§ 3334. Coordination of Federal aids with local governments

(a) Review of projects by areawide agency or local government

All applications made after June 30, 1967, for Federal loans or grants to assist in carrying out open-space land projects or for the planning or construction of hospitals, airports, libraries, water supply and distribution facilities, sewerage facilities and waste treatment works, highways, transportation facilities, law enforcement facilities, and water development and land conservation projects within any metropolitan area shall be submitted for review—

(1) to any areawide agency which is designated to perform metropolitan or regional planning for the area within which the assistance is to be used, and which is, to the greatest practicable extent, composed of or responsible to the elected officials of a unit of areawide government or of the units of general local government within whose jurisdiction such agency is authorized to engage in such planning, and

(2) if made by a special purpose unit of local government, to the unit or units of general local government with authority to operate in the area within which the project is to be located.

(b) Comments and recommendations by areawide agency and local government

(1) Except as provided in paragraph (2) of this subsection, each application shall be accompanied (A) by the comments and recommendations with respect to the project involved by the areawide agency and governing bodies of the units of general local government to which the application has been submitted for review, and (B) by a statement by the applicant that such comments and recommendations have been considered prior to formal submission of the application. Such comments shall include information concerning the extent to which the project is consistent with comprehensive planning developed or in the process of development for the metropolitan area or the unit of general local

government, as the case may be, and the extent to which such project contributes to the fulfillment of such planning. The comments and recommendations and the statement referred to in this paragraph shall, except in the case referred to in paragraph (2) of this subsection, be reviewed by the agency of the Federal Government to which such application is submitted for the sole purpose of assisting it in determining whether the application is in accordance with the provisions of Federal law which govern the making of the loans or grants.

(2) An application for a Federal loan or grant need not be accompanied by the comments and recommendations and the statements referred to in paragraph (1) of this subsection, if the applicant certifies that a plan or description of the project, meeting the requirements of such rules and regulations as may be prescribed under subsection (c), or such application, has lain before an appropriate areawide agency or instrumentality or unit of general local government for a period of sixty days without comments or recommendations thereon being made by such agency or instrumentality.

(3) The requirements of paragraphs (1) and (2) shall also apply to any amendment of the application which, in light of the purposes of this subchapter, involves a major change in the project covered by the application prior to such amendment.

(c) Rules and regulations

The Office of Management and Budget, or such other agency as may be designated by the President, is hereby authorized to prescribe such rules and regulations as are deemed appropriate for the effective administration of this section.

Executive Documents

TRANSFER OF FUNCTIONS

Functions vested by law (including reorganization plan) in Bureau of the Budget or Director of Bureau of the Budget transferred to President of United States by section 101 of Reorg. Plan No. 2 of 1970, eff. July 1, 1970, 35 F.R. 7959, 84 Stat. 2085, set out in the Appendix to Title 5, Government Organization and Employees. Section 102 of Reorg. Plan No. 2 of 1970 redesignated Bureau of the Budget as Office of Management and Budget.

§ 3335. Grants to assist in planned areawide development

(a) Supplementary grants

The Secretary is authorized to make supplementary grants to applicant State and local public bodies and agencies carrying out, or as-

sisting in carrying out, areawide development projects meeting the requirements of this section.

(b) Criteria

Grants may be made under this section only for areawide development projects in areas for which it has been demonstrated, to the satisfaction of the Secretary, that—

(1) areawide comprehensive planning and programing provide an adequate basis for evaluating (A) the location, financing, and scheduling of individual public facility projects (including but not limited to hospitals and libraries; sewer, water, and sewage treatment facilities; highway, mass transit, airport, and other transportation facilities; and recreation and other open-space areas) whether or not federally assisted; and (B) other proposed land development or uses, which projects or uses, because of their size, density, type, or location, have public areawide or interjurisdictional significance;

(2) adequate areawide institutional or other arrangements exist for coordinating, on the basis of such areawide comprehensive planning and programing, local public policies and activities affecting the development of the area; and

(3) public facility projects and other land development or uses which have a major impact on the development of the area are, in fact, being carried out in accord with such areawide comprehensive planning and programing.

(c) Grant to unit of general local government or other applicant

(1) Where the applicant for a grant under this section is a unit of general local government, it must demonstrate to the satisfaction of the Secretary that, taking into consideration the scope of its authority and responsibilities, it is adequately assuring that public facility projects and other land development or uses of public areawide or interjurisdictional significance are being, and will be, carried out in accord with areawide planning and programing meeting the requirements of subsection (b). In making this determination the Secretary shall give special consideration to whether the applicant is effectively assisting in, and conforming to, areawide planning and programing through (A) the location and scheduling of public facility projects, whether or not federally assisted; and (B) where appropriate, the establishment and consistent administration of zoning codes, subdivision regulations, and similar land-use and density controls.

(2) Where the applicant for a grant under this section is not a unit of general local government, both it and the unit of general local government having jurisdiction over the location of the project must meet the requirements of this subsection.

(d) Secretary's consideration of comments of State bodies

In making the determinations required under this section, the Secretary shall obtain, and give full consideration to, the comments of the body or bodies (State or local) responsible for comprehensive planning and programing for the area.

(e) Restriction on grants to certain areawide development projects

No grant shall be made under this section with respect to an areawide development project for which a Federal grant has been made, or a contract of assistance has been entered into, under the legislation referred to in paragraph (2) of section 3338 of this title, prior to February 21, 1966, or more than one year prior to the date on which the Secretary has made the determinations required under this section with respect to the applicant and to the area in which the project is located: *Provided*, That in the case of a project for which a contract of assistance under the legislation referred to in paragraph (2) of section 3338 of this title has been entered into after June 30, 1967, no grant shall be made under this section unless an application for such grant has been made on or before the date of such contract.

(f) Racial balance or imbalance within school districts

Nothing in this section shall authorize the Secretary to require (or condition the availability or amount of financial assistance authorized to be provided under this subchapter upon) the adoption by any community of a program to achieve a racial balance or to eliminate racial imbalance within school districts.
