§ 17941. Recognition of security practices

(a) In general

Consistent with the authority of the Secretary under sections 1320d-5 and 1320d-6 of this title, when making determinations relating to fines under such section 1320d-5 (as amended by section 13410 of Pub. (1) mitigate fines under section 1320d-5 of this title (as amended by section 13410 of Pub. L. 111-5);

(2) result in the early, favorable termination of an audit under section 17940 of this title; and

(3) mitigate the remedies that would otherwise be agreed to in any agreement with respect to resolving potential violations of the HIPAA Security rule (part 160 of title 45 Code of Federal Regulations and subparts A and C of part 164 of such title) between the covered entity or business associate and the Department of Health and Human Services.

Such practices shall be determined by the covered entity or business associate, consistent with the HIPAA Security rule (part 160 of title 45 Code of Federal Regulations and subparts A and C of part 164 of such title).

(2) Limitation

Nothing in this section shall be construed as providing the Secretary authority to increase fines under section 1320d-5 of this title (as amended by section 13410 of Pub. L. 111-5), or the length, extent or quantity of audits under section 17940 of this title, due to a lack of compliance with the recognized security practices.

Subject to paragraph (4), nothing in this section shall be construed to subject a covered entity or business associate to liability for electing not to engage in the recognized security practices defined by this section.

(4) Rule of construction

Nothing in this section shall be construed to limit the Secretary’s authority to enforce the HIPAA Security rule (part 160 of title 45 Code of Federal Regulations and subparts A and C of part 164 of such title), or to supersede or conflict with an entity or business associate’s obligations under the HIPAA Security rule.
