.

“(B) REASONS FOR DECISION.—The Secretary or the participating administrative entity, as applicable, shall identify the reasons for any final decision under this paragraph.

“(C) REVIEW PROCESS.—The Secretary shall establish an administrative review process to appeal any final decision under this paragraph.

“(c) FINAL DETERMINATION.—Any final determination under this section shall not be subject to judicial review.

“(d) DISPLACED TENANTS.—

“(1) NOTICE TO CERTAIN RESIDENTS.—The Office shall notify any tenant that is residing in a project or receiving assistance under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f) at the time of rejection under this section, of such rejection, except that the Office may delegate the responsibility to provide notice under this paragraph to the participating administrative entity.

“(2) ASSISTANCE AND MOVING EXPENSES.—Subject to the availability of amounts provided in advance in appropriations Acts, for any low-income tenant that is residing in a project or receiving assistance under section 8 of the United States Housing Act of 1937 at the time of rejection under this section, that tenant shall be provided with tenant-based assistance and

reasonable moving expenses, as determined by the Secretary.

“(e) TRANSFER OF PROPERTY.—For properties disqualified from the consideration of a mortgage restructuring and rental assistance sufficiency plan under this section in accordance with paragraph (1) or (2) of subsection (a) because of actions by an owner or purchaser, the Secretary shall establish procedures to facilitate the voluntary sale or transfer of a property as part of a mortgage restructuring and rental assistance sufficiency plan, with a preference for tenant organizations and tenant-endorsed community-based nonprofit and public agency purchasers meeting such reasonable qualifications as may be established by the Secretary.

“SEC. 517. RESTRUCTURING TOOLS.

“(a) MORTGAGE RESTRUCTURING.—

“(1) In this subtitle, an approved mortgage restructuring and rental assistance sufficiency plan shall include restructuring mortgages in accordance with this subsection to provide—

“(A) a restructured or new first mortgage that is sustainable at rents at levels that are established in section 514(g); and

“(B) a second mortgage that is in an amount equal to not more than the greater of—

“(i) the full or partial payment of claim made under this subtitle; or

“(ii) the difference between the restructured or new first mortgage and the indebtedness under the existing insured mortgage immediately before it is restructured or refinanced, provided that the amount of the second mortgage shall be in an amount that the Secretary or participating administrative entity determines can reasonably be expected to be repaid.

“(2) The second mortgage shall bear interest at a rate not to exceed the applicable Federal rate as defined in section 1274(d) of the Internal Revenue Code of 1986 [26 U.S.C. 1274(d)]. The term of the second mortgage shall be equal to the term of the restructured or new first mortgage.

“(3) Payments on the second mortgage shall be deferred when the first mortgage remains outstanding, except to the extent there is excess project income remaining after payment of all reasonable and necessary operating expenses (including deposits in a reserve for replacement), debt service on the first mortgage, and any other expenditures approved by the Secretary. At least 75 percent of any excess project income shall be applied to payments on the second mortgage, and the Secretary or the participating administrative entity may permit up to 25 percent to be paid to the project owner if the Secretary or participating administrative entity determines that the project owner meets benchmarks for management and housing quality.

“(4) The full amount of the second mortgage shall be immediately due and payable if—

“(A) the first mortgage is terminated or paid in full, except as otherwise provided by the holder of the second mortgage;

“(B) the project is purchased and the second mortgage is assumed by any subsequent purchaser in violation of guidelines established by the Secretary; or

“(C) the Secretary provides notice to the project owner that such owner has failed to materially comply with any requirements of this section or the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.] as those requirements apply to the project, with a reasonable opportunity for such owner to cure such failure.

“(5) The Secretary may modify the terms of the second mortgage, assign the second mortgage to the acquiring organization or agency, or forgive all or part of the second mortgage if the Secretary holds the second mortgage and if the project is acquired by a tenant organization or tenant-endorsed community-based nonprofit or public agency, pursuant to guidelines established by the Secretary.

“(6) The second mortgage under this section may be a first mortgage if no restructured or new first mortgage will meet the requirement of paragraph (1)(A).

“(b) RESTRUCTURING TOOLS.—In addition to the requirements of subsection (a) and to the extent these actions are consistent with this section and with the control of the Secretary of applicable accounts in the Treasury of the United States, an approved mortgage restructuring and rental assistance sufficiency plan under this subtitle may include one or more of the following actions:

“(1) FULL OR PARTIAL PAYMENT OF CLAIM.—Making a full payment of claim or partial payment of claim under section 541(b) of the National Housing Act [12 U.S.C. 1735f–19(b)], as amended by section 523(b) of this Act. Any payment under this paragraph shall not require the approval of a mortgagee.

