§ 3030g–23. Nutrition services impact study

(a) Study

(1) In general

The Assistant Secretary shall perform a study to assess how to measure and evaluate the discrepancy between available services and the demand for such services in the home delivered nutrition services program and the congregate nutrition services program under this part, which shall include assessing various methods (such as those that States use) to measure and evaluate the discrepancy (such as measurement through the length of waitlists).

(2) Contents

In performing the study, the Assistant Secretary shall—

(A) consider means of obtaining information in rural and underserved communities; and

(B) consider using existing tools (existing as of the date the Assistant Secretary begins the study) such as the tools developed through the Performance Outcome Measurement Project.

(3) Analysis

The Assistant Secretary shall analyze and determine which methods are the least burdensome and most effective for measuring and evaluating the discrepancy described in paragraph (1).

(b) Recommendations

(1) Preparation

Not later than 3 years after March 25, 2020, the Assistant Secretary shall prepare recommendations—

(A) on how to measure and evaluate, with the least burden and the most effectiveness, the discrepancy described in subsection (a)(1) (such as measurement through the length of waitlists); and

(B) about whether studies similar to the study described in subsection (a) should be carried out for programs carried out under this chapter, other than this part.

(2) Issuance

The Assistant Secretary shall issue the recommendations, and make the recommenda-

tions available as a notification pursuant to section 3012(a)(34) of this title and to the committees of the Senate and of the House of Representatives with jurisdiction over this chapter, and the Special Committee on Aging of the Senate.

(Pub. L. 89-73, title III, §339B, as added Pub. L. 116-131, title II, §216, Mar. 25, 2020, 134 Stat. 259.)

§ 3030m. Program authorized

(a) Grants to States

The Assistant Secretary shall carry out a program for making grants to States under State plans approved under section 3027 of this title to provide evidence-based disease prevention and health promotion services and information at multipurpose senior centers, at congregate meal sites, through home delivered meals programs, or at other appropriate sites. In carrying out such program, the Assistant Secretary shall provide technical assistance on the delivery of evidence-based disease prevention and health promotion services in different settings and for different populations, and consult with the Directors of the Centers for Disease Control and Prevention and the National Institute on Aging.

(b) Community organizations and agencies

The Assistant Secretary shall, to the extent possible, assure that services provided by other community organizations and agencies are used to carry out the provisions of this part.

(c) Improving indoor air quality

The Assistant Secretary shall work in consultation with qualified experts to provide information on methods of improving indoor air quality in buildings where older individuals congregate.
