§ 254c-9. Establishment of program of grants

(a) In general

The Secretary of Health and Human Services shall in accordance with sections 254c-9 to 254c-13 of this title make grants to provide for projects for the establishment, operation, and coordination of effective and cost-efficient systems for the delivery of essential services to individuals with lupus and their families.

(b) Recipients of grants

A grant under subsection (a) may be made to an entity only if the entity is a public or nonprofit private entity, which may include a State or local government; a public or nonprofit private hospital, community-based organization, hospice, ambulatory care facility, community

health center, migrant health center, or homeless health center; or other appropriate public or nonprofit private entity.

(c) Certain activities

To the extent practicable and appropriate, the Secretary shall ensure that projects under subsection (a) provide services for the diagnosis and disease management of lupus. Activities that the Secretary may authorize for such projects may also include the following:

(1) Delivering or enhancing outpatient, ambulatory, and home-based health and support services, including case management and comprehensive treatment services, for individuals with lupus; and delivering or enhancing support services for their families.

(2) Delivering or enhancing inpatient care management services that prevent unnecessary hospitalization or that expedite discharge, as medically appropriate, from inpatient facilities of individuals with lupus.

(3) Improving the quality, availability, and organization of health care and support services (including transportation services, attendant care, homemaker services, day or respite care, and providing counseling on financial assistance and insurance) for individuals with lupus and support services for their families.

(d) Integration with other programs

To the extent practicable and appropriate, the Secretary shall integrate the program under sections 254c-9 to 254c-13 of this title with other grant programs carried out by the Secretary, including the program under section 254b of this title.

(Pub. L. 106-505, title V, §521, Nov. 13, 2000, 114 Stat. 2343.)

Editorial Notes

CODIFICATION

Section was enacted as part of the Lupus Research and Care Amendments of 2000, and also as part of the Public Health Improvement Act, and not as part of the Public Health Service Act which comprises this chapter.

§ 254c-10. Certain requirements

A grant may be made under section 254c-9 of this title only if the applicant involved makes the following agreements:

(1) Not more than 5 percent of the grant will be used for administration, accounting, reporting, and program oversight functions.

(2) The grant will be used to supplement and not supplant funds from other sources related to the treatment of lupus.

(3) The applicant will abide by any limitations deemed appropriate by the Secretary on any charges to individuals receiving services pursuant to the grant. As deemed appropriate by the Secretary, such limitations on charges may vary based on the financial circumstances of the individual receiving services.

(4) The grant will not be expended to make payment for services authorized under section 254c-9(a) of this title to the extent that pay-