“(2) REFINANCING OF DEBT.—Refinancing of all or part of the debt on a project. If the refinancing involves a mortgage that will continue to be insured under the National Housing Act [12 U.S.C. 1701 et seq.], the refinancing shall be documented through amendment of the existing insurance contract and not through a new insurance contract.

“(3) MORTGAGE INSURANCE.—Providing FHA multifamily mortgage insurance, reinsurance or other credit enhancement alternatives, including multifamily risk-sharing mortgage programs, as provided under section 542 of the Housing and Community Development Act of 1992 [Pub. L. 102–550, 12 U.S.C. 1707 note]. The Secretary shall use risk-shared financing under section 542(c) of the Housing and Community Development Act of 1992 for any mortgage restructuring, rehabilitation financing, or debt refinancing included as part of a mortgage restructuring and rental assistance sufficiency plan if the terms and conditions are considered to be the best available financing in terms of financial savings to the FHA insurance funds and will result in reduced risk of loss to the Federal Government. Any limitations on the number of units available for mortgage insurance under section 542 shall not apply to eligible multifamily housing projects. Any credit subsidy costs of providing mortgage insurance shall be paid from the Liquidating Accounts of the General Insurance Fund or the Special Risk Insurance Fund and shall not be subject to any limitation on appropriations.

“(4) CREDIT ENHANCEMENT.—Providing any additional State or local mortgage credit enhancements and risk-sharing arrangements that may be established with State or local housing finance agencies, the Federal Housing Finance Agency, the Federal National Mortgage Association, and the Federal Home Loan Mortgage Corporation, to a modified or refinanced first mortgage.

“(5) COMPENSATION OF THIRD PARTIES.—Consistent with the portfolio restructuring agreement, entering into agreements, incurring costs, or making payments, including incentive agreements designed to reward superior performance in meeting the purposes of this Act, as may be reasonably necessary, to compensate the participation of participating administrative entities and other parties in undertaking actions authorized by this subtitle. Upon request to the Secretary, participating administrative entities that are qualified under the United States Housing Act of 1937 to serve as contract administrators shall be the contract administrators under section 8 of the United States Housing Act of 1937 [12 U.S.C. 1437f] for purposes of any contracts entered into as part of an approved mortgage restructuring and rental assistance sufficiency plan. Subject to the availability of amounts provided in advance in appropriations Acts for administrative fees under section 8 of the United States Housing Act of 1937, such amounts may be used to compensate participating administrative entities for compliance monitoring costs incurred under section 519.

“(6) USE OF PROJECT ACCOUNTS.—Applying any residual receipts, replacement reserves, and any other

project accounts not required for project operations, to maintain the long-term affordability and physical condition of the property or of other eligible multifamily housing projects. The participating administrative entity may expedite the acquisition of residual receipts, replacement reserves, or other such accounts, by entering into agreements with owners of housing covered by an expiring contract to provide an owner with a share of the receipts, not to exceed 10 percent, in accordance with guidelines established by the Secretary.

“(c) REHABILITATION NEEDS AND ADDITION OF SIGNIFICANT FEATURES.—

“(1) REHABILITATION NEEDS.—

“(2) ADDITION OF SIGNIFICANT FEATURES.—

“(A) AUTHORITY.—An approved mortgage restructuring and rental assistance sufficiency plan may require the improvement of the project by the addition of significant features that are not necessary for rehabilitation to the standard provided under paragraph (1), such as air conditioning, an elevator, and additional community space. The Secretary shall establish guidelines regarding the inclusion of requirements regarding such additional significant features under such plans.

“(B) FUNDING.—Significant features added pursuant to an approved mortgage restructuring and rental assistance sufficiency plan may be paid from the funding sources specified in the first sentence of paragraph (1)(A).

If, before the expiration of such period, the Director has not been appointed, the Secretary shall issue such interim regulations.

“(2) FINAL REGULATIONS.—The Director shall issue final regulations necessary to implement this subtitle and the amendments made by this subtitle with respect to eligible multifamily housing projects covered by contracts described in section 512(2)(B) that expire in fiscal year 1999 or thereafter before the later of: (A) the expiration of the 12-month period beginning upon the date of the enactment of this Act [Oct. 27, 1997]; and (B) the 3-month period beginning upon the appointment of the Director under subtitle D.

