**§ 280j-3. Quality improvement program for hospitals with a high severity adjusted readmission rate****(a) Establishment****(1) In general**

Not later than 2 years after March 23, 2010, the Secretary shall make available a program for eligible hospitals to improve their readmission rates through the use of patient safety organizations (as defined in section 299b-21(4) of this title).

**(2) Eligible hospital defined**

In this subsection, the term “eligible hospital” means a hospital that the Secretary determines has a high rate of risk adjusted readmissions for the conditions described in section 1395ww(q)(8)(A) of this title and has not taken appropriate steps to reduce such readmissions and improve patient safety as evidenced through historically high rates of readmissions, as determined by the Secretary.

**(3) Risk adjustment**

The Secretary shall utilize appropriate risk adjustment measures to determine eligible hospitals.

**(b) Report to the Secretary**

As determined appropriate by the Secretary, eligible hospitals and patient safety organizations working with those hospitals shall report to the Secretary on the processes employed by the hospital to improve readmission rates and

the impact of such processes on readmission rates.

PART T—ORAL HEALTHCARE PREVENTION  
ACTIVITIES**§ 280k. Oral healthcare prevention education campaign****(a) Establishment of Oral Health Education Campaign**

The Secretary, acting through the Director of the Centers for Disease Control and Prevention and in consultation with professional oral health organizations, shall, subject to the availability of appropriations, establish a 5-year national, public education campaign (referred to in this section as the “campaign”) that is focused on oral health education, including prevention of oral disease such as early childhood and other caries, periodontal disease, and oral cancer.

**(b) Requirements**

In establishing the campaign under subsection (a), the Secretary shall—

(1) ensure that activities are targeted towards specific populations such as children, pregnant women, parents, the elderly, individuals with disabilities, and ethnic and racial minority populations, including Indians, Alaska Natives and Native Hawaiians (as defined in section 1603(c)<sup>1</sup> of title 25) in a culturally and linguistically appropriate manner; and

(2) utilize science-based strategies to convey oral health prevention messages that include, but are not limited to, community water fluoridation and dental sealants.

**(c) Action for dental health program****(1) In general**

The Secretary, in consultation with the Director of the Centers for Disease Control and Prevention and the Administrator of the Health Resources and Services Administration, may award grants, contracts, or cooperative agreements to eligible entities to collaborate with State or local public health officials, tribal health officials, oral health professional organizations, and others, as appropriate, to develop and implement initiatives to improve oral health, including activities to prevent dental disease and reduce barriers to the provision of dental services, including—

(A) through community-wide dental disease prevention programs; and

(B) by increasing public awareness and education related to oral health and dental disease prevention.

**(2) Eligible entities**

To be eligible to receive a grant, contract, or cooperative agreement under this subsection, an entity shall be—

(A) a dental association;

(B) a State or tribal health department or State or tribal oral health program;

(C) an accredited dental education, dental hygiene, or postdoctoral dental education program; or

##### AMENDMENTS

2018—Subsec. (a). Pub. L. 115-302, §2(a)(1), inserted “of Oral Health Education Campaign” after “Establishment” in heading and substituted “focused on oral health education” for “focused on oral healthcare prevention and education” in text.

Subsec. (b). Pub. L. 115-302, §2(a)(2), substituted “campaign under subsection (a)” for “campaign” in introductory provisions.

Subsec. (c). Pub. L. 115-302, §2(a)(3), added subsec. (c) and struck out former subsec. (c). Prior to amendment, text read as follows: “Not later than 2 years after March 23, 2010, the Secretary shall begin implementing the 5-year campaign. During the 2-year period referred to in the previous sentence, the Secretary shall conduct planning activities with respect to the campaign.”

#### § 280k-1. Research-based dental caries disease management

##### (a) In general

The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall award demonstration grants to eligible entities to demonstrate the effectiveness of research-based dental caries disease management activities.

##### (b) Eligibility

To be eligible for a grant under this section, an entity shall—

(1) be a community-based provider of dental services (as defined by the Secretary), including a Federally-qualified health center, a clinic of a hospital owned or operated by a State (or by an instrumentality or a unit of government within a State), a State or local department of health, a dental program of the Indian Health Service, an Indian tribe or tribal organization, or an urban Indian organization (as such terms are defined in section 1603 of title 25), a health system provider, a private provider of dental services, medical, dental, public health, nursing, nutrition educational institutions, or national organizations involved in improving children’s oral health; and

(2) submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require.

##### (c) Use of funds

A grantee shall use amounts received under a grant under this section to demonstrate the effectiveness of research-based dental caries disease management activities.

##### (d) Use of information

The Secretary shall, as practicable and appropriate, utilize information generated from grantees under this section in planning and implementing the oral health education campaign and action for dental health program under section 280k of this title.
