

spect to a State, upon receiving an application by the State agency containing or accompanied by documentation sufficient to establish, to the satisfaction of the Assistant Secretary, that—

(1) approval of the State legislature has been obtained or is not required with respect to the proposal for which waiver is sought;

(2) the State agency has collaborated with the area agencies on aging in the State and other organizations that would be affected with respect to the proposal for which waiver is sought;

(3) the proposal has been made available for public review and comment, including the opportunity for a public hearing upon request, within the State (and a summary of all of the comments received has been included in the application); and

(4) the State agency has given adequate consideration to the probable positive and negative consequences of approval of the waiver application, and the probable benefits for older individuals can reasonably be expected to outweigh any negative consequences, or particular circumstances in the State otherwise justify the waiver.

(b) Requirements subject to waiver

The provisions of this subchapter that may be waived under this section are—

(1) any provision of sections 3025, 3026, and 3027 of this title requiring statewide uniformity of programs carried out under this subchapter, to the extent necessary to permit demonstrations, in limited areas of a State, of innovative approaches to assist older individuals;

(2) any area plan requirement described in section 3026(a) of this title if granting the waiver will promote innovations or improve service delivery and will not diminish services already provided under this chapter;

(3) any State plan requirement described in section 3027(a) of this title if granting the waiver will promote innovations or improve service delivery and will not diminish services already provided under this chapter;

(4) any restriction under paragraph (5) of section 3028(b) of this title, on the amount that may be transferred between programs carried out under part B and part C; and

(5) the requirement of section 3029(c) of this title that certain amounts of a State allotment be used for the provision of services, with respect to a State that reduces expenditures under the State plan of the State (but only to the extent that the non-Federal share of the expenditures is not reduced below any minimum specified in section 3024(d) of this title or any other provision of this subchapter).

(c) Duration of waiver

The application by a State agency for a waiver under this section shall include a recommendation as to the duration of the waiver (not to exceed the duration of the State plan of the State). The Assistant Secretary, in granting such a waiver, shall specify the duration of the waiver, which may be the duration recommended by the State agency or such shorter time period as the Assistant Secretary finds to be appropriate.

(d) Reports to Secretary

With respect to each waiver granted under this section, not later than 1 year after the expiration of such waiver, and at any time during the waiver period that the Assistant Secretary may require, the State agency shall prepare and submit to the Assistant Secretary a report evaluating the impact of the waiver on the operation and effectiveness of programs and services provided under this subchapter.

Editorial Notes

CODIFICATION

Pub. L. 106-501, §310, which directed the addition of this section at the end of Part A of title III (42 U.S.C. 3021 et seq.), was executed by adding this section at the end of Part A of title III of the Older Americans Act of 1965 to reflect the probable intent of Congress.

PART B—SUPPORTIVE SERVICES

§ 3030d. Grants for supportive services

(a) Grants

The Assistant Secretary shall carry out a program for making grants to States under State plans approved under section 3027 of this title for any of the following supportive services:

(1) health (including mental and behavioral health), education and training, welfare, informational, recreational, homemaker, counseling, referral, chronic condition self-care management, or falls prevention services;

(2) transportation services to facilitate access to supportive services or nutrition services, and services provided by an area agency on aging, in conjunction with local transportation service providers, public transportation agencies, and other local government agencies, that result in increased provision of such transportation services for older individuals;

(3) services designed to encourage and assist older individuals to use the facilities and services (including information and assistance services) available to them, including language translation services to assist older individuals with limited-English speaking ability to obtain services under this subchapter;

(4) services designed (A) to assist older individuals to obtain adequate housing, including residential repair and renovation projects designed to enable older individuals to maintain their homes in conformity with minimum housing standards; (B) to adapt homes to meet the needs of older individuals who have physical disabilities; (C) to prevent unlawful entry into residences of older individuals, through the installation of security devices and through structural modifications or alterations of such residences; or (D) to assist older individuals in obtaining housing for which assistance is provided under programs of the Department of Housing and Urban Development;

(5) services designed to assist older individuals in avoiding institutionalization and to assist individuals in long-term care institutions who are able to return to their communities, including—

(A) client assessment, case management services, and development and coordination of community services;

(B) supportive activities to meet the special needs of caregivers, including caretakers who provide in-home services to frail older individuals; and

(C) in-home services and other community services, including home health, homemaker, shopping, escort, reader, and letter writing services, to assist older individuals to live independently in a home environment;

(6) services designed to provide to older individuals legal assistance and other counseling services and assistance, including—

(A) tax counseling and assistance, financial counseling, and counseling regarding appropriate health and life insurance coverage;

(B) representation—

(i) of individuals who are wards (or are allegedly incapacitated); and

(ii) in guardianship proceedings of older individuals who seek to become guardians, if other adequate representation is unavailable in the proceedings; and

(C) provision, to older individuals who provide uncompensated care to their adult children with disabilities, of counseling to assist such older individuals with permanency planning for such children;

(7) services designed to enable older individuals to attain and maintain physical and mental well-being through programs of regular physical activity, exercise, music therapy, art therapy, cultural experiences (including the arts), and dance-movement therapy;

(8) services designed to provide health screening (including mental and behavioral health screening, screening for negative health effects associated with social isolation, falls prevention services screening, and traumatic brain injury screening) to detect or prevent (or both) illnesses and injuries that occur most frequently in older individuals;

(9) services designed to provide, for older individuals, preretirement counseling and assistance in planning for and assessing future post-retirement needs with regard to public and private insurance, public benefits, lifestyle changes, relocation, legal matters, leisure time, and other appropriate matters;