“SEC. 524. RENEWAL OF EXPIRING PROJECT-BASED SECTION 8 CONTRACTS.

“(a) IN GENERAL.—

“(1) RENEWAL.—Subject to paragraph (2), upon termination or expiration of a contract for project-based assistance under section 8 for a multifamily housing project (and notwithstanding section 8(v) of the United States Housing Act of 1937 [42 U.S.C. 1437f] for loan management assistance), the Secretary shall, at the request of the owner of the project and to the extent sufficient amounts are made available in appropriation Acts, use amounts available for the renewal of assistance under section 8 of such Act to provide such assistance for the project. The assistance shall be provided under a contract having such terms and conditions as the Secretary considers appropriate, subject to the requirements of this section. This section shall not require contract renewal for a project that is eligible under this subtitle for a mortgage restructuring and rental assistance sufficiency plan, if there is no approved plan for the project and the Secretary determines that such an approved plan is necessary.

“(2) PROHIBITION ON RENEWAL.—Notwithstanding part 24 of title 24 of the Code of Federal Regulations, the Secretary may elect not to renew assistance for a project otherwise required to be renewed under paragraph (1) or provide comparable benefits under paragraph (1) or (2) of subsection (e) for a project described in either such paragraph, if the Secretary determines that a violation under paragraphs (1) through (4) of section 516(a) has occurred with respect to the project. For purposes of such a determination, the provisions of section 516 shall apply to a project under this section in the same manner and to the same extent that the provisions of such section apply to eligible multifamily housing projects, except that the Secretary shall make the determination under section 516(a)(4).

“(3) CONTRACT TERM FOR MARK-UP-TO-MARKET CONTRACTS.—In the case of an expiring or terminating contract that has rent levels less than comparable market rents for the market area, if the rent levels under the renewal contract under this section are equal to comparable market rents for the market area, the contract shall have a term of not less than 5 years, subject to the availability of sufficient amounts in appropriation Acts.

“(4) RENEWAL RENTS.—Except as provided in subsection (b), the contract for assistance shall provide assistance at the following rent levels:

“(A) MARKET RENTS.—At the request of the owner of the project, at rent levels equal to the lesser of comparable market rents for the market area or 150 percent of the fair market rents, in the case only of a project that—

“(i) has rent levels under the expiring or terminating contract that do not exceed such comparable market rents;

“(ii) does not have a low- and moderate-income use restriction that can not be eliminated by unilateral action by the owner;

“(iii) is decent, safe, and sanitary housing, as determined by the Secretary;

“(iv) is not—

“(I) owned by a nonprofit entity;

“(II) subject to a contract for moderate rehabilitation assistance under section 8(e)(2) of the

United States Housing Act of 1937, as in effect before October 1, 1991; or

“(III) a project for which the public housing agency provided voucher assistance to one or more of the tenants after the owner has provided notice of termination of the contract covering the tenant's unit; and

“(v) has units assisted under the contract for which the comparable market rent exceeds 110 percent of the fair market rent.

The Secretary may adjust the percentages of fair market rent (as specified in the matter preceding clause (i) and in clause (v)), but only upon a determination and written notification to the Congress within 10 days of making such determination, that such adjustment is necessary to ensure that this subparagraph covers projects with a high risk of nonrenewal of expiring contracts for project-based assistance.

“(B) REDUCTION TO MARKET RENTS.—In the case of a project that has rent levels under the expiring or terminating contract that exceed comparable market rents for the market area, at rent levels equal to such comparable market rents.

“(C) RENTS NOT EXCEEDING MARKET RENTS.—In the case of a project that is not subject to subparagraph (A) or (B), at rent levels that—

“(i) are not less than the existing rents under the terminated or expiring contract, as adjusted by an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment), if such adjusted rents do not exceed comparable market rents for the market area; and

“(ii) do not exceed comparable market rents for the market area.

In determining the rent level for a contract under this subparagraph, the Secretary shall approve rents sufficient to cover budget-based cost increases and shall give greater consideration to providing rent at a level up to comparable market rents for the market area based on the number of the criteria under clauses (i) through (iii) of subparagraph (D) that the project meets. Notwithstanding any other provision of law, the Secretary shall include in such budget-based cost increases costs relating to the project as a whole (including costs incurred with respect to units not covered by the contract for assistance), but only (I) if inclusion of such costs is requested by the owner or purchaser of the project, (II) if inclusion of such costs will permit capital repairs to the project or acquisition of the project by a nonprofit organization, and (III) to the extent that inclusion of such costs (or a portion thereof) complies with the requirement under clause (ii).

