

clude byproduct material, as defined in paragraph (3) or (4) of section 2014(e) of this title, if the Governor of the State certifies to the Commission on the date of publication of the transition plan that—

(aa) the State has a program for licensing byproduct material, as defined in paragraph (3) or (4) of section 2014(e) of this title, that is adequate to protect the public health and safety, as determined by the Commission; and

(bb) the State intends to continue to implement the regulatory responsibility of the State with respect to the byproduct material.

(D) Availability of radiopharmaceuticals

In promulgating regulations under subparagraph (A), the Commission shall consider the impact on the availability of radiopharmaceuticals to—

(i) physicians; and

(ii) patients the medical treatment of which relies on radiopharmaceuticals.

(5) Waivers

(A) In general

Except as provided in subparagraph (B), the Commission may grant a waiver to any entity of any requirement under this section or an amendment made by this section with respect to a matter relating to byproduct material (as defined in paragraphs (3) and (4) of section 2014(e) of this title) if the Commission determines that the waiver is in accordance with the protection of the public health and safety and the promotion of the common defense and security.

(B) Exceptions

(i) In general

The Commission may not grant a waiver under subparagraph (A) with respect to—

(I) any requirement under the amendments made by subsection (c)(1);

(II) a matter relating to an importation into, or exportation from, the United States for a period ending after the date that is 1 year after August 8, 2005; or

(III) any other matter for a period ending after the date that is 4 years after August 8, 2005.

(ii) Waivers to States

The Commission shall terminate any waiver granted to a State under subparagraph (A) if the Commission determines that—

(I) the State has entered into an agreement with the Commission under section 2021(b) of this title;

(II) the agreement described in subclause (I) covers byproduct material (as described in paragraph (3) or (4) of section 2014(e) of this title); and

(III) the program of the State for licensing such byproduct material is adequate to protect the public health and safety.

(C) Publication

The Commission shall publish in the Federal Register a notice of any waiver granted under this subsection.