(10) services of an ombudsman at the State level to receive, investigate, and act on complaints by older individuals who are residents of long-term care facilities and to advocate for the well-being of such individuals;

(11) provision of services and assistive devices (including provision of assistive technology services and assistive technology devices) which are designed to meet the unique needs of older individuals who are disabled, and of older individuals who provide uncompensated care to their adult children with disabilities;

(12) services to encourage the employment of older workers, including job and second career counseling and, where appropriate, job development, referral, and placement, and including the coordination of the services with pro-

grams administered by or receiving assistance from the Department of Labor, including programs carried out under the Workforce Innovation and Opportunity Act;

(13) crime prevention services and victim assistance programs for older individuals;

(14) a program, to be known as “Senior Opportunities and Services”, designed to identify and meet the needs of low-income older individuals in one or more of the following areas: (A) development and provision of new volunteer services; (B) effective referral to existing health (including mental and behavioral health), employment, housing, legal, consumer, transportation, and other services; (C) stimulation and creation of additional services and programs to remedy gaps and deficiencies in presently existing services and programs; and (D) such other services as the Assistant Secretary may determine are necessary or especially appropriate to meet the needs of low-income older individuals and to assure them greater self-sufficiency;

(15) services for the prevention of abuse of older individuals in accordance with subpart III of part A of subchapter XI and section 3027(a)(12) of this title, and screening for elder abuse, neglect, and exploitation;

(16) inservice training and State leadership for legal assistance activities;

(17) health and nutrition education services, including information concerning prevention, diagnosis, treatment, and rehabilitation of age-related diseases and chronic disabling conditions;

(18) services designed to enable mentally impaired older individuals to attain and maintain emotional well-being and independent living through a coordinated system of support services;

(19) services designed to support family members and other persons providing voluntary care to older individuals that need long-term care services;

(20) services designed to provide information and training for individuals who are or may become guardians or representative payees of older individuals, including information on the powers and duties of guardians and representative payees and on alternatives to guardianships;

(21) services to encourage and facilitate regular interaction between students and older individuals, including services for older individuals with limited English proficiency and visits in long-term care facilities, multipurpose senior centers, and other settings;

(22) in-home services for frail older individuals, including individuals with Alzheimer’s disease and related disorders with neurological and organic brain dysfunction, and their families, including in-home services defined by a State agency in the State plan submitted under section 3027 of this title, taking into consideration the age, economic need, and noneconomic and nonhealth factors contributing to the frail condition and need for services of the individuals described in this paragraph, and in-home services defined by an area agency on aging in the area plan submitted under section 3026 of this title;

(23) services designed to support States, area agencies on aging, and local service providers in carrying out and coordinating activities for older individuals with respect to mental and behavioral health services, including outreach for, education concerning, and screening for such services, and referral to such services for treatment;

(24) activities to promote and disseminate information about life-long learning programs, including opportunities for distance learning;

(25) services that promote or support social connectedness and reduce negative health effects associated with social isolation; and

(26) any other services necessary for the general welfare of older individuals;

if such services meet standards prescribed by the Assistant Secretary and are necessary for the general welfare of older individuals. For purposes of paragraph (5), the term “client assessment through case management” includes providing information relating to assistive technology.

(b) Existing facilities

(1) The Assistant Secretary shall carry out a program for making grants to States under State plans approved under section 3027 of this title for the acquisition, alteration, or renovation of existing facilities, including mobile units, and, where appropriate, construction or modernization of facilities to serve as multipurpose senior centers.

(2) Funds made available to a State under this part may be used for the purpose of assisting in the operation of multipurpose senior centers and meeting all or part of the costs of compensating professional and technical personnel required for the operation of multipurpose senior centers.

(c) Coordination of services with other providers

In carrying out the provisions of this part, to more efficiently and effectively deliver services to older individuals, each area agency on aging shall coordinate services described in subsection (a) with other community agencies and voluntary organizations providing the same services. In coordinating the services, the area agency on aging shall make efforts to coordinate the services with agencies and organizations carrying out intergenerational programs or projects, and pursue opportunities for the development of intergenerational shared site models for programs or projects, consistent with the purposes of this chapter.

(d) Relationship to other funding sources

Funds made available under this part shall supplement, and not supplant, any Federal, State, or local funds expended by a State or unit of general purpose local government (including an area agency on aging) to provide services described in subsection (a).

(e) “Adult child with a disability” defined

In this section, the term “adult child with a disability” means a child who—

(1) is age 18 or older;

(2) is financially dependent on an older individual who is a parent of the child; and

(3) has a disability.

2020—Par. (1). Pub. L. 116-131 substituted “, food insecurity, and malnutrition” for “and food insecurity”.

SUBPART I—CONGREGATE NUTRITION SERVICES

§ 3030e. Grants for establishment and operation of nutrition projects

The Assistant Secretary shall carry out a program for making grants to States under State plans approved under section 3027 of this title for the establishment and operation of nutrition projects that—

(1) 5 or more days a week (except in a rural area where such frequency is not feasible (as defined by the Assistant Secretary by regulation) and a lesser frequency is approved by the State agency), provide at least one hot or other appropriate meal per day and any additional meals which the recipient of a grant or contract under this subpart may elect to provide;

(2) shall be provided in congregate settings, including adult day care facilities and multigenerational meal sites; and

(3) provide nutrition education, nutrition counseling, and other nutrition services, as appropriate, based on the needs of meal participants.