“(D) WAIVER OF 150 PERCENT LIMITATION.—Notwithstanding subparagraph (A), at rent levels up to comparable market rents for the market area, in the case of a project that meets the requirements under clauses (i) through (v) of subparagraph (A) and—

“(i) has residents who are a particularly vulnerable population, as demonstrated by a high percentage of units being rented to elderly families, disabled families, or large families;

“(ii) is located in an area in which tenant-based assistance would be difficult to use, as demonstrated by a low vacancy rate for affordable housing, a high turnback rate for vouchers, or a lack of comparable rental housing; or

“(iii) is a high priority for the local community, as demonstrated by a contribution of State or local funds to the property.

In determining the rent level for a contract under this subparagraph, the Secretary shall approve rents sufficient to cover budget-based cost increases and shall give greater consideration to providing rent at a level up to comparable market rents for the market area based on the number of

the criteria under clauses (i) through (iv) that the project meets.

“(5) COMPARABLE MARKET RENTS AND COMPARISON WITH FAIR MARKET RENTS.—The Secretary shall prescribe the method for determining comparable market rent by comparison with rents charged for comparable properties (as such term is defined in section 512), which may include appropriate adjustments for utility allowances and adjustments to reflect the value of any subsidy (other than section 8 assistance) provided by the Department of Housing and Urban Development.

“(b) EXCEPTION RENTS.—

“(1) RENEWAL.—In the case of a multifamily housing project described in paragraph (2), pursuant to the request of the owner of the project, the contract for assistance for the project pursuant to subsection (a) shall provide assistance at the lesser of the following rent levels:

“(A) ADJUSTED EXISTING RENTS.—The existing rents under the expiring contract, as adjusted by an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment).

“(B) BUDGET-BASED RENTS.—Subject to a determination by the Secretary that a rent level under this subparagraph is appropriate for a project, a rent level that provides income sufficient to support a budget-based rent (including a budget-based rent adjustment if justified by reasonable and expected operating expenses).

“(2) PROJECTS COVERED.—A multifamily housing project described in this paragraph is a multifamily housing project that—

“(A) is not an eligible multifamily housing project under section 512(2); or

“(B) is exempt from mortgage restructuring under this subtitle pursuant to section 514(h).

“(3) MODERATE REHABILITATION PROJECTS.—In the case of a project with a moderate rehabilitation program, other than a moderate rehabilitation contract under [former] section 441 of the McKinney-Vento Homeless Assistance Act [42 U.S.C. 11401], pursuant to the request of the owner of the project, the contract for assistance for the project pursuant to subsection (a) shall provide assistance at the lesser of the following rent levels:

“(A) ADJUSTED EXISTING RENTS.—The existing rents under the expiring contract, as adjusted by an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment).

“(B) FAIR MARKET RENTS.—Fair market rents (less any amounts allowed for tenant-purchased utilities).

“(C) MARKET RENTS.—Comparable market rents for the market area.

“(c) RENT ADJUSTMENTS AFTER RENEWAL OF CONTRACT.—

“(1) REQUIRED.—After the initial renewal of a contract for assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] pursuant to subsection (a), (b)(1), or (e)(2), the Secretary shall annually adjust the rents using an operating cost adjustment factor established by the Secretary (which shall not result in a negative adjustment) or, upon the request of the owner and subject to approval of the Secretary, on a budget basis. In the case of projects with contracts renewed pursuant to subsection (a) or pursuant to subsection (e)(2) at rent levels equal to comparable market rents for the market area, at the expiration of each 5-year period, the Secretary shall compare existing rents with comparable market rents for the market area and may make any adjustments in the rent necessary to maintain the contract rents at a level not greater than comparable market rents or to increase rents to comparable market rents.

“(2) DISCRETIONARY.—In addition to review and adjustment required under paragraph (1), in the case of

projects with contracts renewed pursuant to subsection (a) or pursuant to subsection (e)(2) at rent levels equal to comparable market rents for the market area, the Secretary may, at the discretion of the Secretary but only once within each 5-year period referred to in paragraph (1), conduct a comparison of rents for a project and adjust the rents accordingly to maintain the contract rents at a level not greater than comparable market rents or to increase rents to comparable market rents.

