§ 1486. Financial assistance to provide low-rent housing for domestic farm labor

(a) Application; considerations

Upon the application of any State or political subdivision thereof, or any Indian tribe, or any broad-based public or private nonprofit organization incorporated within the State, or any nonprofit organization of farmworkers incorporated within the State, the Secretary is authorized to provide financial assistance for the provision of low-rent housing and related facilities (which may be located any place within the State) for domestic farm labor, if he finds that—

(1) the housing and related facilities for which financial assistance is requested will fulfill a pressing need in the area in which such housing and facilities will be located, and there is reasonable doubt that the same can be provided without financial assistance under this section;

(2) the applicant will contribute, from its own resources or from funds borrowed under section 1484 of this title or elsewhere, at least 10 per centum of the total development cost;

(3) the types of housing and related facilities to be provided are most practicable, giving due consideration to the purposes to be served thereby and the needs of the occupants thereof, and such housing and facilities shall be durable and suitable for year-around occupancy or use, unless the Secretary finds that there is no need for such year-around occupancy or use in that area; and

(4) the construction will be undertaken in an economical manner, and the housing and related facilities will not be of elaborate or extravagant design or material.

(b) Maximum amount of assistance

The amount of any financial assistance provided under this section for low-rent housing and related facilities shall not exceed 90 per centum of the total development cost thereof, as determined by the Secretary, less such amount as the Secretary determines can be practicably obtained from other sources (including a loan under section 1484 of this title).

(c) Prerequisite agreements; rentals; safety and sanitation standards; priority of domestic farm labor

No financial assistance for low-rent housing and related facilities shall be made available under this section unless, to any extent and for any periods required by the Secretary, the applicant agrees—

(1) that the rentals charged domestic farm labor shall not exceed such amounts as may be approved by the Secretary, giving due consideration to the income and earning capacity of the tenants, and the necessary costs of operating and maintaining such housing;

(2) that such housing shall be maintained at all times in a safe and sanitary condition in accordance with such standards as may be prescribed by State or local law, or, in the absence of such standards, in accordance with such minimum requirements as the Secretary shall prescribe; and

(3) an absolute priority will be given at all times in granting occupancy of such housing and facilities to domestic farm labor.

(d) Payments; contracts to specify uses of housing

The Secretary may make payments pursuant to any contract for financial assistance under this section at such times and in such manner, as may be specified in the contract. In each contract, the Secretary shall include such covenants, conditions, or provisions as he deems necessary to insure that the housing and related facilities, for which financial assistance is made available, be used only in conformity with the provisions of this section.

(e) Regulations for prevention of waste

The Secretary shall prescribe regulations to insure that Federal funds expended under this section are not wasted or dissipated. The Secretary shall not give priority for funding under this section to any one of the groups listed in subsection (a) over any of the others so listed.

(f) Wages; labor standards; waiver; authority and functions of Secretary

All laborers and mechanics employed by contractors or subcontractors on projects assisted

by the Secretary which are undertaken by approved applicants under this section shall be paid wages at rates not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor in accordance with sections 3141-3144, 3146, and 3147 of title 40. The Secretary shall not extend any financial assistance under this section for any project without first obtaining adequate assurance that these labor standards will be maintained on the construction work; except that compliance with such standards may be waived by the Secretary in cases or classes of cases where laborers or mechanics, not otherwise employed at any time on the project, voluntarily donate their services without compensation for the purpose of lowering the costs of construction and the Secretary determines that any amounts thereby saved are fully credited to the person, corporation, association, organization, or other entity, undertaking the project. The Secretary of Labor shall have, with respect to the labor standards specified in this section, the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 F.R. 3176; 64 Stat. 1267), and section 3145 of title 40.

(g) Definitions

As used in this section—

(1) the term “low-rent housing” means rental housing within the financial reach of families of low income consisting of (A) new structures (including household furnishings) suitable for dwelling use by domestic farm labor, and (B) existing structures (including household furnishings) which can be made suitable for dwelling use by domestic farm labor by rehabilitation, alteration, conversion, or improvement;

(2) the terms “related facilities” and “domestic farm labor” shall have the meaning assigned to them in section 1484(f) of this title;

(3) the term “development cost” shall have the meaning assigned to it in section 1485(d)(4)¹ of this title; and

(4) the term “domestic farm labor” has the meaning given such term in section 1484(f)(3) of this title.

(h) Migrant farmworker housing

Notwithstanding the provisions of subsection (a)(3), the Secretary may, upon a finding of persistent need for migrant farmworker housing in any area, provide assistance to eligible applicants for 90 per centum of the development costs of such housing in such area to be used solely by migrant farmworkers while they are away from their residence. Such housing shall be constructed in such a manner as to be safe and weatherproof for the time it is to be occupied, be equipped with potable water and modern sanitation facilities (including a kitchen sink, toilet, and bathing facilities), and meet such other requirements as the Secretary may prescribe.

(i) Farm labor housing

The Secretary shall utilize not more than 10 per centum of the amounts available for any fiscal year for purposes of this section for financial assistance to eligible private and public non-

profit agencies to encourage the development of domestic and migrant farm labor housing projects under this subchapter.

(j) Domestic farm labor housing available for other families

Housing and related facilities constructed with grants under this section may be used for tenants eligible for occupancy under section 1485 of this title if the Secretary determines that—

(1) there is no longer a need in the area for farm labor housing; or

(2) the need for such housing in the area has diminished to the extent that the purpose of the grant, providing housing for domestic farm labor, can no longer be met.

