§ 300ff-87. Severity of need index

(a) Development of index

Not later than September 30, 2008, the Secretary shall develop and submit to the appropriate committees of Congress a severity of need index in accordance with subsection (c).

(b) Definition of severity of need index

In this section, the term “severity of need index” means the index of the relative needs of individuals within a State or area, as identified by a number of different factors, and is a factor or set of factors that is multiplied by the number of living HIV/AIDS cases in a State or area, providing different weights to those cases based on needs. Such factors or set of factors may be different for different components of the provisions under this subchapter.

(c) Requirements for Secretarial submission

When the Secretary submits to the appropriate committees of Congress the severity of need index under subsection (a), the Secretary shall provide the following:

(1) Methodology for and rationale behind developing the severity of need index, including