“(d) ENHANCED VOUCHERS UPON CONTRACT EXPIRATION.—

“(1) IN GENERAL.—In the case of a contract for project-based assistance under section 8 for a covered project that is not renewed under subsection (a) or (b) of this section (or any other authority), to the extent that amounts for assistance under this subsection are provided in advance in appropriation Acts, upon the date of the expiration of such contract the Secretary shall make enhanced voucher assistance under section 8(t) of the United States Housing Act of 1937 (42 U.S.C. 1437f(t)) available on behalf of each low-income family who, upon the date of such expiration, is residing in an assisted dwelling unit in the covered project.

“(2) DEFINITIONS.—For purposes of this subsection, the following definitions shall apply:

“(iii) is not housing for which residents are eligible for enhanced voucher assistance as provided, pursuant to the ‘Preserving Existing Housing Investment’ account in the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1997 (Public Law 104-204; 110 Stat. 2884) or any other subsequently enacted provision of law, in lieu of any benefits under section 223 of the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (12 U.S.C. 4113).

“(4) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated for each of fiscal years 2000, 2001, 2002, 2003, and 2004 such sums as may be necessary for enhanced voucher assistance under this subsection.

“(e) CONTRACTUAL COMMITMENTS UNDER PRESERVATION LAWS.—Except as provided in subsection (a)(2) and notwithstanding any other provision of this subtitle, the following shall apply:

“(1) PRESERVATION PROJECTS.—Upon expiration of a contract for assistance under section 8 [42 U.S.C. 1437f] for a project that is subject to an approved plan of action under the Emergency Low Income Housing Preservation Act of 1987 (12 U.S.C. 1715f note) or the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (12 U.S.C. 4101 et seq.), to the extent amounts are specifically made available in appropriation Acts, the Secretary shall provide to the owner benefits comparable to those provided under such plan of action, including distributions, rent increase procedures, and duration of low-income affordability restrictions. This paragraph shall apply to projects with contracts expiring before, on, or after the date of the enactment of this section [Oct. 27, 1997].

“(2) DEMONSTRATION PROJECTS.—

“(A) IN GENERAL.—Upon expiration of a contract for assistance under section 8 for a project entered into pursuant to any authority specified in subparagraph (B) for which the Secretary determines that debt restructuring is inappropriate, the Secretary shall, at the request of the owner of the project and to the extent sufficient amounts are made available in appropriation Acts, provide benefits to the owner comparable to those provided under such contract, including annual distributions, rent increase procedures, and duration of low-income affordability restrictions. This paragraph shall apply to projects with contracts expiring before, on, or after the date of the enactment of this section [Oct. 27, 1997].

“(f) PREEMPTION OF CONFLICTING STATE LAWS LIMITING DISTRIBUTIONS.—

“(1) IN GENERAL.—Except as provided in paragraph (2), no State or political subdivision of a State may establish, continue in effect, or enforce any law or regulation that limits or restricts, to an amount that is less than the amount provided for under the regulations of the Secretary establishing allowable project distributions to provide a return on investment, the amount of surplus funds accruing after the date of the enactment of this section [Oct. 27, 1997] that may be distributed from any multifamily housing project assisted under a contract for rental assist-

“(ii) ACCUMULATED RESIDUAL RECEIPTS.—The Secretary or designee may require an owner of a property assisted under the section 8 new construction/substantial rehabilitation program under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.] to apply any accumulated residual receipts toward effecting the purposes of this section.

“(B) REINSURANCE.—With respect to not more than 5,000 units within the demonstration during

fiscal year 1997, the Secretary may enter into contracts to purchase reinsurance, or enter into participations or otherwise transfer economic interest in contracts of insurance or in the premiums paid, or due to be paid, on such insurance, on such terms and conditions as the Secretary may determine. Any contract entered into under this paragraph shall require that any associated units be maintained as low-income units for the life of the mortgage, unless waived by the Secretary for good cause.

“(C) PARTICIPATION BY THIRD PARTIES.—The Secretary or designee may enter into such agreements, provide such concessions, incur such costs, make such grants (including grants to cover all or a portion of the rehabilitation costs for a project) and other payments, and provide other valuable consideration as may reasonably be necessary for owners, lenders, servicers, third parties, and other entities to participate in the demonstration program. The Secretary may establish performance incentives for designees.