(k) Housing for rural homeless and migrant farmworkers

(1) In general

The Secretary may provide financial assistance for providing affordable rental housing and related facilities for migrant farmworkers and homeless individuals (and the families of such individuals) to applicants as provided in this subsection.

(2) Types of assistance

(A) In general

The Secretary may provide the following assistance for housing under this subsection:

(i) An advance, in an amount not to exceed \$400,000, of the cost of acquisition, substantial rehabilitation, or acquisition and rehabilitation of an existing structure or construction of a new structure for use in the provision of housing under this subsection. The repayment of any outstanding debt owed on a loan made to purchase an existing structure shall be considered to be a cost of acquisition eligible for an advance under this subparagraph if the structure was not used for the purposes under this subsection prior to the receipt of assistance.

(ii) A grant, in an amount not to exceed \$400,000, for moderate rehabilitation of an existing structure for use in the provision of housing under this subsection.

Any advance provided under subparagraph (A)(i) shall be repaid on such terms as may be prescribed by the Secretary when the project ceases to be used as housing in accordance with the provisions of this subsection. Recipients shall be required to repay 100 percent of the advance if the housing is used for purposes under this sub-

section for fewer than 10 years following initial occupancy. If the housing is used for such purposes for more than 10 years, the percentage of the amount that shall be required to be repaid shall be reduced by 10 percentage points for each year in excess of 10 that the property is so used.

(D) Prevention of undue benefits

Upon any sale or other disposition of housing acquired or rehabilitated with assistance under this subsection prior to the close of 20 years after the housing is placed in service, other than a sale or other disposition resulting in the use of the project for the direct benefit of low income persons or where all of the proceeds are used to provide housing for migrant farmworkers and homeless individuals (and the families of such individuals), the recipient shall comply with such terms and conditions as the Secretary may prescribe to prevent the recipient from unduly benefiting from the sale or other disposition of the project.

(ii) The Secretary shall require that applications contain at a minimum (I) a description of the proposed housing, (II) a description of the size and characteristics of the population that would occupy the housing, (III) a description of any public and private resources that are expected to be made available in connection with the housing, (IV) a description of the housing needs for migrant farmworkers and homeless individuals (and the families of such individuals) in the area to be served by the housing, and (V) assurances satisfactory to the Secretary that the housing assisted will be operated for not less than 10 years for the purpose specified in the application.

(iv) The Secretary shall require that an application furnish reasonable assurances that the applicant will own or have control of a site for the proposed housing not later than 6 months after notification of an award for grant assistance. (ii) the feasibility of the proposal in providing the housing;

(iii) the need for such housing in the area to be served;

(iv) the cost effectiveness of the proposed housing;

(v) the extent to which the project would meet the needs of migrant farmworkers and homeless individuals (and the families of such individuals) in the State;

(vi) the extent to which the applicant has control of the site of the proposed housing; and

(vii) such other factors as the Secretary determines to be appropriate for purposes of this subsection.

(C) Required agreements

The Secretary may not approve assistance for any housing under this subsection unless the applicant agrees—

(i) to operate the proposed project as housing for migrant farmworkers and homeless individuals (and the families of such individuals) in compliance with the provisions of this subsection and the application approved by the Secretary;

(ii) to monitor and report to the Secretary on the progress of the housing; and

(iii) to comply with such other terms and conditions as the Secretary may establish for purposes of this subsection.

§ 1487. Rural Housing Insurance Fund

(a) Authority to make and insure loans for housing and buildings on adequate farms; amounts

The amount of such a loan to a low income person or family shall not exceed the amount necessary to provide adequate housing which is modest in size, design, and cost (as determined by the Secretary).

(b) Authority to make and insure loans for housing and related facilities for domestic farm labor and elderly persons; transfer of notes, contracts, and mortgages from Agricultural Credit Insurance Fund; compensation

The Secretary may insure loans in accordance with the requirements of section 1484 of this title (exclusive of subsections (a)(3), (a)(5), and (b) thereof), 1485 of this title (exclusive of subsections (a) and (b)(3) thereof), 1490d, and 1490f of this title, and may make loans meeting such requirements to be sold and insured. Upon the expiration of ninety days after the original capitalization of the Rural Housing Insurance Fund, created by subsection (e) of this section, no new loans shall be made or insured under section 1484 or 1485(b) of this title, except in conformity with this section. The notes held in the Agricultural Credit Insurance Fund (section 1929 of title 7) which evidence loans made or insured by the Secretary under section 1484 or 1485(b) of this

title, the rights and liabilities of that Fund under insurance contracts relating to such loans held by insured investors, the mortgages securing the obligations of the borrowers under such loans held in the Fund or by insured investors, and all rights to subsequent collections on and proceeds of such notes, contracts, and mortgages, are hereby transferred to the Rural Housing Insurance Fund and for the purposes of this subchapter and any other Act shall be subject to the provisions of this section as if created pursuant thereto. (d) Authority to insure payment of interest and principal; liens; assignability of notes evidencing loans; interest subsidy on insured and guaranteed loans offered for sale to public; protection of borrowers under loans sold to public

(1) The Secretary may, in conformity with subsections (a), (b), and (m), insure the payment of principal and interest on loans made by lenders other than the United States, and on loans made from or otherwise acquired by the Rural Housing Insurance Fund which are sold by the Secretary.
