

programs (including all minority AIDS initiatives of the Public Health Service, including under section 300ff-121 of this title) to enhance the continuity of care and prevention services for individuals with HIV/AIDS or those at risk of such disease. The Secretary shall consult with other Federal agencies, including the Department of Veterans Affairs, as needed and utilize planning information submitted to such agencies by the States and entities eligible for assistance under this subchapter.

(b) Report

The Secretary shall biennially prepare and submit to the appropriate committees of the Congress a report concerning the coordination efforts at the Federal, State, and local levels described in this section, including a description of Federal barriers to HIV program integration and a strategy for eliminating such barriers and enhancing the continuity of care and prevention services for individuals with HIV/AIDS or those at risk of such disease.

(c) Integration by State

As a condition of receipt of funds under this subchapter, a State shall provide assurances to the Secretary that health support services funded under this subchapter will be integrated with other such services, that programs will be coordinated with other available programs (including Medicaid), and that the continuity of care and prevention services of individuals with HIV/AIDS is enhanced.

(d) Integration by local or private entities

As a condition of receipt of funds under this subchapter, a local government or private non-profit entity shall provide assurances to the Secretary that services funded under this subchapter will be integrated with other such services, that programs will be coordinated with other available programs (including Medicaid), and that the continuity of care and prevention services of individuals with HIV is enhanced.