“(D) SECTION 8 ADMINISTRATIVE FEES.—Notwithstanding any other provision of law, the Secretary may make fees available from the section 8 contract renewal appropriation to a designee for contract administration under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f] for purposes of any contract restructured or renewed under the demonstration program.

Any limitations on the number of units available for mortgage insurance under section 542 shall not apply to insurance issued for purposes of the demonstration program.

“(ii) MAXIMUM PERCENTAGE.—During fiscal year 1997, not more than 25 percent of the units in multifamily housing projects with expiring contracts in the demonstration, in the aggregate, may be restructured without FHA insurance, unless otherwise agreed to by the owner of a project.

“(ii) CREDIT SUBSIDY.—Any credit subsidy costs of providing a second mortgage shall be paid from amounts made available under subsection (l).

“(H) DEBT FORGIVENESS.—The Secretary or designee, for good cause and at the request of the owner of a multifamily housing project, may forgive at the time of the restructuring of a mortgage any portion of a debt on the project that exceeds the market value of the project.

The Secretary may establish a preference under the demonstration program for budget-based rents for unique housing projects, such as projects designated for occupancy by elderly families and projects in rural areas.

“(J) SECTION 8 TENANT-BASED ASSISTANCE.—For not more than 10 percent of units in multifamily housing projects that have had their mortgages restructured in any fiscal year under the demonstration, the Secretary or designee may provide, with the agreement of an owner and in consultation with the tenants of the housing, section 8 tenant-based assistance for some or all of the assisted units in a multifamily housing project in lieu of section 8 project-based assistance. Section 8 tenant-based assistance may only be provided where the Secretary determines and certifies that there is adequate available and affordable housing within the local area and that tenants will be able to use the section 8 tenant-based assistance successfully.

“(2) OFFER AND ACCEPTANCE.—Notwithstanding any other provision of law, an owner of a project in the demonstration must accept any reasonable offer made by the Secretary or a designee under this subsection. An owner may appeal the reasonableness of any offer to the Secretary and the Secretary shall respond within 30 days of the date of appeal with a final offer. If the final offer is not acceptable, the owner may opt out of the program.

“(i) COMMUNITY AND TENANT INPUT.—In carrying out this section, the Secretary shall develop procedures to provide appropriate and timely notice, including an opportunity for comment and timely access to all relevant information, to officials of the unit of general local government affected, the community in which the project is situated, and the tenants of the project.

“(j) TRANSFER OF PROPERTY.—The Secretary shall establish procedures to facilitate the voluntary sale or transfer of multifamily housing projects under the demonstration to tenant organizations and tenant-endorsed community-based nonprofit and public agency purchasers meeting such reasonable qualifications as may be established by the Secretary.

“(k) LIMITATION ON DEMONSTRATION AUTHORITY.—The Secretary shall carry out the demonstration program with respect to mortgages not to exceed 50,000 units.

#### PUBLIC HOUSING MOVING TO WORK DEMONSTRATION

Pub. L. 114-113, div. L, title II, §239, Dec. 18, 2015, 129 Stat. 2897, as amended by Pub. L. 118-42, div. F, title II, §241, Mar. 9, 2024, 138 Stat. 386, provided that: “The Secretary of Housing and Urban Development shall increase, pursuant to this section, the number of Moving to Work agencies authorized under section 204, title II, of the Departments of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act, 1996 (Public Law 104-134; 110 Stat. 1321) [set out below] by adding to the program 100 public housing agencies that are designated as high performing agencies under the Public Housing Assessment System (PHAS) or the Section Eight Management Assessment Program (SEMAP). No public housing agency shall be granted this designation through this section that administers in excess of 27,000 aggregate housing vouchers and public housing units. Of the agencies selected under this section, no less than 50 shall administer 1,000 or fewer aggregate housing voucher and public housing units, no less than 47 shall administer 1,001-6,000 aggregate housing voucher and public housing units, and no more than 3 shall administer 6,001-27,000 aggregate housing voucher and public housing units. Of the 100 agencies selected under this section, five shall be agencies with portfolio awards under the Rental Assistance Demonstration that meet the other requirements of this section, including current designations as high performing agencies or such designations held immediately prior to such portfolio awards. Selection of agencies under this section shall be based on ensuring the geographic diversity of Moving to Work agencies. In addition to the preceding selection criteria, agencies shall be designated by the Secretary over a 7-year period. The Secretary shall establish a research advisory committee which shall advise the Secretary with respect to specific policy proposals and methods of research and evaluation for the demonstration. The advisory committee shall include program and research experts from the Department, a fair representation of agencies with a Moving to Work designation, and independent subject matter experts in housing policy research. For each cohort of agencies receiving a designation under this heading, the Secretary shall direct one specific policy change to be implemented by the agencies, and with the approval of the Secretary, such agencies may implement additional policy changes. All agencies designated under this section shall be evaluated through rigorous research as determined by the Secretary, and shall provide information requested by the Secretary to support such oversight and evalua-

