##### ADVISORY COMMITTEE ON INFANT MORTALITY

Pub. L. 113-55, title I, §104(b), Nov. 27, 2013, 127 Stat. 643, as amended by Pub. L. 115-328, §4, Dec. 18, 2018, 132 Stat. 4473, provided that:

“(1) ESTABLISHMENT.—The Secretary of Health and Human Services (referred to in this section [enacting this note and repealing section 247b-4g of this title] as the ‘Secretary’) may establish an advisory committee known as the ‘Advisory Committee on Infant Mortality’ (referred to in this section as the ‘Advisory Committee’).

“(2) DUTIES.—The Advisory Committee shall provide advice, recommendations, or information to the Secretary as may be necessary to improve activities and programs to reduce severe maternal morbidity, maternal mortality, infant mortality, and preterm birth, which may include recommendations, advice, or information related to the following:

“(A) Programs of the Department of Health and Human Services that are directed at reducing infant mortality, preterm birth, and improving the health status of pregnant women and infants, and information on cost-effectiveness and outcomes of such programs.

“(B) Strategies to coordinate the various Federal programs and activities with State, local, and private programs and efforts that address factors that affect infant mortality.

“(C) The Healthy Start program under section 330H of the Public Health Service Act (42 U.S.C. 254c-8) and Healthy People 2020 infant mortality objectives.

“(D) Implementation of Healthy People objectives related to maternal and infant health.

“(E) Strategies to reduce racial, ethnic, geographic, and other health disparities in birth outcomes, including by increasing awareness of Federal programs related to appropriate access to, or information regarding, prenatal care to address risk factors for preterm labor and delivery.

“(F) Strategies, including the implementation of such strategies, to address gaps in Federal research, programs, and education efforts related to the prevention of severe maternal morbidity, maternal mortality, infant mortality, and other adverse birth outcomes.

“(3) MEMBERSHIP.—The Secretary shall ensure that the membership of the Advisory Committee includes the following:

“(A) Representatives provided for in the original charter of the Advisory Committee.

“(B) A representative of the National Center for Health Statistics.

“(4) BIENNIAL REPORT.—Not later than 1 year after the date of enactment of the PREEMIE Reauthorization Act of 2018 [Dec. 18, 2018], and every 2 years thereafter, the Advisory Committee shall—

“(A) publish a report summarizing activities and recommendations of the Advisory Committee since the publication of the previous report;

“(B) submit such report to the Secretary and the appropriate Committees of Congress; and

“(C) post such report on the Internet website of the Department of Health and Human Services.”

#### § 247b-5. Preventive health measures with respect to prostate cancer

##### (a) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may make grants to States and local health departments for the purpose of enabling such States and departments to carry out programs that may include the following:

(1) To identify factors that influence the attitudes or levels of awareness of men and health care practitioners regarding screening for prostate cancer.

(2) To evaluate, in consultation with the Agency for Health Care Policy and Research and the National Institutes of Health, the effectiveness of screening strategies for prostate cancer.

(3) To identify, in consultation with the Agency for Health Care Policy and Research, issues related to the quality of life for men after prostate<sup>1</sup> cancer screening and followup.

(4) To develop and disseminate public information and education programs for prostate cancer, including appropriate messages about the risks and benefits of prostate cancer screening for the general public, health care providers, policy makers and other appropriate individuals.

(5) To improve surveillance for prostate cancer.

(6) To address the needs of underserved and minority populations regarding prostate cancer.

(7) Upon a determination by the Secretary, who shall take into consideration recommendations by the United States Preventive Services Task Force and shall seek input, where appropriate, from professional societies and other private and public entities, that there is sufficient consensus on the effectiveness of prostate cancer screening—

(A) to screen men for prostate cancer as a preventive health measure;
