AMENDMENTS

2014—Subsec. (d). Pub. L. 113–188 struck out subsec. (d). Text read as follows: “No later than 2 years after the award of the grant, the Secretary shall transmit to Congress a report outlining lessons learned and, if determined appropriate by the Secretary, containing a plan for expanding the program throughout the United States.”

**§ 16324. Energy research fellowships**

**(a) Postdoctoral fellowship program**

The Secretary shall establish a program under which the Secretary provides fellowships to encourage outstanding young scientists and engineers to pursue postdoctoral research appointments in energy research and development at institutions of higher education of their choice.

**(b) Senior research fellowships**

**(1) In general**

The Secretary shall establish a program under which the Secretary provides fellowships to allow outstanding senior researchers and their research groups in energy research and development to explore research and development topics of their choosing for a period of not less than 3 years, to be determined by the Secretary.

**(2) Consideration**

In providing a fellowship under the program described in paragraph (1), the Secretary shall consider—

(A) the past scientific or technical accomplishment of a senior researcher; and

(B) the potential for continued accomplishment by the researcher during the period of the fellowship.

(Pub. L. 109–58, title IX, §984, Aug. 8, 2005, 119 Stat. 908.)

**§ 16325. Science and Technology Scholarship Program**

**(a) In general**

The Secretary is authorized to establish a Science and Technology Scholarship Program to award scholarships to individuals that is designed to recruit and prepare students for careers in the Department and National Laboratories.

**(b) Service requirement**

The Secretary may require that an individual receiving a scholarship under this section serve as a full-time employee of the Department or a National Laboratory for a fixed period in return for receiving the scholarship.

PART H—INTERNATIONAL COOPERATION

**§ 16341. Western Hemisphere energy cooperation**

**(a) Program**

The Secretary shall carry out a program to promote cooperation on energy issues with countries of the Western Hemisphere.

**(b) Activities**

Under the program, the Secretary shall fund activities to work with countries of the Western Hemisphere to—

(1) increase the production of energy supplies;

(2) improve energy efficiency; and

(3) assist in the development and transfer of energy supply and efficiency technologies that would have a beneficial impact on world energy markets.

**(c) Participation by institutions of higher education**

To the extent practicable, the Secretary shall carry out the program under this section with the participation of institutions of higher education so as to take advantage of the acceptance of institutions of higher education by countries of the Western Hemisphere as sources of unbiased technical and policy expertise when assisting the Secretary in—

(1) evaluating new technologies;

(2) resolving technical issues;

(3) working with those countries in the development of new policies; and

(4) training policymakers, particularly in the case of institutions of higher education that involve the participation of minority students, such as—

(A) Hispanic-serving institutions; and

(B) part B institutions.

**(d) Authorization of appropriations**

There are authorized to be appropriated to carry out this section—

(1) \$10,000,000 for fiscal year 2007;

(2) \$13,000,000 for fiscal year 2008; and

(3) \$16,000,000 for fiscal year 2009.

(Pub. L. 109–58, title IX, §985, Aug. 8, 2005, 119 Stat. 908.)
