

EFFECTIVE DATE OF 2002 AMENDMENT

Pub. L. 107-260, §2(b), Oct. 29, 2002, 116 Stat. 1744, provided that: “The amendments made by subsection (a) [amending this section] apply to grants under section 399B of the Public Health Service Act [42 U.S.C. 280e] for fiscal year 2002 and subsequent fiscal years, except that, in the case of a State that received such a grant for fiscal year 2000, the Secretary of Health and Human Services may delay the applicability of such amendments to the State for not more than 12 months if the Secretary determines that compliance with such amendments requires the enactment of a statute by the State or the issuance of State regulations.”

CONGRESSIONAL FINDINGS AND PURPOSE

Pub. L. 102-515, §2, Oct. 24, 1992, 106 Stat. 3372, provided that:

“(a) FINDINGS.—Congress finds that—

“(1) cancer control efforts, including prevention and early detection, are best addressed locally by State health departments that can identify unique needs;

“(2) cancer control programs and existing statewide population-based cancer registries have identified cancer incidence and cancer mortality rates that indicate the burden of cancer for Americans is substantial and varies widely by geographic location and by ethnicity;

“(3) statewide cancer incidence and cancer mortality data, can be used to identify cancer trends, patterns, and variation for directing cancer control intervention;

“(4) the American Association of Central Cancer Registries (AACCR) cites that of the 50 States, approximately 38 have established cancer registries, many are not statewide and 10 have no cancer registry; and

“(5) AACCR also cites that of the 50 States, 39 collect data on less than 100 percent of their population, and less than half have adequate resources for insuring minimum standards for quality and for completeness of case information.

“(b) PURPOSE.—It is the purpose of this Act [enacting this part and provisions set out as a note under section 201 of this title] to establish a national program of cancer registries.”

§ 280e-1. Planning grants regarding registries**(a) In general****(1) States**

The Secretary, acting through the Director of the Centers for Disease Control, may make grants to States for the purpose of developing plans that meet the assurances required by the Secretary under section 280e(c)(2) of this title.

(2) Other entities

For the purpose described in paragraph (1), the Secretary may make grants to public entities other than States and to nonprofit private entities. Such a grant may be made to an entity only if the State in which the purpose is to be carried out has certified that the State approves the entity as qualified to carry out the purpose.

(b) Application

The Secretary may make a grant under subsection (a) only if an application for the grant is submitted to the Secretary, the application contains the certification required in subsection (a)(2) (if the application is for a grant under such subsection), and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the

Secretary determines to be necessary to carry out this section.

EFFECTIVE DATE OF 2007 AMENDMENT

Amendment by Pub. L. 109-482 applicable only with respect to amounts appropriated for fiscal year 2007 or subsequent fiscal years, see section 109 of Pub. L. 109-482, set out as a note under section 281 of this title.

**POTENTIAL ENVIRONMENTAL AND OTHER RISKS
CONTRIBUTING TO INCIDENCE OF BREAST CANCER**

Pub. L. 103-43, title XIX, §1911, June 10, 1993, 107 Stat. 205, provided that Director of the National Cancer Institute, in collaboration with Director of the National Institute of Environmental Health Sciences, was to conduct case-control study to assess biological markers of environmental and other potential risk factors contributing to incidence of breast cancer in specified counties in State of New York and northeastern United States that had highest age-adjusted mortality rate of such cancer, and to report results of such study to Congress not later than 30 months after June 10, 1993.

§ 280e-3a. National childhood cancer registry

(a) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may make awards to State cancer registries to enhance and expand infrastructure to collect information to better understand the epidemiology of cancer in children, adolescents, and young adults. Such registries may be updated to include each occurrence of such cancers within a period of time designated by the Secretary.

(b) Activities

The grants described in subsection (a) may be used for—

- (1) identifying, recruiting, and training potential sources for reporting childhood, adolescent, and young adult cancer cases;

- (2) developing practices to ensure early inclusion of childhood, adolescent, and young adult cancer cases in State cancer registries through the use of electronic reporting;

- (3) collecting and submitting deidentified data to the Centers for Disease Control and Prevention for inclusion in a national database that includes information on childhood, adolescent, and young adult cancers; and

- (4) improving State cancer registries and the database described in paragraph (3), as appropriate, including to support the early inclusion of childhood, adolescent, and young adult cancer cases.

(c) Coordination

To encourage the greatest possible efficiency and effectiveness of federally supported efforts with respect to the activities described in this section, the Secretary shall ensure the appropriate coordination of programs supported under this section with other federally supported cancer registry programs and the activities under section 285a-11(a) of this title, as appropriate.

(d) Informed consent and privacy requirements and coordination with existing programs

The activities described in this section shall be subject to section 552a of title 5, the regulations promulgated under section 264(c) of the Health Insurance Portability and Accountability Act of 1996, applicable Federal and State informed consent regulations, any other applicable Federal and State laws relating to the privacy of patient information, and section 280e(d)(4) of this title.