tion, including the targeted policy changes. Research and evaluation shall be coordinated under the direction of the Secretary, and in consultation with the advisory committee, and findings shall be shared broadly. The Secretary shall consult the advisory committee with respect to policy changes that have proven successful and can be applied more broadly to all public housing agencies, and propose any necessary statutory changes. The Secretary may, at the request of a Moving to Work agency and one or more adjacent public housing agencies in the same area, designate that Moving to Work agency as a regional agency. A regional Moving to Work agency may administer the assistance under sections 8 and 9 of the United States Housing Act of 1937 [42 U.S.C. 1437f and [1437g] for the participating agencies within its region pursuant to the terms of its Moving to Work agreement with the Secretary. The Secretary may agree to extend the term of the agreement and to make any necessary changes to accommodate regionalization. A Moving to Work agency may be selected as a regional agency if the Secretary determines that unified administration of assistance under sections 8 and 9 [42 U.S.C. 1437f, 1437g] by that agency across multiple jurisdictions will lead to efficiencies and to greater housing choice for low-income persons in the region. For purposes of this expansion, in addition to the provisions of the Act retained in section 204, section 8(r)(1) of the Act [42 U.S.C. 1437f(r)(1)] shall continue to apply unless the Secretary determines that waiver of this section is necessary to implement comprehensive rent reform and occupancy policies subject to evaluation by the Secretary, and the waiver contains, at a minimum, exceptions for requests to port due to employment, education, health and safety. No public housing agency granted this designation through this section shall receive more funding under sections 8 or 9 of the United States Housing Act of 1937 [42 U.S.C. 1437f, 1437g] than it otherwise would have received absent this designation. The Secretary shall extend the current Moving to Work agreements of previously designated participating agencies until the end of each such agency's fiscal year 2038 under the same terms and conditions of such current agreements, except for any changes to such terms or conditions otherwise mutually agreed upon by the Secretary and any such agency and such extension agreements shall prohibit any statutory offset of any reserve balances equal to 4 months of operating expenses. Any such reserve balances that exceed such amount shall remain available to any such agency for all permissible purposes under such agreement unless subject to a statutory offset. In addition to other reporting requirements, all Moving to Work agencies shall report financial data to the Department of Housing and Urban Development as specified by the Secretary, so that the effect of Moving to Work policy changes can be measured."

“(B) an assistance contract requires a project owner to make a request before becoming eligible for a rent adjustment under the annual adjustment

factor and the project owner certifies that such a request was not made because of anticipated negative adjustment to the project rents,

for fiscal year 1980, and annually thereafter until regulations implementing this section take effect, rental adjustments shall be calculated as an amount equal to the annual adjustment factor multiplied by a figure equal to the contract rent minus the amount of contract rent attributable to debt service. Upon the request of the project owner, the Secretary shall pay to the project owner the amount, if any, by which the total rental adjustment calculated under the preceding sentence exceeds the total adjustments the Secretary or appropriate State agency actually approved, except that solely for purposes of calculating retroactive payments under this subsection, in no event shall any project owner be paid an amount less than 30 percent of a figure equal to the aggregate of the annual adjustment factor multiplied by the full contract rent for each year on or after fiscal year 1980, minus the sum of the rental payments the Secretary or appropriate State agency actually approved for those years. “(b) 3-YEAR PAYMENTS.—The Secretary shall provide the amounts under subsection (a) over the 3-year period beginning on the effective date of the regulations issued under subsection (e). The Secretary shall provide the payments authorized under subsection (a) only to the extent approved in subsequent appropriations Acts. “(A) currently approved by the Secretary under section 8(c)(2) of the United States Housing Act of 1937 [42 U.S.C. 1437f(c)(2)], or

“(B) calculated in accordance with the first sentence of subsection (a)(1).
