**§ 3032c. Health care service demonstration projects in rural areas**

**(a) Authority**

The Assistant Secretary, after consultation with the State agency of the State involved, shall make grants to eligible public agencies and nonprofit private organizations to pay part or all of the cost of developing or operating model health care service projects (including related home health care services, adult day health care, mental health services, outreach, and transportation) through multipurpose senior centers that are located in rural areas and that provide nutrition services under section 3030e of this title, to meet the health care needs of medically underserved older individuals residing in such areas.

**(b) Eligibility**

To be eligible to receive a grant under subsection (a), a public agency or nonprofit private organization shall submit to the Assistant Secretary an application containing such information and assurances as the Secretary may require, including—

(1) information describing the nature and extent of the applicant's—

(A) experience in providing medical services of the type to be provided in the project for which a grant is requested; and

(B) coordination and cooperation with—

(i) institutions of higher education having graduate programs with capability in public health, mental health, the medical sciences, psychology, pharmacology, nursing, social work, health education, nutrition, or gerontology, for the purpose of designing and developing such project; and

(ii) critical access hospitals (as defined in section 1395x(mm)(1) of this title and rural health clinics (as defined in section 1395x(aa)(2) of this title);

(2) assurances that the applicant will carry out the project for which a grant is requested, through a multipurpose senior center located—

(A)(i) in a rural area that has a population of less than 5,000; or

(ii) in a county that has fewer than seven individuals per square mile; and

(B) in a State in which—

(i) not less than 33⅓ of the population resides in rural areas; and

(ii) not less than 5 percent of the population resides in counties with fewer than seven individuals per square mile,

as defined by and determined in accordance with the most recent data available from the Bureau of the Census; and

(3) assurances that the applicant will submit to the Assistant Secretary such evaluations and reports as the Assistant Secretary may require.

**(c) Reports**

The Assistant Secretary shall prepare and submit to the appropriate committees of Congress a report that includes summaries of the evaluations and reports required under subsection (b).

Section, Pub. L. 89-73, title IV, §415, as added Pub. L. 106-501, title IV, §401, Nov. 13, 2000, 114 Stat. 2260, related to grants or contracts for computer training and enhanced Internet access for older individuals.

**§ 3032e. Technical assistance and innovation to improve transportation for older individuals**

**(a) In general**

The Secretary may award grants or contracts to nonprofit organizations to improve transportation services for older individuals.

**(b) Use of funds**

**(1) In general**

A nonprofit organization receiving a grant or contract under subsection (a) shall use the

funds received through such grant or contract to carry out a demonstration project, or to provide technical assistance to assist local transit providers, area agencies on aging, senior centers, and local senior support groups, to encourage and facilitate coordination of Federal, State, and local transportation services and resources for older individuals. The organization may use the funds to develop and carry out an innovative transportation demonstration project to create transportation services for older individuals.

**(2) Specific activities**

In carrying out a demonstration project or providing technical assistance under paragraph (1) the organization may carry out activities that include—

(A) developing innovative approaches for improving access by older individuals to transportation services, including volunteer driver programs, economically sustainable transportation programs, and programs that allow older individuals to transfer their automobiles to a provider of transportation services in exchange for the services;

(B) preparing information on transportation options and resources for older individuals and organizations serving such individuals, and disseminating the information by establishing and operating a toll-free telephone number, call center, website or Internet-based portal, mobile application, or other technological tools;

(C) developing models and best practices for providing comprehensive integrated transportation services for older individuals, including services administered by the Secretary of Transportation, by providing ongoing technical assistance to agencies providing services under subchapter III and by assisting in coordination of public and community transportation services;

(D)(i) improving the aggregation, availability, and accessibility of information on options for transportation services for older individuals, including information on public transit, on-demand transportation services, volunteer-based transportation services, and other private transportation providers; and

(ii) providing older individuals with the ability to schedule trips both in advance and on demand, as appropriate;

(E) identifying opportunities to share resources and reduce costs of transportation services for older individuals;

(F) coordinating individualized trip planning responses to requests from older individuals for transportation services; and

(G) providing special services to link older individuals to transportation services not provided under subchapter III.

**(c) Economically sustainable transportation**

In this section, the term “economically sustainable transportation” means demand responsive transportation for older individuals—

(1) that may be provided through volunteers; and

(2) that the provider will provide without receiving Federal or other public financial assistance, after a period of not more than 5

years of providing the services under this section.

2006—Pub. L. 109-365 amended section generally. Prior to amendment, text consisted of subsecs. (a) and (b) relating to grants and contracts to provide technical assistance to improve transportation for seniors.

**§ 3032f. Demonstration, support, and research projects for multigenerational and civic engagement activities**

**(a) Grants and contracts**

The Assistant Secretary shall award grants to and enter into contracts with eligible organizations to carry out projects, serving individuals in younger generations and older individuals, to—

(1) provide opportunities for older individuals to participate in multigenerational activities and civic engagement activities that contribute to the health and wellness of older individuals and individuals in younger generations by promoting—

(A) meaningful roles for participants;

(B) reciprocity in relationship building;

(C) reduced social isolation and improved participant social connectedness;

(D) improved economic well-being for older individuals;

(E) increased lifelong learning; or

(F) support for caregivers of families by—

(i) providing support for older relative caregivers (as defined in section 3030s(a) of this title) raising children (such as support for kinship navigator programs); or

(ii) involving volunteers who are older individuals who provide support and information to families who have a child with a disability or chronic illness, or other families in need of such family support;

(2) coordinate multigenerational activities and civic engagement activities, including multigenerational nutrition and meal service programs;

(3) promote volunteerism, including by providing opportunities for older individuals to become a mentor to individuals in younger generations; and

(4) facilitate development of, and participation in, multigenerational activities and civic engagement activities.

**(b) Grant and contract periods**

Each grant awarded and contract entered into under subsection (a) shall be for a period of not less than 36 months.
