

(J) an assessment of the extent to which progress has been made under the program in developing commercial, cost-competitive technologies in each focus area described in section 17113(c) of this title; and

(K) an assessment of the effectiveness of the program in coordinating efforts within the Department and with other Federal agencies to achieve the purposes of the program.

(g) Report to Congress

Not later than 60 days after receiving a report from the Committee under subsection (f), the Secretary shall submit a copy of that report to the Committees on Appropriations and Science, Space, and Technology of the House of Representatives, the Committees on Appropriations and Energy and Natural Resources of the Senate, and any other relevant Committee of Congress.

(h) Applicability of Federal Advisory Committee Act

Except as otherwise provided in this section, the Federal Advisory Committee Act (5 U.S.C. App.)³ shall apply to the Committee.

(Pub. L. 110–140, title IV, §455, as added Pub. L. 116–260, div. Z, title VI, §6004(a), Dec. 27, 2020, 134 Stat. 2556.)

Editorial Notes

REFERENCES IN TEXT

The Federal Advisory Committee Act, referred to in subsec. (h), is Pub. L. 92–463, Oct. 6, 1972, 86 Stat. 770, which was set out in the Appendix to Title 5, Government Organization and Employees, and was substantially repealed and restated in chapter 10 (§1001 et seq.) of Title 5 by Pub. L. 117–286, §§3(a), 7, Dec. 27, 2022, 136 Stat. 4197, 4361. For disposition of sections of the Act into chapter 10 of Title 5, see Disposition Table preceding section 101 of Title 5.

§ 17115. Technical assistance program to implement industrial emissions reduction

(a) Definitions

In this section:

(1) Eligible entity

The term “eligible entity” means—

- (A) a State;
- (B) a unit of local government;
- (C) a territory or possession of the United States;
- (D) a relevant State or local office, including an energy office;
- (E) a tribal organization (as defined in section 3765 of title 38);
- (F) an institution of higher education; and¹
- (G) a private entity; and
- (H) a trade association or technical society.

(2) Emissions reduction

The term “emissions reduction” has the meaning given the term in section 17113(a) of this title.

(3) Program

The term “program” means the program established under subsection (b).

(b) Establishment

Not later than 1 year after December 27, 2020, the Secretary shall establish a program to provide technical assistance to eligible entities to promote the commercial application of emission reduction technologies developed through the program established in section 17113(b) of this title.

(c) Applications

(1) In general

An eligible entity desiring technical assistance under the program shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

(2) Application process

The Secretary shall seek applications for technical assistance under the program on a periodic basis, but not less frequently than once every 12 months.

(3) Factors for consideration

In selecting eligible entities for technical assistance under the program, the Secretary shall, to the maximum extent practicable—

(A) give priority to—

(i) activities carried out with technical assistance under the program that have the greatest potential for achieving emissions reduction in nonpower industrial sectors;

(ii) activities carried out in a State in which there are active or inactive industrial facilities that may be used or retrofitted to carry out activities under the focus areas described in section 17113(c) of this title; and

(iii) activities carried out in an economically distressed area (as described in section 3161(a) of this title); and

(B) ensure that—

(i) there is geographic diversity among the eligible entities selected; and

(ii) the activities carried out with technical assistance under the program reflect a majority of the focus areas described in section 17113(c) of this title.

(Pub. L. 110–140, title IV, §456, as added Pub. L. 116–260, div. Z, title VI, §6005(a), Dec. 27, 2020, 134 Stat. 2559.)

§ 17115a. Development of national smart manufacturing plan

(a) In general

Not later than 3 years after December 27, 2020, the Secretary of Energy (in this section referred to as the “Secretary”), in consultation with the National Academies, shall develop and complete a national plan for smart manufacturing technology development and deployment to improve the productivity and energy efficiency of the manufacturing sector of the United States.

(b) Content

(1) In general

The plan developed under subsection (a) shall identify areas in which agency actions
