PURPOSE

Pub. L. 109-417, title II, §206(a), Dec. 19, 2006, 120 Stat. 2851, provided that: “It is the purpose of this section [enacting this section and amending sections 215 and 254d of this title] to improve the force management and readiness of the Commissioned Corps to accomplish the following objectives:

“(1) To ensure the Corps is ready to respond rapidly to urgent or emergency public health care needs and challenges.

“(2) To ensure the availability of the Corps for assignments that address clinical and public health needs in isolated, hardship, and hazardous duty positions, and, when required, to address needs related to the well-being, security, and defense of the United States.

“(3) To establish the Corps as a resource available to Federal and State Government agencies for assistance in meeting public health leadership and service roles.”

§ 205. Appointment and tenure of office of Surgeon General; reversion in rank

The Surgeon General shall be appointed from the Regular Corps for a four-year term by the President by and with the advice and consent of the Senate. The Surgeon General shall be appointed from individuals who (1) are members of the Regular Corps, and (2) have specialized training or significant experience in public health programs. Upon the expiration of such term the Surgeon General, unless reappointed, shall revert to the grade and number in the Regular Corps or Ready Reserve Corps that he would have occupied had he not served as Surgeon General.
